

Recommended A\$0.08 Per Share Cash Offer

19 May 2025

Xanadu Mines Ltd (ASX:XAM, TSX:XAM) (Xanadu or the Company) and Bastion Mining Pte Ltd (Bastion) are pleased to announce that they have entered into a Bid Implementation Agreement on 19 May 2025 under which Bastion will make an off-market takeover offer to acquire all the fully paid, ordinary shares issued in Xanadu (Xanadu Shares) which Bastion does not already own, at a price of A\$0.08 cash per Xanadu Share (Offer).

A copy of the Bid Implementation Agreement is attached as Annexure A to this announcement.

The Offer is made by Bastion, which represents a consortium of Boroo Pte Ltd (Boroo) and Xanadu Director Ganbayar Lkhagvasuren (together, the Bid Sponsors). Boroo is a private Singapore-incorporated entity which invests in major gold projects internationally. Boroo key assets include Lagunas Norte, a producing gold mine in Peru and a portfolio of development-stage projects in South America. Boroo has guaranteed Bastion's obligations as bidder under the Bid Implementation Agreement.

Xanadu's Takeover Board Committee¹, together with Xanadu's legal and financial advisers, have carefully considered the Offer. The Takeover Board Committee **Directors unanimously recommend that Xanadu shareholders ACCEPT the Offer** in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable.

Xanadu Executive Chairman and Managing Director, Mr Colin Moorhead, said:

"The proposed acquisition of Xanadu by Bastion is aligned with the Company's strategy of generating returns for shareholders and also providing a liquidity event. Bastion's Offer provides Xanadu shareholders with an attractive premium, which recognizes the Company's inherent value and considerable achievements in progressing the Kharmagtai Copper-Gold Project. The Takeover Board Committee Directors consider the Offer to be in the best interest of shareholders and unanimously recommend that shareholders accept the Offer in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable."

¹ The Takeover Board Committee comprises all Xanadu Directors as at the date of this announcement other than Ganbayar Lkhagvasuren and Zijin's representative, Shaoyang Shen.

Mr. Ganbayar Lkhagvasuren, on behalf of Bastion, said:

"Together with my partners at Boroo, I am pleased to be making this supported Offer to Xanadu shareholders. The Bastion Offer provides Xanadu shareholders with the certainty of cash at a significant premium to Xanadu's share price, against a market backdrop of considerable uncertainty. Bastion is ideally positioned to advance Kharmagtai to the next stage of development with the benefit of Boroo's experience in acquiring, financing and developing mining operations in Mongolia."

Bid Implementation Agreement

Under a Bid Implementation Agreement dated 19 May 2025 (**BIA**), Xanadu and Bastion have given undertakings to each other to facilitate the Offer. The Offer is subject to a limited number of conditions as noted below.

- Bastion obtaining a relevant interest in Xanadu of at least 50.1%.
- Until the end of the Offer period, Xanadu must not exercise either of the put options granted under the terms of the Joint Venture Shareholders' Agreement³ which, if exercised, would require Jinping (Singapore) Mining Pte. Ltd (**Jinping**) to acquire either 25% or 50% of Xanadu's shareholding in Khuiten Metals Pte Ltd (**Khuiten Metals**).

² As at the date of this announcement, Colin Moorhead owns or controls 22,920,000 Xanadu Shares (representing approximately 1.20% of the Xanadu Shares on issue), Michele Muscillo owns or controls 9,059,981 Xanadu Shares (representing approximately 0.47% of the Xanadu Shares on issue), and Tony Pearson owns or controls 3,600,555 Xanadu Shares (representing approximately 0.19% of the Xanadu Shares on issue).

³ The Joint Venture Shareholders' Agreement dated 21 December 2022 between the Target, Jinping (Singapore) Mining Pte. Ltd and Khuiten Metals Pte Ltd establishing an incorporated joint venture in connection with the Kharmagtai Project.

- No prescribed occurrence in relation to Xanadu.
- No material adverse change in relation to Xanadu.
- No government or regulatory action in consequence of, or in connection with, the Offer which adversely impacts the Offer (subject to certain carve outs).
- None of the warranties given by Xanadu become incorrect or untrue during the Offer period.

Bastion has committed to declare the Offer unconditional upon achieving a relevant interest in the Company of 50.1%.

The BIA also contains terms usual for a transaction of this nature, including customary exclusivity arrangements such as 'no shop', 'no talk' and 'no due diligence' restrictions as well as a right for Bastion to match any competing proposal. A break fee or a reverse break fee may also be payable in certain circumstances.

