MAC Copper Limited enters into Binding Scheme Implementation Deed with Harmony

MAC Copper Limited (NYSE:MTAL, ASX:MAC) ("**MAC**" or the "**Company**") is pleased to announce that it has entered into a binding scheme implementation deed ("**Implementation Deed**") with Harmony Gold Mining Company Limited (JSE:HAR, NYSE:HMY) ("**Harmony**") and Harmony Gold (Australia) Pty Ltd ("**Harmony Australia**") (a wholly owned subsidiary of Harmony), under which it is proposed that Harmony Australia will acquire 100% of the issued share capital in MAC by way of a Jersey law scheme of arrangement pursuant to Article 125 of the Companies (Jersey) Law 1991 ("**Scheme**") (the "**Transaction**").

Highlights

- Under the terms of the Scheme, MAC shareholders will receive US\$12.25 (A\$18.93¹) cash per MAC share.
- The consideration payable under the Scheme implies a fully diluted equity value for MAC of ~US\$1.03 billion (~A\$1.60 billion²)³ and represents a premium of:
 - 32.1% to the 30-day volume weighted average price ("VWAP") of US\$9.28 per MAC share trading on the New York Stock Exchange ("NYSE") up to and including Friday, 23 May 2025 (32.8% to the 30-day VWAP of A\$14.26 per MAC CHESS Depositary Interest ("CDI") trading on the Australian Stock Exchange ("ASX") up to and including Monday, 26 May 2025); and
 - 20.7% to the last closing share price of US\$10.15 per MAC share trading on the NYSE on Friday, 23 May 2025 (22.1% to the last closing share price of A\$15.51 per MAC CDI trading on the ASX on Monday, 26 May 2025).
- The Scheme is subject to limited conditions, including Harmony obtaining approval from Australia's Foreign Investment Review Board and approval from the South African Reserve Bank and MAC entering into restructuring deeds or amendment and restatement documents in respect of the existing streaming arrangements with Osisko Bermuda Limited ("Osisko") and the royalty with Glencore Operations Australia Pty Limited ("Glencore"). Significantly, it is not subject to any financing or due diligence conditions.
- The MAC board unanimously recommends that MAC shareholders vote in favour of the Scheme, in the absence of a Superior Proposal (as defined in the Implementation Deed). Each of MAC's directors (who together hold or control 2.4% of MAC's total current fully paid ordinary shares and CDI's on issue) also intend to vote their MAC shares in favour of the Scheme, subject to the same qualification.⁴
- Several of MAC's key shareholders, Fourth Sail Group ("Fourth Sail"), Osisko, Sprott Private Resource Lending II (Collector), LP ("Sprott"), Victor Smorgon Group ("Victor Smorgon") and BEP Special Situations VI LLC ("Bluescape") (who together hold or control an additional 20.1% of MAC's total current fully paid ordinary shares and CDI's on issue), have confirmed that they will vote their MAC shares or CDIs in favour of the Scheme, in the absence of a Superior Proposal.⁵

¹ Calculated with reference to the applicable A\$:US\$ exchange rate of 0.6471 immediately before this announcement on Tuesday, 27 May 2025. MAC shareholders who receive the Scheme Consideration in A\$ will receive the A\$ equivalent of US\$12.25 per MAC share at the prevailing exchange rate on the Effective Date (as defined in the Implementation Deed).

² Calculated with reference to the applicable A\$:US\$ exchange rate of 0.6471 immediately before this announcement on Tuesday, 27 May 2025.

³ Based on 82,488,196 fully paid ordinary shares plus 521,216 restricted stock units ("**RSUs**") plus 517,676 performance based restricted stock units ("**PSUs**") (which, in accordance with issue terms, will convert at 2.25x) plus 109,504 deferred shared units ("**DSUs**").

⁴ The directors of MAC directly or indirectly hold or control, in aggregate, 1,823,624 MAC fully paid ordinary shares and 192,094 CDI's, being 2.4% of the total current fully paid ordinary shares and CDI's on issue.

⁵ Each of Fourth Sail, Osisko, Sprott, Victor Smorgon and Bluescape are not restricted from disposing of or otherwise dealing in MAC shares or CDI's held by them prior to the date of the Scheme Meeting.

Unanimous Board Recommendation

The board of MAC unanimously supports the Transaction and unanimously recommends that MAC shareholders vote in favour of the Scheme, in the absence of a Superior Proposal. Subject to that same qualification, each of the directors of MAC have confirmed that they intend to vote all MAC shares held or controlled by them in favour of the Scheme.

Commenting on the Transaction, MAC's Chief Executive Officer, Mick McMullen, said:

"Having carefully considered the merits of the Transaction, the MAC board has unanimously concluded that the Scheme is in the best interests of MAC shareholders. MAC has recently updated the market with several developments including our larger reserve life, production guidance, the new Merrin Mine development and the recent debt refinancing which we feel has enabled the market to remain fully informed.

The board believes the Transaction provides MAC shareholders with a compelling opportunity to de-risk their investment and realise an attractive cash value of US\$12.25 per MAC share, which is also a premium to MAC's recent historical trading levels. Additionally, the Scheme is subject to limited conditionality, which provides MAC shareholders with a high degree of Transaction certainty.

The Transaction also presents a great outcome for other stakeholders in the CSA Copper Mine, who will benefit from the stewardship of a well-respected and high-quality operator in Harmony, who is looking to build a copper business in Australia through the acquisition of MAC and the development of their Eva Copper Project in Queensland. The board is confident that Harmony will deliver positive outcomes not only at the mine, but also for the wider Cobar community.

The Transaction is a strong endorsement of the hard work and achievements of the MAC team over the last ~2 years. The board is extremely proud of the team's significant efforts implementing numerous operational improvements at the CSA Copper Mine, simplifying and deleveraging the balance sheet and transforming the asset into the high-quality operation it is today.

Alongside my fellow directors, I have no hesitation in supporting the Transaction."

