Platinum and L1 Capital announce binding merger terms

Platinum Asset Management Limited (ASX:PTM) ("**Platinum**") advises that it has entered into a merger implementation deed with the shareholders of L1 Capital¹ ("**MID**"), which contains the binding terms of the proposed merger between Platinum and L1 Capital ("**Merger**"). A copy of the MID is attached to this announcement.

Subject to the satisfaction of the conditions precedent set out in the MID, which includes Platinum shareholder approval, at completion of the Merger ("**Completion**"), Platinum will acquire 100% of the issued share capital in L1 Capital,² in consideration for the issue of new Platinum ordinary shares to existing L1 Capital shareholders. Under the terms of the Merger, it is expected that immediately following Completion, the existing L1 Capital shareholders will hold 74.0% of the issued share capital in the merged group ("**MergeCo**"), and existing Platinum shareholders will hold 26.0%.³

Platinum shareholders will receive 'In-Perimeter' performance fees related to the first 3.5% of absolute returns (gross performance net of management fees) generated by L1 Capital's Long Short funds and mandates. Existing L1 Capital shareholders will retain performance fees on L1 Capital's Long Short funds and mandates in excess of the first 3.5% of absolute returns (gross performance net of management fees).⁴

Strategic rationale for the Merger

The combination of Platinum and L1 Capital is expected to create a market-leading provider of listed and alternative investment strategies with total funds under management of

¹ L1 Capital is a trading name of First Maven Pty Ltd.

² Other than Z Class shares that would be retained by the existing L1 Capital shareholders, under which they will retain exposure to the performance fees in excess of the first 3.5% of absolute returns (gross performance net of management fees) achieved by L1 Capital on its existing and future long short funds and mandates.

³ Following Completion, in accordance with the terms of the MID, Platinum must also issue a certain number of PTMAA rights to certain employees of L1 Capital or its related bodies corporate, as notified in writing by L1 Capital to Platinum. The number of such rights shall not exceed 1% of the ordinary shares of MergeCo following Completion. The merger ratio of 74.0%/26.0% referred to above is the ownership ratio before these PTMAA rights are issued.

⁴ Accrual and catch-up arrangements have been agreed to provide downside protection to MergeCo through accrued shortfalls from prior years.

approximately A\$16.5 billion.⁵ It is intended that Platinum will be renamed and MergeCo will remain listed on the ASX after Completion with a new ASX ticker.

The Platinum Board expects that the Merger has the potential to deliver several attractive benefits for Platinum shareholders, including the following:

- exposure to a scalable, growing, and well-diversified platform of alternative investment strategies which are expected to significantly increase and diversify assets under management;
- combining the deep expertise, investment experience, industry networks and established track records of talented investment management teams;
- leveraging complementary client relationships across the merged group, including existing long-term relationships with institutional, wholesale, high net worth and retail investors in Australia and globally;
- unlocking the potential of combined distribution capabilities;
- pro-forma for \$20 million of annual pre-tax cost synergies⁶, the proposed transaction is expected to be materially EPS accretive⁷ for Platinum shareholders over the near to medium term. Specifically, the proposed transaction is expected to be double digit EPS accretive in the next twelve months following Completion⁸, and over 30% EPS accretive in FY27 (the first full fiscal year post-Completion) for Platinum shareholders; and
- preserving ongoing balance sheet strength to support investment in accretive growth opportunities.

Platinum's Chair Guy Strapp said:

"The Platinum Board is unanimous in its view that this transaction is in the best interests of shareholders. After careful consideration, we believe the combination with L1 Capital provides a catalyst to deliver strong outcomes for shareholders and investors, creating a high-quality manager with a strong heritage, world-class investment talent and scale."

Platinum's Chief Executive Officer Jeff Peters said:

"This combination will enable us to deliver on our strategic goals sooner, while providing a pathway to significantly increase and diversify assets under management."

⁵ Based on funds under management for each of L1 Capital and Platinum as at 30 June 2025.

⁶ Annual pre-tax cost synergies exclude one-off costs and are expected to be delivered in the 12-18 months following Completion.

⁷ Based on pro-forma synergies, Visible Alpha consensus earnings forecasts for Platinum, management forecasts from L1 Capital, and assumes no significant unforeseeable Platinum / L1 Capital specific or market downturn.

⁸ Assumes Merger Completion by September 2025. The next twelve months refers to 1 October 2025 to 30 September 2026.

L1 Capital co-founder Mark Landau said:

“Raf and I are both excited about bringing L1 Capital and Platinum together. We can see major benefits for both Platinum clients and shareholders from combining our capabilities. We believe this merger enables a decisive turnaround in the outlook for the Platinum business.”

L1 Capital co-founder Raphael Lamm said:

“Mark and I are both very committed to the future success of the combined business. We believe the combination of L1 Capital and Platinum will create one of Australia’s leading global investment firms, with a performance culture and extreme alignment with our investors. At L1 Capital, we have several top performing funds that have delivered strong returns and exceptional downside protection, which we think will resonate well with Platinum’s client base.”

Board and Management

The MID contemplates that following Completion, MergeCo will have a majority of Non-Executive Directors, with a Board consisting of seven Directors, expected to be comprised of:

- Guy Strapp, Independent Chair;
- Rachel Grimes AM, Independent Non-Executive Director;
- Jeff Peters, Chief Executive Officer;
- Joel Arber, Chief Operating Officer;
- Jane Stewart, Executive Director; and
- Two other L1 Capital Non-Executive Director nominees to be identified prior to Completion.