Details of the key terms and conditions of the Offer are set out in the attached BIA. Full details of the Offer will be set out in Xanadu's Target's Statement (which will enclose a copy of the Independent Expert's Report).

Equity Funding Arrangements

To assist Xanadu in meeting its corporate and joint venture funding obligations during the Offer period, Bastion and Xanadu have entered into a share subscription agreement (**Subscription Agreement**) under which Bastion has agreed to subscribe for 286,829,633 Xanadu Shares at an issue price of A\$0.06 per share (**Subscription Shares**).

The issue of the Subscription Shares is expected to occur on 26 May 2025 (**Settlement Date**), unless the Subscription Agreement is terminated prior to completion. In particular, if a competing proposal is received prior to the Settlement Date and Xanadu either (1) does not confirm that the competing proposal is not a superior proposal in accordance with the BIA, or (2) fails to recommend that shareholders reject the competing proposal, Bastion may elect to terminate the Subscription Agreement in which case the subscription will not occur.

If completion of the Subscription Agreement occurs as intended:

- the Subscription Shares will be issued under Xanadu's available placement capacity pursuant to ASX Listing Rule 7.1;
- Xanadu will receive a cash injection of A\$17.2 million; and
- Immediately following settlement, Bastion will hold a relevant interest in 13.04% of Xanadu Shares.

Withdrawal of the 25% Put Option Resolution

Currently, an extraordinary general meeting of members is scheduled to be held on 4 June 2025 at which members will be asked to consider and approve a resolution authorising Xanadu to exercise the put option which requires Jinping to acquire 25% of Xanadu's shareholding in Khuiten Metals (**Put Option Resolution**).

However, in light of the Offer and the funding to be received by Xanadu upon issue of the Subscription Shares, the Takeover Board Committee has committed to withdraw the Put Option Resolution following successful completion of the equity funding arrangements under the Subscription Agreement.

Indicative Timetable

Further details regarding the Offer and Takeover Board Committee's recommendation will be outlined in Bastion's Bidder's Statement and Xanadu's Target's Statement, which are expected to be despatched to Xanadu Shareholders on or about 28 May 2025, following completion of the equity funding arrangement under the Subscription Agreement.

Once the Bidder's Statement has been despatched, the Offer will open for acceptance. The Offer will initially remain open for a minimum period of one month.

The Bidder's Statement and the Target's Statement will set out important information, including the Independent Expert's Report (with detail supporting the conclusion of the Independent Expert), how to accept the Offer, and the key reasons why Xanadu shareholders should accept the Offer.

 - (ii) any disclosures or advice containing any statement which is false, inaccurate or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where such Target Indemnified Party has not acted in good faith or has engaged in fraud or wilful misconduct. For the avoidance of doubt, nothing in this clause 9.1(a) limits the Bid Sponsors' and the Bidder's rights to terminate this Agreement under clause 13.
- (b) This clause 9.1 is subject to any restriction or limitation in the Corporations Act and will be read down accordingly.
- (c) The Target receives and holds the benefit of this clause 9.1 to the extent it relates to each Target Indemnified Party as trustee for each of them and may enforce the provisions of clause 9.1(a) on behalf of any Target Indemnified Party.
- (d) The parties acknowledge that any Target Indemnified Party may plead clause 9.1(a) in response to any claim made by the Bidder or the Bid Sponsors, or any of their Related Bodies Corporate, against them.

9.2 Bid Sponsor and Bidder directors and Officers

- (a) The Target waives and releases, and must procure that each Related Body Corporate of the Target waives and releases, its respective rights, and agrees with each of the Bid Sponsors and the Bidder that it will not make a claim, against any Bidder Indemnified Party (other than the Bid Sponsors and the Bidder) as at the Agreement Date and from time to time in connection with:
- (i) any breach of any Bid Sponsor Warranty or Bidder Warranty (as applicable); or
 - (ii) any disclosure or advice containing any statement which is false, inaccurate or misleading whether in content or by omission,
- whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where such Bidder Indemnified Party has not acted in good faith or has engaged in fraud or wilful misconduct. For the avoidance of doubt, nothing in this clause 9.2(a) limits the Target's rights to terminate this Agreement under clause 13.
- (b) This clause 9.2 is subject to any restriction or limitation in the Corporations Act and will be read down accordingly.
- (c) Each of the Bid Sponsors and the Bidder receive and hold the benefit of this clause 9.2 to the extent it relates to each Bidder Indemnified Party as trustee for each of them and may enforce the provisions of clause 9.2(a) on behalf of any Bidder Indemnified Party.
- (d) The parties acknowledge that any Bidder Indemnified Party may plead clause 9.2(a) in response to any claim made by the Target, or any of its Related Bodies Corporate, against them.