Key Shareholder Support

Several of MAC's key shareholders, Fourth Sail, Osisko, Sprott, Victor Smorgon and Bluescape (who together hold or control 20.1% of MAC's total current fully paid ordinary shares and CDI's on issue), have confirmed to MAC that they will vote all of the MAC shares or CDI's that they directly or indirectly own or control at the time of the shareholder meeting to vote on the Scheme ("**Scheme Meeting**") in favour of the Scheme, in the absence of a Superior Proposal. Each of Fourth Sail, Osisko, Sprott, Victor Smorgon and Bluescape are not restricted from disposing of or otherwise dealing in MAC shares or CDIs held by them prior to the date of the Scheme Meeting.

Overview of the Scheme

If the Scheme is implemented, each MAC shareholder who holds MAC shares as at the Record Date (as defined in the Implementation Deed) will receive a cash amount of US\$12.25 (A\$18.93⁶) per MAC share on the Implementation Date (as defined in the Implementation Deed), which implies a fully diluted equity value for MAC of ~US\$1.03 billion (~A\$1.60 billion⁷)⁸. As part of the Scheme, MAC shareholders will also have the option to elect to have their Scheme consideration paid in Australian Dollars, which will be calculated with reference to the applicable exchange rate published on the website of the Reserve Bank of Australia on the Effective Date (as defined in the Implementation Deed).

The Scheme consideration of US\$12.25 (A\$18.93⁶) per MAC share represents a premium of:

- 32.1% to the 30-day VWAP of US\$9.28 per MAC share trading on the NYSE up to and including Friday, 23 May 2025 (32.8% to the 30-day VWAP of A\$14.26 per MAC CDI trading on the ASX up to and including Monday, 26 May); and

⁶ Calculated with reference to the applicable A\$:US\$ exchange rate of 0.6471 immediately before this announcement on Tuesday, 27 May 2025. MAC shareholders who receive the Scheme Consideration in A\$ will receive the A\$ equivalent of US\$12.25 per MAC share at the prevailing exchange rate on the Effective Date (as defined in the Implementation Deed).

⁷ Calculated with reference to the applicable A\$:US\$ exchange rate of 0.6471 immediately before this announcement on Tuesday, 27 May 2025.

⁸ Based on 82,488,196 fully paid ordinary shares plus 521,216 RSUs plus 517,676 PSUs (which, in accordance with issue terms, will convert at 2.25x) plus 109,504 DSUs.

- 20.7% to the last closing share price of US\$10.15 per MAC share trading on the NYSE on Friday, 23 May 2025 (22.1% to the last closing share price of A\$15.51 per MAC CDI trading on the ASX on Monday, 26 May 2025).

The Scheme consideration will be funded by Harmony through existing cash reserves and committed debt funding.

The implementation of the Scheme will also result in Harmony repaying MAC's existing senior debt and assuming MAC's obligations pursuant to MAC's silver and copper streams with Osisko, MAC's royalty arrangements with Glencore and MAC's potential obligation to pay Glencore US\$150 million in contingent copper payments pursuant to the terms of its acquisition of the CSA Copper Mine.

The Scheme is conditional on receipt of required waivers and amendments in respect of certain contracts, including MAC's silver and copper streams with Osisko and its royalty arrangements with Glencore. This will require that MAC enters into restructuring deeds or amendment and restatement documents with Osisko (in relation to the silver and copper streams) and Glencore (in relation to the royalty). The restructure will, among other things, facilitate the re-domiciliation of MAC as an Australian tax resident, and the novation of MAC's stream obligations to a Jersey incorporated indirect subsidiary of Harmony Gold and provide for requisite amendments to the relevant security documents in the context of the Scheme and the restructure.

The Scheme is subject to limited conditions, including:

- approval of MAC shareholders:
 - of the Scheme, at a Scheme Meeting expected to be held in Q4 2025 (for the Scheme to proceed, MAC shareholders must approve the Scheme by a resolution of a majority in number of MAC shareholders representing 75% or more of the voting rights of the MAC shares voted by those MAC shareholders who (being entitled to do so) voted in person or by proxy at the Scheme Meeting); and
 - of certain other matters in connection with the Transaction, at a general meeting convened contemporaneously with the Scheme Meeting;
- being sanctioned by the Royal Court of Jersey ("**Court**");
- Harmony obtaining approval from Australia's Foreign Investment Review Board;
- Harmony obtaining approval from the South African Reserve Bank;
- receipt of relevant consents, waivers, relief or approvals from the Australian Securities & Investments Commission ("**ASIC**") and the Australian Securities Exchange;
- customary conditions including no Restraints, no Material Adverse Change and no Prescribed Occurrences (as those terms are defined in the Implementation Deed);
- receipt of relevant approvals, amendments, exemptions or waivers from each counterparty in respect to certain contracts, including MAC's silver and copper streams with Osisko and its royalty arrangements with Glencore as outlined above; and
- the cancellation of all MAC Warrants pursuant to a Warrant Cancellation Deed (as those terms are defined in the Implementation Deed). As at the date of this announcement, the Warrant Cancellation Deed has been executed.

The Scheme is not subject to any financing or due diligence conditions.

The Implementation Deed also contains customary exclusivity obligations, including "no shop", "no talk", "no due diligence" and notification obligations and a matching right regime in respect of any Superior Proposal received by MAC. The "no talk" and "no due diligence" obligations are subject to customary exceptions to enable the MAC board to comply with its fiduciary and statutory duties following consultation with its financial advisers and the receipt of written legal advice in respect to any Superior Proposal.

The Implementation Deed also details circumstances under which MAC may be required to pay a break fee to Harmony and circumstances where Harmony may be required to pay MAC a reverse break fee. The break fee, should it become payable, is ~US\$23.6 million and the reverse break fee, should it become payable, is equal to 50% of the break fee (~US\$11.8 million).

Full details of the terms and conditions of the Scheme are set out in the Implementation Deed, a copy of which is attached to this announcement.

