4.5 Obligations

Each of the obligations in this **clause 4** is interdependent. Subject to the Optionholder or the Shareholder (as applicable) complying with **clause 4.4**, the Shareholder or the Optionholder (as applicable) grants to the Optionholder or the Shareholder (as applicable) a power of attorney to execute all documents and take any actions on the Shareholder's or the Optionholder's (as applicable) behalf (including giving any necessary directions to the Company) which are necessary or convenient to give effect to the transfer of the Option Shares. If any obligation specified in **clause 4** is not performed in accordance with **clause 4**, including by the exercise of a power of attorney granted under this document, then, without limiting any other rights of the parties, Completion is taken not to have occurred and any document delivered, or payment made must be returned to the party that delivered it or paid it.