10 Insurance

10.1 Target Directors and Officers

- (a) Despite any other provision of this agreement, and subject to a Change of Control occurring, the Bidder and the Bid Sponsors each undertake in favour of the Target and each of the current and former directors and officers of each Target Group Member that the Bidder will (and the Bid Sponsors will procure that the Bidder will), to the extent permitted by law:
- (i) for a period of 7 years from the date of retirement or resignation (as the case may be) of the directors, former directors, officers and former officers of each Target Group Member, ensure that the constitution of the Target and each other member of the Target Group continue to contain such rules as are contained in those constitutions as at the Agreement Date that provide for each Target Group Member to indemnify each of its directors and officers against any liability incurred by that person in their capacity as a director or officer of the relevant Target Group Member to any person other than the Bidder or the Bid Sponsors; and
 - (ii) procure that the Target and each of the Target Group Members complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and without limiting the foregoing, ensure that the directors' and officers' run-off insurance cover for those directors and officers is maintained, for a period set out in clause 10.1(a)(i).
- (b) At or prior to the date of the Change of Control, the Target may purchase a 7-year pre-paid directors' and officers' "run-off" insurance policy on terms and conditions providing coverage retentions, limits and other material terms (including in relation to deductibles) substantially equivalent to the current policies of directors' and officers' liability insurance

maintained by Target Group Members with respect to matters arising at or prior to the date of the Change of Control, including in connection with the Bid or this Agreement (**D&O Policy**). Before entering into the D&O Policy, the Target must consult in good faith with the Bidder and the Bid Sponsors regarding the proposed terms of the D&P Policy, and the Target must not purchase the D&P Policy unless the policy is on commercially reasonable terms.

11 Exclusivity

11.1 No shop and no talk

During the Exclusivity Period, the Target must not, and must ensure that each of its Representatives does not, directly or indirectly, without the prior written consent of the Bid Sponsors and the Bidder:

- (a) **(no shop)** solicit, invite, encourage or initiate (including by the provision of non- public information to any Third Party) any inquiry, expression of interest, offer, proposal or discussion by any person in relation to, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or communicate to any person an intention to do anything referred to in this clause 11.1(a); or
- (b) **(no talk)** subject to clause 11.2:
 - (i) participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or participate in or continue any negotiations or discussions with respect to any actual, proposed or potential Competing Proposal;
 - (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an actual, proposed or potential Competing Proposal;
 - (iii) disclose or otherwise provide any non-public information about the business or affairs of the Target Group to a Third Party (other than a Governmental Agency that has a right to obtain that information and has sought it) with a view to obtaining, or which would reasonably be expected to encourage or lead to receipt of, an actual, proposed or potential Competing Proposal (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of the Target Group); or
 - (iv) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.1(b),

but nothing in this clause 11.1 prevents the Target from:

- (c) making normal presentations to, and to respond to enquiries from, brokers, portfolio investors, institutional lenders and analysts in the ordinary course of business;
- (d) promoting the merits of the Bid;
- (e) engaging with Target Shareholders, provided such engagement does not relate to the Target soliciting, inviting, encouraging or initiating a Competing Proposal; or
- (f) fulfilling its continuous disclosure requirements.

11.2 Fiduciary exception

Clause 11.1(b) does not prohibit any action or inaction by the Target or any of its Representatives in relation to an actual, proposed or potential Competing Proposal (including, for the avoidance of any doubt, conduct required to determine whether a Competing Proposal could reasonably be expected to become a Superior Proposal) if compliance with that clause would, in the opinion of the Independent Target Board, formed in good faith after receiving written advice from its external legal advisers, constitute, or would be likely to constitute, a breach of any of the fiduciary or statutory duties of the Target Directors, provided that any actual, proposed or potential Competing Proposal in question was not directly or indirectly brought about by, or facilitated by, a breach of clause 11.1(a).