Indicative Timetable and Next Steps

MAC shareholders do not need to take any action at this time.

A Scheme circular containing important information about the Scheme, including reasons for the unanimous recommendation of MAC's board, is expected to be sent to MAC shareholders in September 2025. A Scheme Meeting is expected to be held in Q4 2025. If approved by MAC shareholders and sanctioned by the Court, the Scheme would be implemented shortly thereafter.⁹

The MAC board will keep the market informed of any material developments in accordance with its continuous disclosure requirements.

operating cost estimates, the ability of the Company to operate in a safe, efficient and effective manner and the ability of the Company to obtain financing as and when required and on reasonable terms. Readers are cautioned that the foregoing list is not exhaustive of all factors and assumptions which may have been used by the Company. Although management believes that the assumptions made by the Company and the expectations represented by such information are reasonable, there can be no assurance that the forward-looking information will prove to be accurate.

Factors that may cause such differences include, but are not limited to: (i) the completion of the Transaction on anticipated terms and timing, including obtaining required shareholder and regulatory approvals, and the satisfaction of other conditions to the completion of the Transaction; (ii) the ability of Harmony or its affiliates to obtain the necessary financing arrangements; (iii) potential litigation relating to the Transaction that could be instituted against MAC, Harmony or their respective directors, managers or officers, including the effects of any outcomes related thereto; (iv) the risk that disruptions from the Transaction will harm MAC's business, including current plans and operations; (v) the ability of MAC to retain and hire key personnel; (vi) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the Transaction; (vii) continued availability of capital and financing and rating agency actions; (viii) legislative, regulatory and economic developments affecting MAC's business; (ix) general economic and market developments and conditions; (x) potential business uncertainty, including changes to existing business relationships, during the pendency of the Transaction that could affect MAC's financial performance; (xi) certain restrictions during the pendency of the Transaction that may impact MAC's ability to pursue certain business opportunities or strategic transactions; (xii) unpredictability and severity of catastrophic events, including but not limited to acts of terrorism, pandemics, outbreaks of war or hostilities, as well as MAC's response to any of the aforementioned factors; (xiii) significant transaction costs associated with the Transaction; (xiv) the possibility that the Transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events; (xv) the occurrence of any event, change or other circumstance that could give rise to the termination of the Transaction, including in circumstances requiring MAC to pay a break fee or other expenses; (xvi) competitive responses to the Transaction; (xvii) the risks and uncertainties pertaining to MAC's business, including those set forth in Part 1, Item 3(D) of the Company's most recent Annual Report on Form 20-F, as such risk factors may be amended, supplemented or superseded from time to time by other reports filed by MAC with the SEC; (xviii) the supply and demand for copper; (xix) the future price of copper; (xx) the timing and amount of estimated future production, costs of production, capital expenditures and requirements for additional capital; (xxi) cash flow provided by operating activities; (xxii) unanticipated reclamation expenses; (xxiii) claims and limitations on insurance coverage; (xxiv) the uncertainty in Mineral Resource estimates; (xxv) the uncertainty in geological, metallurgical and geotechnical studies and opinions; (xxvi) infrastructure risks; and (xxvii) other risks and uncertainties indicated from time to time in MAC's other filings with the SEC and the ASX. MAC cautions that the foregoing list of factors is not exclusive. MAC cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. MAC does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions, or circumstances on which any such statement is based.

More information on potential factors that could affect MAC's or CSA Copper Mine's financial results is included from time to time in MAC's public reports filed with the SEC and the ASX.  - (i) accept that transfer on the Implementation Date; and

 - (i) MAC has received, other than as a result of a breach of clause 7, a Competing Proposal and the MAC Board has determined in accordance with clause 7 (after all of Harmony's rights under clause 7.7(a) have been exhausted) that such Competing Proposal constitutes a Superior Proposal; or
 - (ii) the withdrawal, qualification or adverse change, modification or revision is required by the Court.
- (d) Without limiting clause 7, if MAC becomes aware that a MAC Director proposes to withdraw, qualify or adversely change, modify or revise his or her Recommendation:
 - (i) MAC must notify Harmony in writing of that fact, and, to the extent known, the reasons for the proposed withdrawal, change, modification, revision or qualification to the MAC Director's Recommendation, as soon as practicable; and

- (i) Harmony has received a written notice under FATA, by or on behalf of the Treasurer, stating that the Commonwealth Government of Australia does not object to the acquisition by Harmony of the Scheme Shares pursuant to the Scheme, either unconditionally or subject only to conditions acceptable to Harmony, acting reasonably and in good faith having regard to the Australian Foreign Investment Review Board's Guidance Notes published as at the date of this deed;
 - (ii) the Treasurer becomes precluded from making an order under Division 2 of Part 3 of the FATA in relation to the acquisition by Harmony of the Scheme Shares pursuant to the Scheme and the acquisition by Harmony of the Scheme Shares is not prohibited under the FATA; or
 - (iii) if an interim order is made under FATA in respect of the acquisition by Harmony of the Scheme Shares, the subsequent period for making a final order prohibiting the acquisition of the Scheme Shares by Harmony elapses without a final order being made.
- (d) **SARB:** Before 8.00am on the Second Court Date, Harmony and any applicable Harmony subsidiaries have received unconditional approval, or approval subject to conditions acceptable to Harmony (acting reasonably and in good faith) for the implementation of the Scheme and any intended funding of the Scheme Consideration, in accordance with South African Exchange Control Regulations and the Currency and Exchanges Manual for Authorised Dealers issued by the Financial Surveillance Department of the SARB.

