WiseTech Global Limited (ASX:WTC; WiseTech; the Company) is pleased to announce the appointment, effective immediately, of Mr. Chris Charlton and Mr. Andrew Harrison as Independent Non-Executive Directors of the Company, subject to the completion of customary background checks.

As noted in the Company's ASX Announcements dated 26 February 2025 and 5 March 2025, a Board renewal program has been underway to ensure the appropriate composition of independent directors with the right skillset mix to support WiseTech's future growth.

Chris Charlton

Chris Charlton brings extensive global logistics expertise to the WiseTech Board having spent over 35 years in customs and international trade, with the last 26 at United Parcel Service (UPS), where he held various senior management positions. He is a licensed Australian Customs Broker, has an MBA from the Australian Institute of Business and has held many positions on logistics and trade industry organisations including the World Custom Organization – APAC Regional Private Sector Group, Australian Border Force – National Consultative Committee and Singapore Customs Advisory Board.

Prior to joining UPS, Chris held Customs related roles at Mayne Nickless Logistics and Michael Bowen Associates. Chris's tenure at UPS culminated in his appointment as Vice President – Asia Pacific Customs Brokerage, a role he held from January 2019 until his retirement in April 2024. In this role, Chris led the customs brokerage and compliance functions across UPS' Asia Pacific region, contributing significantly to its operational excellence and regulatory adherence.

The skills that Chris will bring to the Board will enhance the Board's logistics and product knowledge including product developments such as CargoWise Next, ComplianceWise, Container Transport Optimization, and many other innovations and product initiatives.

Throughout his career Chris has developed a deep understanding of CargoWise and the way WiseTech Global develops its products and interacts with customers and the logistics industry.

Chris will also serve as a member of the Board's People & Remuneration Committee.

Andrew Harrison

Andrew Harrison is a Chartered Accountant, a former investment banker, and an experienced public company director and corporate advisor. He has held executive roles and non-

Prior to those roles Andrew was the Chief Financial Officer of Seven Group Holdings and Hanson Australia, and Group Finance Director at Landis+Gyr.

Given Andrew's prior tenure and role as Chair of WiseTech and his skillset and depth of experience with the Company, he will be able to make a substantial and immediate contribution to the continuity and governance of the Company.

Andrew will take over the Lead Independent Director role from Mike Gregg and will serve as a member of the Board's Audit & Risk Committee and as Chair of the People & Remuneration Committee.

Additional directors

The Board is continuing to interview additional directors, including directors with experience on Audit and Risk committees, from a field of candidates, with a view to appointing two further independent non-executive directors.

The Board welcomes Mr. Charlton and Mr. Harrison and looks forward to the valuable contributions their extensive experience will bring to WiseTech's continued global growth and innovation.