11.3 Notification of approaches

- (a) During the Exclusivity Period, the Target must as soon as possible notify the Bid Sponsors and the Bidder in writing if it, or any of its Representatives, becomes aware of any:
 - (i) negotiations or discussions, approach or attempt to initiate any negotiations or discussions, or intention to make such an approach or attempt to initiate any negotiations or discussions in respect of any inquiry, expression of interest, offer, proposal or discussion in relation to an actual, proposed or potential Competing Proposal;
 - (ii) proposal made to the Target or any of its Representatives, in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Proposal; or
 - (iii) provision by the Target or any of its Representatives of any non-public information concerning the business or operations of the Target or the Target Group to any Third Party in connection with an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt, any of the acts described in clauses 11.3(a)(i) to 11.3(a)(iii) may only be taken by the Target if not proscribed by clause 11.1 or if permitted by clause 11.2.
- (b) A notification given under clause 11.3(a) must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all material terms and conditions of the actual, proposed or potential Competing Proposal, except where communication of such details (or part of such details) would constitute a breach by the Target Directors of their fiduciary or statutory duties.

11.4 Matching right

- (a) Without limiting clause 11.1, during the Exclusivity Period, the Target:
 - (i) must not enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party, the Target or both proposes or propose to undertake or give effect to an actual, proposed or potential Competing Proposal; and
 - (ii) must use its best endeavours to procure that none of the Independent Target Directors change their recommendation in favour of the Bid to publicly recommend an actual, proposed or potential Competing Proposal (or recommend against the Bid),

unless:

- (iii) the Independent Target Board acting in good faith and in order to satisfy what the Independent Target Board members consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determines that the Competing Proposal would be or would be likely to be an actual, proposed or potential Superior Proposal;
 - (iv) the Target has provided the Bid Sponsors and the Bidder with the material terms and conditions of the actual, proposed or potential Competing Proposal, including price and the identity of the Third Party making the actual, proposed or potential Competing Proposal, except where communication of such details (or part of such details) would constitute a breach by the Target Directors of their fiduciary or statutory duties;
 - (v) the Target has given the Bid Sponsors and the Bidder at least 2 Business Days after the date of the provision of the information referred to in clause 11.4(a)(iv) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal; and
 - (vi) the Bid Sponsors and the Bidder have not announced a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal by the expiry of the 2 Business Day period in clause 11.4(a)(v).
- (b) If the Bid Sponsors and the Bidder propose to the Target, or announces, amendments to the Bid or a new proposal that constitute a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counterproposal**) by the expiry of the 5 Business Day period in clause 11.4(a)(v), the Target must procure that the Independent Target Board considers the Bidder Counterproposal and if the Independent Target Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Target Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then the Target and the Bid Sponsors and the Bidder must use their best endeavours to agree the amendments to this Agreement that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and the Target must use its best endeavours to procure that each Independent Target Director continues to recommend the Bid (as modified by the Bidder Counterproposal) to Target Shareholders.

11.5 Cease discussions

The Target must cease any discussions or negotiations existing as at the Agreement Date relating to:

- (a) any actual, proposed or potential Competing Proposal; or
- (b) any transaction that would, or would reasonably be expected to, reduce the likelihood of success of the Bid.

11.6 Provision of information

During the Exclusivity Period, the Target must as soon as possible provide the Bid Sponsors and the Bidder with:

- (a) in the case of written materials, a copy of; and
- (b) in any other case, a written statement of,

any non-public information about the business or affairs of the Target or the Target Group disclosed or otherwise provided to any Third Party in connection with an actual, proposed or potential Competing Proposal that has not previously been provided to the Bid Sponsors and the Bidder. For the avoidance of doubt, any such provision of information to a Third Party may only be undertaken if permitted by clause 11.2.

11.7 Legal advice and acknowledgement

The Target represents and warrants to the Bid Sponsors and the Bidder that:

- (a) prior to entering into this Agreement, it has received legal advice on this Agreement and the operation of this clause 11; and
- (b) it and the Independent Target Board consider this clause 11 to be fair and reasonable and that it is appropriate to agree to the terms in this clause 11 in order to secure the significant benefits to it, and Target Shareholders, resulting from the transactions contemplated hereby;
- (c) it and the Independent Target Board acknowledge Bid Sponsors have required Target to agree to the obligations set out in this clause 11 in consideration of it proceeding with the Bid and incurring significant costs in doing so. In the absence of obtaining these obligations from Target, the Bid Sponsors would not have entered into this Agreement.