- (a) Harmony must, to the extent within its power to do so, procure that the Conditions in clauses 3.1(c) (FIRB) and 3.1(d) (SARB) are satisfied and continue to be satisfied at all times until the last time that the relevant clause provides that such Condition is to be satisfied, provided that this clause 3.2 does not oblige Harmony to accept any proposed condition imposed by a Government Agency other than to the extent expressly contemplated by this deed.
- (b) MAC must, to the extent within its power to do so, use best endeavours to procure that each of the Conditions in clauses 3.1(a) (MAC Shareholder Approval), 3.1(e) (ASIC and ASX), 3.1(g) (No Prescribed Occurrence) and 3.1(h) (No Material Adverse Change) are satisfied and continues to be satisfied at all times until the last time that the relevant clause provides that such Condition is to be satisfied.

provided that this clause 3.2(c) does not require either party to undertake material expenditure for the benefit of the other parties.

- (d) Each of MAC and Harmony, in respect of matters within its knowledge, must keep the other reasonably informed of the progress towards satisfying the Conditions.

- For personal use only
- (e) MAC will not be in breach of its obligations under clause 3.2(b) or 3.2(c) to the extent that it takes or omits to take any action expressly permitted by clauses 6.2 or 6.5.
 - (f) Nothing in this clause 3.2 prevents MAC or the MAC Board from taking, or failing to take, action (including to withdraw, qualify or adversely change, modify or revise the Recommendation) where to do so otherwise would, in the opinion of the MAC Board (determined in good faith) constitute a breach of a MAC Director's fiduciary or statutory duties.

3.3 Regulatory Approvals

- (a) Without limiting clause 3.2, but subject to clause 3.4, a party responsible for making an application for a Regulatory Approval must:
 - (i) give the other a copy of an advanced draft of each application for a Regulatory Approval at least 5 Business Days prior to the date on which it is intended to be lodged, and must consider in good faith any reasonable comments provided by or on behalf of the other party at least 2 Business Days prior to the date on which it is intended to be lodged;

 - (iv) keep the other party reasonably informed of the progress towards obtaining each Regulatory Approval, including promptly notifying the other party of any material issues or matters raised, or any conditions or other arrangements proposed, by a relevant Government Agency;
 - (v) not, and must ensure that its Related Bodies Corporate and Representatives do not, do any of the following:
 - (A) apply to any Government Agency for any approval, consent, clearance, waiver, concession or similar in connection with the Transaction; or
 - (B) send any submission, notification or communication to, or otherwise contact, any Government Agency in connection with the Transaction,in each case other than:
 - (C) in respect of a Regulatory Approval and in accordance with this clause 3.3; or
 - (D) where the relevant party has first consulted with the other party;

- (vii) promptly notify the other party and provide reasonable details (including, where applicable, copies) of all communications or discussions between it (or any of its Related Bodies Corporate or Representatives) and any Government Agency in connection with the Transaction (whether or not such communications or discussions relate to a Regulatory Approval and whether or not such communications or discussions were initiated by it (or any of its Related Bodies Corporate or Representatives) or by a Government Agency).
- (b) Each party must cooperate with, and provide any assistance or information reasonably requested by, the other party or its Representatives, in connection with an application for a Regulatory Approval and must use its best endeavours to assist the relevant party to obtain such Regulatory Approvals as soon as practicable after the date of this deed.
- (c) For the avoidance of doubt and notwithstanding any other provision of this deed, the parties' obligations in this clause 3.3 only apply in respect of communications relating to the satisfaction of the Conditions in clause 3.1(c) or 3.1(d) and any other engagement with a Government Agency from which an approval may be required in connection with this Transaction (except as contemplated in clause 4).
- (d) Before providing a copy of an advanced draft of an application for a Regulatory Approval to MAC under clause 3.3(a), Harmony may redact any part of that document to the extent that it contains commercially or competitively sensitive information or privileged information, in each case relating to the existing business or affairs of Harmony Parent and its subsidiaries. If Harmony seeks to rely on this clause 3.3(d) it must inform MAC of the basis upon which it has been redacted under this clause 3.3(d).

3.4 Waiver of Conditions

- (a) The Conditions in clauses 3.1(a) (MAC Shareholder Approval), 3.1(b) (Court Approval), 3.1(c) (FIRB) and 3.1(d) (SARB) are for the benefit of both MAC and Harmony and cannot be waived.
- (b) The Conditions in clauses 3.1(e) (ASIC and ASX), 3.1(f) (No restraints), 3.1(i) (Relevant Consents) and 3.1(j) (Cancellation of Warrants) are for the benefit of both MAC and Harmony and any breach or non-fulfilment of such Condition may only be waived by written agreement between MAC and Harmony.
- (c) The Conditions in clauses 3.1(g) (No Prescribed Occurrence) and 3.1(h) (No Material Adverse Change) are for the sole benefit of Harmony and any breach or non-fulfilment of such Condition may only be waived by Harmony in writing.
- (d) A party entitled to waive the breach or non-fulfilment of a Condition under clauses 3.4(b) or 3.4(c) may do so in its absolute discretion, subject to the provision of written notice to the other party. - (e) If either MAC or Harmony waives the breach or non-fulfilment of a Condition in accordance with this clause 3.4, then:
- (i) subject to clause 3.4(e)(ii), that waiver precludes that party from suing the other for any breach of this deed arising as a result of the breach or non-fulfilment of that Condition or arising from the same event which gave rise to the breach or non-fulfilment of that Condition; but

- (ii) if the waiver of the Condition is itself conditional and the other party:
- (A) accepts the condition on the waiver, then the terms of that condition on waiver apply notwithstanding any inconsistency with clause 3.4(e)(i); or
 - (B) does not accept the condition on the waiver, then the Condition has not been waived.
- (f) Waiver of breach or non-fulfilment of a Condition does not constitute:
- (i) a waiver of breach or non-fulfilment of any other Condition resulting from the same event; or
 - (ii) a waiver of breach or non-fulfilment of that Condition resulting from any other event.

