CYPRIUM
METALS LIMITED

NIFTY COPPER PROJECT VIRTUAL SITE VISIT

Cyprium Metals Limited (Cyprium or the Company) (ASX: CYM) invites shareholders to join an investor webinar and live Q&A hosted by Executive Chairman Matt Fifield on Tuesday 24th June 2025. Investors will be guided on a virtual site visit of the Nifty Copper Complex showcasing the sulphide and heap leach resources and extensive brownfield infrastructure.

Executive Chair Matt Fifield said

"The Nifty Copper Complex hosts a prolific orebody and has many advantages of brownfield infrastructure. Our recent work with visualisation vendor VRIFY enables us to show interested parties the condition of the site, and make sense of the proposed open pit mine plan in a whole different light. I'm excited to share these tools with our shareholders."

ABOUT US

Cyprium Metals Limited (ASX: CYM) is an ASX-listed Australian copper company. Its flagship property is the Nifty Copper Complex in Western Australia, which previously produced significant copper from both oxide and sulphide resources. Cyprium is focused on redeveloping Nifty, which has the advantage of significant invested capital, data from a long operating history, large-scale resources, current operational approvals, and recent investment in the property.

The Company's other assets include significant copper-focused properties in the Paterson and Murchison Provinces, including multiple defined resources.