12 Break Fees

12.1 Background

- (a) The Target believes that the Bid will provide benefits to Target and the Target Shareholders, and the parties all acknowledge that if the parties enter into this Agreement and the Bid is subsequently not successfully implemented, the Bidder Group Members and the Target Group Members will incur significant costs.
- (b) In the circumstances referred to in clause 12.2(a):
 - (i) the Bidder has requested that provision be made for the payment referred to in clause 12.2, without which they would not have entered into this Agreement; and
 - (ii) the Independent Target Board believes that it is appropriate that it agrees to the payment referred to in clause 12.2, in order to secure the Bidder's execution of this Agreement and its agreement to implement (or to procure the implementation of) the Bid.
- (c) In the circumstances referred to in clause 12.3(a):
 - (i) the Target has requested that provision be made for the payment referred to in clause 12.3, without which it would not have entered into this Agreement; and
 - (ii) the Bid Sponsors believes that it is appropriate that it agrees to the payment referred to in clause 12.3, in order to secure the Target's execution of this Agreement.
- (d) Each of the Bid Sponsors and the Target acknowledge that the respective Break Fees are purely and strictly compensatory in nature, and represent a reasonable amount to compensate the Bidder or the Target (as applicable) for the following:
 - (i) all advisory costs (including costs of Advisers other than success fees);
 - (ii) costs of management and directors' time;
 - (iii) all out of pocket expenses;

- (iv) all commitment fees and other financing costs (whether associated with debt or equity finance);
 - (v) reasonable opportunity costs in pursuing the Bid or not pursuing other alternative acquisitions or strategic initiatives; and
 - (vi) in the case of the Bidder Break Fee specifically, the loss also that the Target would suffer as a result of withdrawing the Put Option Resolutions pursuant to clause 4.1 in the event that the Bid is subsequently not successfully implemented.
- (e) The parties agree that this clause 12 does not limit the rights of the Target or a Bid Sponsor in respect of any other claims that they may have against each other, whether under this Agreement or otherwise.

12.2 Target Break Fee

- (a) Subject to clauses 12.2(b), 12.2(c) and 12.4(a), the Target must pay the Bidder the Break Fee in accordance with clause 12.5, without withholding or set off, if:
- (i) any Independent Target Director fails to recommend the Bid to Target Shareholders or that Target Shareholders accept the Offers in respect of all of their Bid Securities, or publicly adversely modifies (including by attaching qualifications to) or withdraws those recommendations once made, unless the Independent Expert does not conclude that the Offers are fair and reasonable to Target Shareholders not associated with the Bidder in its first reported opinion of the Offers;
 - (ii) a Competing Proposal is announced by the Independent Target Board, or is made and is publicly recommended, promoted or otherwise endorsed by the Independent Target Board or by any of the Independent Target Directors (but excluding a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Independent Target Board);
 - (iii) a Competing Proposal is announced or made prior to the end of the Offer Period and is completed at any time prior to the later of:
 - (A) the date that is 6 months from the Agreement Date; and
 - (B) the end of the Offer Period, and
 as a result, a Third Party acquires Control of the Target or the Target Group (or acquires an equivalent shareholding or economic interest in the Target pursuant to the implementation of a dual-listed company structure or reverse takeover);
 - (iv) a general meeting of the Target is convened by the Target Board to consider and, if thought fit, approve the implementation or taking of any step that would, or would be likely to, prevent a Condition being satisfied or result in a Condition not being satisfied, and any of the Independent Target Directors recommend that Target Shareholders vote in favour of implementing or taking that step; or
 - (v) the Bid Sponsors terminate this Agreement in accordance with clause 13.1(a)(i) (*material breach*).
- (b) Despite any other term of this Agreement, the Target Break Fee is only payable once.
- (c) Despite any other term of this Agreement the Target Break Fee will not be payable to the Bidder if:

- (i) as at the date on which the written notice contemplated by clause 12.5 is given by the Bidder to the Target, the Target is entitled to terminate this Agreement under clause 13.1(a)(i) (*material breach*); and
- (ii) and, if such payment has already been made, the Bidder must within 10 Business Days after receiving written demand from the Target refund the Target Break Fee to the Target, if a Change of Control occurs notwithstanding the occurrence of any event in clause 12.2(a).

12.3 Bidder Break Fee – reverse break fee

- (a) Subject to clauses 12.3(b), 12.3(c) and 12.4(a), the Bidder must pay the Target the Bidder Break Fee in accordance with clause 12.5, without withholding or set off, if:
 - (i) the Target terminates this Agreement in accordance with clause 13.1(a)(i) (*material breach*); or
 - (ii) the Bidder fails to satisfy the Condition in paragraph (a) of Schedule 2 (*Minimum relevant interest*).
- (b) Despite any other term of this Agreement, the Bidder Break Fee is only payable once.
- (c) Despite any other term of this Agreement:
 - (i) the Bidder Break Fee will not be payable to the Target if, as at the date on which the written notice contemplated by clause 12.5 is given by the Target to the Bidder, the Bidder is entitled to terminate this Agreement under clause 13.1(a)(i) (*material breach*); and
 - (ii) the Bidder Break Fee will not be payable to the Target and, if such payment has already been made, the Target must within 10 Business Days after receiving written demand from the Bidder refund the Bidder Break Fee to the Bidder, if a Change of Control occurs notwithstanding the occurrence of any event in clause 12.2(a).