3.5 Failure of Condition

- (a) If:
- (i) there is a breach or non-fulfilment of a Condition that has not been waived in accordance with clause 3.4 by the time or date specified in this deed for the satisfaction of that Condition and 11:59pm on the End Date;
 - (ii) a Condition becomes incapable of satisfaction and the breach or non-fulfilment of that Condition that has occurred, or would otherwise occur, has not been waived in accordance with clause 3.4 by the earlier of the time or date specified in this deed for the satisfaction of that Condition and 11:59pm on the End Date; or
 - (iii) the Scheme has not become Effective by 11:59pm on the End Date,
- then either party may give the other party written notice (a **Consultation Notice**) and MAC and Harmony must then promptly consult in good faith to:
- (iv) consider extending, and if agreed, extend, the time and date for satisfaction of the relevant Condition and/or the End Date (as applicable);
 - (v) consider changing, and if agreed, change, the date on which an application is made to the Court for an order sanctioning the Scheme or adjourning that application (as applicable) to a date agreed in writing between MAC and Harmony (being a date no later than five (5) Business Days before the End Date);
 - (vi) consider whether the Transaction may proceed by way of alternative means or methods so as to achieve an outcome that is commercially substantially the same as the Scheme, and if agreed, proceed by way of that alternative means or method; or
 - (vii) any combination of the matters listed in clauses 3.5(a)(iv) to 3.5(a)(vi).
- (b) If MAC and Harmony have not reached agreement under clause 3.5(a) within 10 Business Days of a Consultation Notice being given (or any shorter period ending at 5:00pm on the day before the earlier of the End Date and the Second Court Date) then, subject to this clause 3.5(b), either of MAC or Harmony (**Terminating**

Party) may terminate this deed by giving written notice (**Termination Notice**) to the other party, provided that:

- (i) the Terminating Party may only exercise such termination right if the relevant circumstances did not arise due to a material breach of this deed by the Terminating Party or a deliberate act or omission of the Terminating Party, and provided that in relation to the Condition in clause 3.1(c) and 3.1(d) that act or omission had no material impact on the relevant Regulatory Approval not being obtained; and
 - (ii) if a Condition may be waived and exists for the benefit of one party only, that party is the Terminating Party.
- (c) Where a Termination Notice is validly given under this clause 3.5, this deed will terminate with immediate effect and clause 12.4 will apply.

3.6 Certain notices

Each of MAC and Harmony must promptly notify the other party in writing if it becomes aware:

- (a) that any Condition has been satisfied; or
- (b) of any fact, matter or circumstance that has resulted or is reasonably likely to result in:
 - (i) a Condition being breached, not being satisfied or becoming incapable of satisfaction or otherwise not being satisfied in accordance with its terms;

- (d) Nothing in clause 6.6(a) requires any director of a MAC Group Member to forego any rights he or she may have under any deed of access and indemnity or policy of directors' and officers' insurance relating to his or her position as a director of a MAC Group Member.

6.7 Deeds of indemnity and insurance

- (a) Subject to the Scheme becoming Effective and to clause 6.7(b), Harmony undertakes in favour of MAC and each other person who is a MAC Indemnified Party that it will:
- (i) procure that MAC and each other MAC Group Member complies with any deeds of indemnity, access and insurance (or equivalent) entered into by them in favour of their respective directors and officers from time to time, including to ensure that directors' and officers' run-off insurance or equivalent cover for such directors and officers obtained in accordance with clause 6.8 is established or maintained from the Implementation Date for a period of no less than seven (7) years or a period of seven (7) years from the retirement date of each director and officer so long as it is available on commercially reasonable terms;
- (ii) for a period of 7 years from the Implementation Date, ensure that the Articles of Association and the constitutions of each other MAC Group Member continue to contain rules which are no less favourable overall than the rules contained in those constitutions at the date of this deed that provide for each company to indemnify each of its current and previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a MAC Group Member; and

- (iii) without limiting clause 6.7(a)(i), ensure that that to the extent MAC has not done so prior to the Implementation Date, MAC puts in place directors' and officers' run off insurance cover for the current and former directors and officers of the MAC Group in accordance with clause 6.8, and confirm in writing once that cover is ready to be put in place.
- (b) The undertakings contained in clause 6.7(a) are subject to any Corporations Act restriction and/or the restrictions imposed by the laws of relevant jurisdiction in which the particular MAC Group Member is incorporated (as applicable) and will be read down accordingly.
- (c) MAC receives and holds the benefit of this clause 6.7 to the extent it relates to the other MAC Indemnified Parties as trustee for them.
- (d) The undertakings contained in clause 6.7(a) are given until the earlier of the end of the relevant period specified in clause 6.7(a) or the relevant MAC Group Member ceases to be part of the MAC Group.

6.9 Intentions for MAC personnel

7 Exclusivity

7.1 Existing Discussions

- (a) MAC represents and warrants to Harmony that, as at the time of execution of this deed:

- (i) other than with respect to non-disclosure agreements that were entered into before the date of this deed, MAC is not, and, to the knowledge of MAC, none of its Representatives are party to any agreement, arrangement or understanding with any person in each case in connection with, with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; and
- (ii) MAC is not, and has procured that its Representatives are not, participating in any negotiations, discussions or other communication with, ceased any existing negotiations, discussions or other communications with, have ceased to continue to provide any Non-public Information to, and have terminated all Data Room access granted to, any person in connection with or with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal and will promptly procure the return or destruction of any Non-public Information provided to such person.
- (b) MAC must, and must procure that its Related Bodies Corporate and their respective Representatives, promptly enforce:
- (i) the terms of any non-disclosure or confidentiality agreement, deed or undertaking (or similar document) entered into with any person in connection with, with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal; and
- (ii) the terms of any standstill (or similar) obligation of any Third Party under a non-disclosure agreement entered into before the date of this deed.
- (c) MAC must not, and must procure that its Related Bodies Corporate and Representatives do not, terminate, waive, amend or modify any provision of any existing non-disclosure or confidentiality agreement, deed or undertaking (or similar document) entered into with any Third Party in connection with, with a view to obtaining, or which could reasonably be expected to encourage or lead to, an actual proposed or potential Competing Proposal, or any standstill (or similar) obligation, provided that, subject to and without limiting Harmony's rights, and MAC's obligations, under this clause 7, nothing in this clause 7.1(c) will affect the ability of MAC to implement a Superior Proposal.

