Helios Energy Ltd ACN 143 932 110 (ASX:HE8) (**Helios** or the **Company**) is pleased to update Shareholders in relation to the outcome of its fully underwritten entitlement offer (**Entitlement Offer**) as announced to the ASX on 13 March 2025.

The Entitlement Offer was made to eligible Shareholders each of whom were entitled to subscribe for 1 new share (each, a **New Share**) for every 7 existing shares in the Company (each, a **Share**) held to raise approximately \$2.6 million before costs.

The remaining 240,171,541 New Shares will be subscribed for by Gleneagle Securities (Aust) Pty Ltd (**Gleneagle**) in accordance with the terms of an underwriting agreement entered into by the Company and Gleneagle.

Managing Director Philipp Kin commented: *"We are pleased to see strong support from existing Shareholders in the Entitlement Offer, particularly over what has been a singularly uncertain time in world capital markets, and would like to thank those Shareholders who participated in addition to Gleneagle for underwriting the remaining shortfall."*

*Helios is now in a strong financial position to progress the Presidio Project and expects to, in the next coming months, to be ready for commissioning of drilling, announce an assessment of further acreage opportunities, continue assessment of commercial opportunities that will likely arise from production and investigation of potential Joint Ventures in our Presidio acreage. I look forward to updating the market on our progress in the coming months."*