12.4 Compliance with law

- (a) If a court or the Takeovers Panel determines that any part of the Break Fees:
 - (i) constitutes or would, if performed, constitute:
 - (A) a breach of the fiduciary or statutory duties of the Target Board; or
 - (B) Unacceptable Circumstances; or
 - (ii) is unenforceable or would, if paid, be unlawful for any reason,

then the Target or the Bidder (as applicable) (**Paying Party**) will not be obliged to pay such part of the relevant Break Fee and, if such payment has already been made, then the other party (**Recipient Party**) must within 10 Business Days after receiving written demand from the Paying Party refund that part of the relevant Break Fee to the Paying Party. To the extent reasonably possible, the Paying Party must submit in any relevant proceedings that no such determination should be made or that if any such determination is to be made, it should apply only to the extent that the relevant Break Fee is paid or to be paid in excess of the amount of the actual costs incurred, directly or indirectly, by the Recipient Party as a result of the Bid not being successfully implemented in accordance with this Agreement (including those described in clause 12.1(c) and clause 12.1(d)).
- (b) If in Takeovers Panel proceedings described in clause 12.4(a), the Takeovers Panel indicates to the Target and the Bidder or either of them that in the absence of a written undertaking pursuant to section 201A of the ASIC Act it will make a declaration of

Unacceptable Circumstances, each of the Bidder and the Target (as the case may be) may give that undertaking on their own behalf and must give reasonable consideration to giving that undertaking if requested by the other party. Where such undertakings are given, this clause 12 will operate in a manner consistent with the terms of such undertakings.

- (c) the Bidder and the Target must not make, or cause or permit to be made, any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in clause 12.4(a).

12.5 Demand and time for payment

The Target or the Bidder (as applicable) must pay the Target Break Fee or the Bidder Break Fee (as applicable), if it is payable pursuant to this Agreement, within 5 Business Days after receiving a written notice from the other party setting out the relevant circumstances and requiring payment of the relevant Break Fee.

12.6 Limitation of liability

Despite any other provision of this Agreement:

- (a) the maximum liability of the parties in relation to this Agreement, including in respect of any breach of this Agreement, will be the amount of:
 - (i) in the case of the Bidder, the Bidder Break Fee; and
 - (ii) in the case of the Target, the Target Break Fee,
 and in no event will the aggregate liability of the parties under or in connection with this Agreement or any claim exceed the amount of the respective Break Fee;
- (b) a payment by a party in accordance with this clause 12 represents the sole and absolute liability of that party under this Agreement and no further damages, fees, expenses or reimbursements of any kind will be payable by that party under this Agreement;
- (c) the Bidder and Bid Sponsors expressly agree that any payment of the Target Break Fee by the Target to the Bidder (if applicable) is deemed to be made in full and final satisfaction of any liability which the Target might otherwise have under this Agreement to the Bid Sponsors; and
- (d) the Target expressly agrees that any payment of the Bidder Break Fee by the Bidder to the Target (if applicable) is deemed to be made in full and final satisfaction of any liability which the Bid Sponsors might otherwise have under this Agreement to the Target.

13 Termination

13.1 Termination by either party

Either party (**Terminating Party**) may terminate this Agreement by notice to the other if:

- (a) either:
 - (i) (**material breach**) the other party is in material breach of any clause of this Agreement (including a material breach of a representation or warranty given by the other party under clause 8);
 - (ii) (**No-Fault Condition**) the No-Fault Condition becomes incapable of satisfaction, provided that the Terminating Party has complied with clause 2.2; and
- (b) the Terminating Party has given notice to the other party setting out the relevant circumstances and stating an intention to terminate this Agreement; and

- (c) in the case of a material breach, the relevant circumstances have continued to exist for five Business Days from the time such notice is given.