7.2 No shop

During the Exclusivity Period, MAC must not, and must procure that each other MAC Group Member and their Representatives do not directly or indirectly:

- (a) solicit, encourage, initiate or invite any enquiries, expressions of interest, offers, discussions or negotiations in relation to, or that could reasonably be expected to lead to the making of, an actual, proposed or potential Competing Proposal; or
- (b) communicate to any person any intention to do any of the things referred to in clause 7.2(a).

7.3 No talk

- (a) Subject to clause 7.6, during the Exclusivity Period, MAC must not, and must procure that each other MAC Group Member and their Representatives do not indirectly or directly:

- (i) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into with, any person in relation to, or which would reasonably be expected to lead to the making of; or
- (ii) facilitate, participate or continue in any negotiations or discussions with any other person regarding,

a Competing Proposal or any expression of interest, offer or proposal by any person in relation to any agreement, understanding or arrangement that may be reasonably expected to lead to a Competing Proposal, even if that person's Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by MAC or any of its Representatives.

- (b) For the avoidance of doubt, nothing in this clause 7.3 prohibits MAC or its Representatives from communicating with another person for the purpose of informing that person that MAC and its Representatives will not enter into any discussions or negotiations in relation to a Competing Proposal to the extent prohibited by this deed.

7.4 No due diligence

- (a) Subject to clause 7.6, during the Exclusivity Period, MAC must not, and must procure that no other MAC Group Member nor any of their Representatives directly or indirectly, provide to any person (other than Harmony or any of its Representatives) or facilitate any such person receiving any Non-public Information, which they have not previously been provided with, with a view to obtaining, or which would reasonably be expected to encourage or lead to such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal.
- (b) This clause 7.4 does not prevent MAC from providing information to ASX, NYSE or to MAC's actual or bona fide potential financiers, auditors and advisers in the ordinary course of business or to otherwise effect the negotiation and entry into and performance of this deed.

7.5 Notification of approaches

- (a) During the Exclusivity Period, MAC must as soon as reasonably practicable (but in any event within 48 hours) notify Harmony in writing if MAC or any of its Representatives becomes aware of:
- (i) any approach, enquiry, expression of interest, offer or proposal made to, or received by, or any discussion, negotiation, communication or other contact with, MAC or any of its Representatives in connection with, or which may reasonably be expected to lead to, any actual, proposed or potential Competing Proposal;
- (ii) any request made by any person to, or received by, MAC or any of its Representatives for any Non-public Information which MAC or any of its Representatives has reasonable grounds to suspect may be in connection with, or which may reasonably be expected to lead to, any actual, proposed or potential Competing Proposal; or
- (iii) without limiting MAC's obligations under clause 7.4, the provision by MAC or any of its Representatives of any Non-public Information to any person in connection with, or which may reasonably be expected to lead to any actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise.

- (b) A notification given under clause 7.5(a) must include
 - (i) the material terms and conditions of the actual, proposed or potential Competing Proposal (including, but not limited to and to the extent known by MAC, the price and form of consideration, proposed timing, any condition precedent, any break fee, financing, due diligence and other deal protection provisions); and
 - (ii) subject to clause 7.6, the identity of the person making the approach (and, if different, the identity of the person making the actual, proposed or potential Competing Proposal).
- (c) During the Exclusivity Period, MAC must as soon as reasonably practicable (but in any event within 48 hours) notify Harmony in writing if MAC or any of its Representatives becomes aware of any material development in relation to:
 - (i) any actual, proposed or potential Competing Proposal; and/or
 - (ii) any information which was previously notified to Harmony under clause 7.5(a).

7.6 Fiduciary exception

Clauses 7.3, 7.4 and 7.5(b)(ii) do not apply to the extent that they restrict MAC or the MAC Board from taking or refusing to take any action with respect to an actual, proposed or potential Competing Proposal (in relation to which there has been no contravention of clause 7.1) provided that the MAC Board has determined, in good faith after:

- (a) consultation with its financial Advisers, that the actual, proposed or potential Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; and
- (b) receiving written advice from its Legal Advisers that compliance with clause 7.3, or failing to respond to such an actual, proposed or potential Competing Proposal would (or may be reasonably likely to) constitute a breach of the MAC Board's fiduciary or statutory duties or obligations.

7.7 Matching Right

- (a) Without limiting clauses 7.1 to 7.5, during the Exclusivity Period, MAC:
 - (i) must ensure that no MAC Director:
 - (A) publicly withdraws, qualifies or adversely changes, modifies, revises his or her Recommendation, excluding any Confidential Director Statement made (in and of itself);
 - (B) publicly recommends, or otherwise publicly supports, any actual, proposed or potential Competing Proposal (or publicly indicates an intention to do so subject to following the process in this clause 7.7); or
 - (C) publicly recommends against the Scheme; and

- (ii) must not, and must procure that each other MAC Group Member and their Representatives do not, indirectly or directly, enter into any agreement, arrangement or understanding (whether or not in writing) or otherwise become obliged to undertake or give effect to, or for the implementation of, any actual, proposed or potential Competing Proposal,

unless:

- (iii) the MAC Board has, in good faith and acting reasonably, made the determinations set out in clauses 7.6(a) and 7.6(b);
- (iv) MAC has provided Harmony with a written notice stating that it is given for the purposes of this clause 7.7 and setting out:
- (A) all material terms and conditions of such Competing Proposal (including, to the extent known by MAC, the price and form of consideration, proposed timing, any conditions precedent, details of any break fee, due diligence and financing requirements, cost recovery or cost sharing arrangement, and the identity of the person or persons who were involved in such discussion, negotiation, communication or other contact, who made such approach, enquiry, expression of interest, offer or proposal);
 - (B) the determinations made under clauses 7.6(a) and 7.6(b); and
 - (C) the reasons for the MAC Board's determination that such Competing Proposal is, or could reasonably be expected to become or lead to, a Superior Proposal. To avoid doubt, nothing under this clause 7.7(a)(iv)(C) obliges MAC to do anything which will result in the loss of legal professional privilege in respect of the legal advice obtained under clause 7.6(b);
- (v) MAC has given Harmony at least until 11:59pm on the fifth Business Day after the information referred to in clause 7.7(a)(iv) was provided to Harmony (the Matching Period) to announce or formally provide to MAC a matching, equivalent or superior proposal or other counter-proposal to the terms of such Competing Proposal (**Counterproposal**); and
- (vi) either:
- (A) Harmony has not announced or formally provided MAC with a Counterproposal before the expiry of the Matching Period; or
 - (B) Harmony has announced or formally provided MAC with a Counterproposal before the expiry of the Matching Period, and the MAC Board has determined, in good faith and acting reasonably, that such Counterproposal would not produce an equivalent or superior outcome for MAC Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, taking into account all respective terms and conditions and other aspects of such Counterproposal (including, the price, value and form of consideration, funding, proposed timing, any condition precedent and other matters affecting the probability of the Counterproposal being completed compared to the Competing Proposal or other relevant matters) and such Competing Proposal.

- For personal use only
- (b) If MAC has provided Harmony with a notice under clause 7.7(a)(iv) and Harmony has announced or formally provided MAC with a Counterproposal before the expiry of the Matching Period, MAC must procure that MAC Board:
 - (i) promptly considers and determines as soon as reasonably practical (and in any event, within three (3) Business Days of receiving the Counterproposal), in good faith and acting reasonably, after consultation with its financial advisers and after receiving written legal advice from its Legal Advisers, whether such Counterproposal would (or would reasonably be expected to) provide an equivalent or superior outcome for MAC Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, taking into account all respective terms and conditions and other aspects of such Counterproposal (including, the price, value and form of consideration, funding, proposed timing, any condition precedent and other matters affecting the probability of the Counterproposal being completed compared to the Competing Proposal) and such Competing Proposal; and
 - (ii) promptly, and in any event within 24 hours after making the determination in clause 7.7(b)(i), delivers Harmony a notice in writing setting out such determination and the reasons for such determination.
 - (c) If the MAC Board determines in accordance with clause 7.7(b)(i) that such Counterproposal would provide an equivalent or superior outcome for MAC Shareholders (as a whole) as compared to the outcome that would be provided by such Competing Proposal, MAC must use its best endeavours to:
 - (i) agree all amendments to this deed (and, if applicable, the Scheme) which are necessary to implement such Counterproposal, in each case as soon as reasonably practicable and for a period of not less than three (3) Business Days after MAC delivers the notice under clause 7.7(b)(ii) to Harmony; and
 - (ii) procure each MAC Director recommends (unanimously with all the other MAC Directors) such Counterproposal to MAC Shareholders and does not recommend such Competing Proposal to MAC Shareholders.
 - (d) MAC acknowledges and agrees that:
 - (i) each new Competing Proposal or successive material variation or modification of a Competing Proposal will constitute a new Competing Proposal for the purposes of this clause 7.7; and
 - (ii) the process set out in this clause 7.7 must again be followed in respect of each new Competing Proposal or successive material variation or modification of a Competing Proposal prior to:
 - (A) any MAC Director taking any of the actions referred to in clause 7.7(a)(i); or
 - (B) MAC or any of its Representatives entering into any agreement, arrangement or understanding or otherwise becoming obliged referred to in clause 7.7(a)(ii).

7.8 Compliance with law

- (a) If it is finally determined by a court of competent jurisdiction, or any Government Agency, that the agreement by the parties under this clause 7 or any part of it:

- (i) constitutes a breach of the fiduciary or statutory duty of any member of the MAC Board; or
- (ii) is unlawful for any other reason,

then, to that extent (and only to that extent) MAC will not be obliged to comply with that provision or that relevant part of that provision (as applicable) of this clause 7.

- (b) The parties must not make, or cause to be made, any application to a court or any Government Agency for, or in relation to, a determination or declaration referred to in clause 7.8 regarding any provision of this clause 7.

7.9 Normal provision of information

Nothing in this clause 7 prevents MAC or a Representative of MAC from (directly or indirectly):

- (a) providing information regarding MAC, the MAC Group, any MAC Group Member or any business, asset or affairs of MAC, the MAC Group or any MAC Group Member:
 - (i) to its Representatives provided it is not done in a manner which is intended to circumvent the intention of this clause 7;
 - (ii) to any Government Agency;
 - (iii) to its auditors, contractors, customers, financiers, franchisees and suppliers acting in that capacity in the ordinary course of business and consistent with past practice;
- (b) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules, the NYSE Rules or to any Government Agency;
- (c) making presentations or providing information to brokers, portfolio investors, analysts and other third parties in the ordinary course of business and consistent with past practice; or
- (d) engaging with MAC Shareholders and MAC CDI Holders;
- (e) responding to any person in relation to any offer, inquiry, expression of interest or proposal by that person to make, or that may reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal strictly for the purpose of:
 - (i) acknowledging receipt; or
 - (ii) advising that person that MAC is bound by the provisions of this clause 7 and is only able to engage in negotiations or discussions if the fiduciary exception in clause 7.6 applies.

8 Break fee

8.1 Background

This clause 8 has been agreed to in circumstances where:

- (a) MAC believes it and its shareholders will derive significant benefits from the implementation of the Scheme;
- (b) Harmony has incurred and will further incur significant costs in connection with the Scheme, which will include significant opportunity costs if the Scheme is not implemented;
- (c) Harmony has requested that provision be made for the payment outlined in clause 8.2, and would not have entered into this deed had such provision not been made;
- (d) the MAC Board believes that:

For the avoidance of doubt, a statement made by MAC or the MAC Board to the effect that no action should be taken by MAC Shareholders pending the assessment of a

Competing Proposal by the MAC Board will not, by itself, require MAC to pay Harmony the Break Fee.