13.2 Termination by the Bid Sponsors

The Bid Sponsors may terminate this Agreement by notice in writing to Target:

- (a) if any of the Conditions (other than the No-Fault Condition) becomes incapable of satisfaction, provided that the Bid Sponsors have complied with clause 2.2; or
- (b) if any of the Independent Target Directors publicly adversely modify (including by attaching qualifications to) or withdraw their recommendation of the Bid to Target Shareholders and that Target Shareholders accept the Offers in respect of all of their Bid Securities, or publicly recommend, promote or otherwise endorse a Competing Proposal, whether or not in accordance with clause 5.1(b) (but excluding a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Independent Target Board).

13.3 Termination by Target

The Target may terminate this Agreement by notice in writing to the Bid Sponsors if:

- (a) the Bidder or the Bid Sponsors (as applicable) are in material breach of any of their respective obligations under the Subscription Agreement;
- (b) the Independent Target Board publicly recommends, promotes or otherwise endorses a Superior Proposal, and any Target Break Fee payable pursuant to clause 12.2 has been paid in full by the Target;
- (c) the Independent Expert does not conclude that the Offers are fair and reasonable to Target Shareholders not associated with the Bidder and as a result of which, any of the Independent Target Directors publicly adversely modify (including by attaching qualifications to) or withdraw their recommendation of the Bid to Target Shareholders and that Target Shareholders accept the Offers in respect of all of their Bid Securities; or
- (d) the Independent Expert ceases to conclude (including by withdrawing or modifying its previous conclusion) that the Offers are fair and reasonable to Target Shareholders not associated with the Bidder and as a result of which, any of the Independent Target Directors publicly adversely modify (including by attaching qualifications to) or withdraw their recommendation of the Bid to Target Shareholders and that Target Shareholders accept the Offers in respect of all of their Bid Securities, provided that any Target Break Fee payable pursuant to clause 12.2 has been paid in full by the Target.

13.4 Automatic termination

- (a) This Agreement terminates upon Completion.
- (b) This Agreement automatically terminates upon the expiry of the Offer Period (as may be extended in accordance with this Agreement).

13.5 Effect of termination

In the event of termination of this Agreement by either the Bid Sponsors or the Target pursuant to clause 13.1, 13.2 or 13.3, this Agreement will have no further force or effect and the parties will have no further obligations under this Agreement, provided that:

- (a) this clause 13 and clauses 1, 12, 14 and 15 will survive termination; and

- (b) each party will retain any accrued rights and remedies, including any rights and remedies it has or may have against the other party in respect of any past breach of this Agreement.

14 GST

14.1 Recovery of GST

If GST is payable, or notionally payable, on a supply made under or in connection with this Agreement, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**). Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time that the other consideration for the supply is provided. This clause does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

14.2 Liability net of GST

Where any indemnity, reimbursement or similar payment under this Agreement is based on any cost, expense or other liability, it must be reduced by any input tax credit entitlement, or notional input tax credit entitlement, in relation to the relevant cost, expense or other liability.

14.3 Adjustment events

If an adjustment event occurs in relation to a supply made under or in connection with this Agreement, the GST Amount will be recalculated to reflect that adjustment and an appropriate payment will be made between the parties.

14.4 Cost exclusive of GST

Any reference in this Agreement to a cost, expense or other similar amount (**Cost**) is a reference to that Cost exclusive of GST.

14.5 Survival

This clause will not merge upon completion and will continue to apply after expiration or termination of this Agreement.

14.6 Definitions

Unless the context requires otherwise, words and phrases used in this clause that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) will have the same meaning in this clause.

15.2 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this Agreement does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing. For the avoidance of doubt, the doctrine of affirmation by election will not apply to any failure by a party to exercise, or delay by a party in exercising, any right, power or remedy under this Agreement.

15.3 Remedies cumulative

Recommended A\$0.08 Per Share Cash Offer

19 May 2025

Xanadu Mines Ltd (ASX:XAM, TSX:XAM) (Xanadu or the Company) and Bastion Mining Pte Ltd (Bastion) are pleased to announce that they have entered into a Bid Implementation Agreement on 19 May 2025 under which Bastion will make an off-market takeover offer to acquire all the fully paid, ordinary shares issued in Xanadu (Xanadu Shares) which Bastion does not already own, at a price of A\$0.08 cash per Xanadu Share (Offer).

A copy of the Bid Implementation Agreement is attached as Annexure A to this announcement.

The Offer is made by Bastion, which represents a consortium of Boroo Pte Ltd (Boroo) and Xanadu Director Ganbayar Lkhagvasuren (together, the Bid Sponsors). Boroo is a private Singapore-incorporated entity which invests in major gold projects internationally. Boroo key assets include Lagunas Norte, a producing gold mine in Peru and a portfolio of development-stage projects in South America. Boroo has guaranteed Bastion's obligations as bidder under the Bid Implementation Agreement.

Xanadu's Takeover Board Committee¹, together with Xanadu's legal and financial advisers, have carefully considered the Offer. The Takeover Board Committee **Directors unanimously recommend that Xanadu shareholders ACCEPT the Offer** in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable.

Xanadu Executive Chairman and Managing Director, Mr Colin Moorhead, said:

"The proposed acquisition of Xanadu by Bastion is aligned with the Company's strategy of generating returns for shareholders and also providing a liquidity event. Bastion's Offer provides Xanadu shareholders with an attractive premium, which recognizes the Company's inherent value and considerable achievements in progressing the Kharmagtai Copper-Gold Project. The Takeover Board Committee Directors consider the Offer to be in the best interest of shareholders and unanimously recommend that shareholders accept the Offer in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Offer is fair and reasonable."

¹ The Takeover Board Committee comprises all Xanadu Directors as at the date of this announcement other than Ganbayar Lkhagvasuren and Zijin's representative, Shaoyang Shen.

Mr. Ganbayar Lkhagvasuren, on behalf of Bastion, said:

"Together with my partners at Boroo, I am pleased to be making this supported Offer to Xanadu shareholders. The Bastion Offer provides Xanadu shareholders with the certainty of cash at a significant premium to Xanadu's share price, against a market backdrop of considerable uncertainty. Bastion is ideally positioned to advance Kharmagtai to the next stage of development with the benefit of Boroo's experience in acquiring, financing and developing mining operations in Mongolia."

The BIA also contains terms usual for a transaction of this nature, including customary exclusivity arrangements such as 'no shop', 'no talk' and 'no due diligence' restrictions as well as a right for Bastion to match any competing proposal. A break fee or a reverse break fee may also be payable in certain circumstances.

Details of the key terms and conditions of the Offer are set out in the attached BIA. Full details of the Offer will be set out in Xanadu's Target's Statement (which will enclose a copy of the Independent Expert's Report).

Equity Funding Arrangements

To assist Xanadu in meeting its corporate and joint venture funding obligations during the Offer period, Bastion and Xanadu have entered into a share subscription agreement (**Subscription Agreement**) under which Bastion has agreed to subscribe for 286,829,633 Xanadu Shares at an issue price of A\$0.06 per share (**Subscription Shares**).

The issue of the Subscription Shares is expected to occur on 26 May 2025 (**Settlement Date**), unless the Subscription Agreement is terminated prior to completion. In particular, if a competing proposal is received prior to the Settlement Date and Xanadu either (1) does not confirm that the competing proposal is not a superior proposal in accordance with the BIA, or (2) fails to recommend that shareholders reject the competing proposal, Bastion may elect to terminate the Subscription Agreement in which case the subscription will not occur.

If completion of the Subscription Agreement occurs as intended:

- the Subscription Shares will be issued under Xanadu's available placement capacity pursuant to ASX Listing Rule 7.1;
- Xanadu will receive a cash injection of A\$17.2 million; and
- Immediately following settlement, Bastion will hold a relevant interest in 13.04% of Xanadu Shares.

Withdrawal of the 25% Put Option Resolution

Currently, an extraordinary general meeting of members is scheduled to be held on 4 June 2025 at which members will be asked to consider and approve a resolution authorising Xanadu to exercise the put option which requires Jinping to acquire 25% of Xanadu's shareholding in Khuiten Metals (**Put Option Resolution**).

However, in light of the Offer and the funding to be received by Xanadu upon issue of the Subscription Shares, the Takeover Board Committee has committed to withdraw the Put Option Resolution following successful completion of the equity funding arrangements under the Subscription Agreement.

Indicative Timetable

Further details regarding the Offer and Takeover Board Committee's recommendation will be outlined in Bastion's Bidder's Statement and Xanadu's Target's Statement, which are expected to be despatched to Xanadu Shareholders on or about 28 May 2025, following completion of the equity funding arrangement under the Subscription Agreement.

Once the Bidder's Statement has been despatched, the Offer will open for acceptance. The Offer will initially remain open for a minimum period of one month.

The Bidder's Statement and the Target's Statement will set out important information, including the Independent Expert's Report (with detail supporting the conclusion of the Independent Expert), how to accept the Offer, and the key reasons why Xanadu shareholders should accept the Offer.