8.3 Nature of payment

MAC acknowledges and agrees that the amount of the Break Fee has been calculated to reimburse and compensate Harmony for costs and expenses incurred, including:

- (a) external advisory costs (excluding success fees);
- (b) internal costs such as costs of management and directors' time, risk management costs and capital costs;

- (i) all lawful avenues of appeal and review have been exhausted;

 - (d) If the Break Fee has been paid by MAC and clauses 8.5(a) or 8.5(b) would have prohibited the payment of the Break Fee, Harmony must reimburse all or the relevant part of the Break Fee (as the case may be) within ten (10) Business Days after receipt of a written demand for reimbursement from MAC.

- (b) The parties must not make or cause or permit to be made any application to a court or any Government Agency for or in relation to a determination referred to in clause 8.6(a).
- (c) The parties are only required to take steps under clause 8.6(a)(i) in relation to any requirement of a court of competent jurisdiction or Government Agency if:
 - (i) no appeal or review proceeding is available from the decision to impose that requirement or the period for lodging an appeal or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced; or
 - (ii) Harmony and MAC agree in writing not to appeal or seek review of the decision to impose that requirement.

in each case, in respect of the matter giving rise to the payment and otherwise under this deed or in connection with the Transaction or Scheme, to the maximum extent permitted by law.

17 Foreign resident CGT withholding

- (a) For the purpose of this clause 17:
 - (i) **Declaration** means a declaration provided by a Scheme Shareholder in accordance with section 14-225 and section 14-210(3) of Schedule 1 to the Taxation Administration Act;

- (ii) **Variation** means a notice of variation as granted by the Commissioner of Taxation under subsection 14-235(2) of Schedule 1 to the Taxation Administration Act; and
 - (iii) **Subdivision 14-D** means Subdivision 14-D of Schedule 1 to the Taxation Administration Act.
- (b) Subject to the remainder of this clause 17, Harmony must make all payments that become due under the Transaction free and clear and without deduction of all present and future withholdings (including Taxes), unless required by applicable law.
 - (c) The parties acknowledge that they anticipate that none of the Scheme Shares should comprise 'indirect Australian real property interests' as defined in section 855-25 of the Income Tax Assessment Act 1997 (Cth) (on the basis that the 'non-portfolio interest test' referred to in paragraph 855-25(1)(a) of the Income Tax Assessment Act 1997 (Cth) should not be satisfied) as no non-Australian tax resident shareholder (together with associates) owns 10% or more of the Scheme Shares. Therefore, Harmony should not be required by Subdivision 14-D to pay an amount to the Australian Commissioner of Taxation under section 14-200 in Subdivision 14-D in respect of the acquisition of Scheme Shares from any MAC Shareholders under the Transaction.
 - (d) Notwithstanding clause 17(b) and subject to clause 17(h), if Harmony is required by Subdivision 14-D to pay amounts (each being a **FRCGW Amount**) to the Commissioner of Taxation in respect of the acquisition of the Scheme Shares from certain Scheme Shareholders (each being a **FRCGW Holder**), Harmony shall be entitled to deduct or withhold from the Scheme Consideration otherwise payable to the FRCGW Holder and remit such amounts to the Australian Commissioner of Taxation. The aggregate sum payable to the FRCGW Holder shall not be increased to reflect the deduction and the net aggregate sum payable to the FRCGW Holder shall be taken to be in full and final satisfaction of the amounts owing to the FRCGW Holder. Before applying FRCGW, Harmony will consult with MAC as to which Scheme Shares it considers FRCGW to apply to and will work with MAC and any impacted Scheme Shareholder to determine if an exemption or Variation can be sought from the Australian Commissioner of Taxation or if a Declaration from the Scheme Shareholder is appropriate.
 - (e) Harmony acknowledges and agrees that it will reduce the FRCGW Amount with respect to a Scheme Shareholder where that Scheme Shareholder provides a Variation to Harmony prior to the Implementation Date and Harmony does not know or reasonably suspect the Variation to be false or invalid.
 - (f) Harmony acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 17(c) with respect to a Scheme Shareholder where that Scheme Shareholder provides a Declaration to Harmony prior to the Implementation Date and the Declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and applies to a period that includes the Implementations Date and Harmony does not know or suspect that the Declaration is false.
 - (g) If Harmony forms the view that it knows or suspects that a Declaration it has received is false, and Harmony received the Declaration more than 30 days before the Implementation Date, Harmony agrees that it shall not pay any amounts to the Commissioner of Taxation in respect of that Scheme Shareholder until it has:

- (i) provided information upon which it relied to form that view to the Scheme Shareholder who has provided that Declaration no less than 20 days before the Implementation Date;
- (ii) provided the Scheme Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than ten (10) days before the Implementation Date; and
- (iii) reviewed any response from the Scheme Shareholder and, after having reconsidered its view, still be of the view that it has knowledge or suspicion that the Declaration it has received is false.
- (h) MAC agrees that Harmony may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that Harmony reasonably require in making any such approach. Harmony agrees:
- (i) to provide MAC a reasonable opportunity to review the form and content of all materials to be provided to the ATO, and must incorporate MAC's reasonable comments on those materials, and more generally to take into account MAC's comments in relation to Harmony's engagement with the ATO, and provide MAC a reasonable opportunity to participate in any discussions and correspondence between Harmony and the ATO in connection with the application of Subdivision 14-D to the Transaction; and
- (ii) subject to clause 17(g), not to contact any Scheme Shareholders in connection with the application of Subdivision 14-D to the Scheme without MAC's prior written consent.
- (i) The parties agree to consult in good faith as to the application of Subdivision 14-D, including taking into account any clarification provided by the ATO following any process described in clause 17(g). The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation.