Neither of L1 Capital's co-founders Mark Landau nor Raphael Lamm will be on the Board of MergeCo, given their investment-focused roles.

On Completion, Jeff Peters will continue as Chief Executive Officer, Andrew Stannard will continue as Chief Financial Officer and Joel Arber will be appointed as the Chief Operating Officer, of MergeCo.

Unanimous Platinum Board recommendation

The Platinum Board of Directors unanimously recommends that Platinum shareholders vote in favour of the Merger and each Platinum Director intends to vote all the shares they hold or control in Platinum in favour of the Merger (in each case, in the absence of a superior proposal and subject to an independent expert concluding that the Merger is fair and reasonable, or not fair but reasonable, for Platinum shareholders).

Conditions

The key conditions of the Merger include (by way of summary):

- approval being obtained by ordinary resolution from Platinum shareholders in a general meeting;⁹
- the independent expert concluding that the Merger is fair and reasonable, or not fair but reasonable, for Platinum shareholders, and not adversely changing or withdrawing that conclusion;
- no material adverse change or prescribed occurrences (each as defined in the MID) occurring in relation to either Platinum or L1 Capital; and
- other conditions customary for a transaction of this nature, which are set out in the MID.

Exclusivity Arrangements

The MID includes exclusivity arrangements in favour of L1 Capital including 'no shop', 'no talk' and 'no due diligence' restrictions (where the 'no talk' and 'no due diligence' restrictions are subject to a fiduciary out) and notification obligations, each on customary terms.

Break Fee

Under the MID, Platinum is required to pay a break fee to L1 Capital in certain circumstances, and equally L1 Capital is required to pay a break fee to Platinum in certain circumstances. The amount of the break fee (should it become payable under the MID) to be paid by either Platinum or L1 Capital is \$3 million.

Escrow

All existing L1 Capital shareholders have agreed to enter into voluntary escrow arrangements, in respect of the new Platinum ordinary shares they will be issued on Completion, subject to customary exceptions. On and from Completion of the Merger, 25% of Platinum shares held by each L1 Capital shareholder will be escrowed for 2 years, 25% will be escrowed for 3 years, and the remaining 50% will be escrowed for 4 years.

Next Steps

Platinum intends to provide an explanatory memorandum and a notice of general meeting at which Platinum shareholders will be invited to vote to approve the Merger in September 2025. The explanatory memorandum will include an indicative timetable which will set out the expected date of Completion of the Merger. You do not currently need to take any action in connection with the Merger.

⁹ L1 Capital currently has a 9.6% shareholding in Platinum. L1 Capital and its 'Associates' (as defined in the *Corporations Act 2001* (Cth)) will be precluded from voting on the shareholder resolutions to approve the Merger in respect of this 9.6% shareholding.

15.7 General limitations

Platinum is not liable in connection with any Claim under a Platinum Claim under this Deed to the extent that Loss or amount:

- (a) has been included as a specific provision, allowance, reserve or accrual in the Platinum Accounts in respect of the facts, matters, circumstances, Taxes or Duties giving rise to the Claim or Loss;
- (b) is a contingent Loss, unless and until the Loss becomes an actual Loss and is due and payable;
- (c) (other than in respect of the Platinum Tax Indemnity) arises from an act or omission by or on behalf of a Platinum Group Member or a L1 Capital Group Member before Completion that was done or made:
 - (i) with the written consent of a L1 Capital Group Member; or
 - (ii) at the written direction or instruction of a L1 Capital Group Member;
- (d) arises from GST which is immediately and unconditionally recoverable from the recipient of a supply or for which an Input Tax Credit is available under the GST Law;
- (e) arises from:
 - (i) the enactment or amendment of any legislation or regulations;
 - (ii) a change in the judicial or administrative interpretation of the law, excluding any change, repeal or enactment announced prior to the date of this Deed; or
 - (iii) a change in the practice or policy of any Government Agency;

after Completion, including legislation, regulations, amendments, interpretation, practice or policy which takes effect retrospectively;
- (f) arises from any voluntary disclosure to a Tax Authority or the filing of an amended Tax return or a request to amend any Tax assessment or Tax return relating to any period, or part period, prior to Completion, unless such disclosure, filing or request is required by law or where such disclosure, filing or request has been agreed in writing between Platinum and L1 Capital;
- (g) arises as a result of Platinum adopting a different accounting or tax treatment than that which was in place prior to Completion, without the written consent of the Shareholders, unless Platinum or a Merged Group Member is required to adopt an inconsistent position to comply with Tax Law and Platinum notifies the Shareholders in writing of such requirement and the inconsistent position is in fact adopted; or
- (h) (other than in respect of the Platinum Tax Indemnity) is caused by, or contributed to by, any act, omission, transaction or arrangement that is required or expressly permitted by the terms of this Deed or any Transaction Document.

15.8 Tax benefits

In calculating the Loss suffered or incurred by a Shareholder arising from or in connection with a Platinum Claim, any tax benefit, credit or reduction actually received in the same income year as the relevant Platinum Claim by a Merged Group Entity as a result of the Loss arising from or in connection with that Claim will be taken into account and the Liability under that Platinum Claim will be decreased accordingly.

15.9 No double recovery

L1 Capital is not entitled to recover or obtain payment, reimbursement, restitution or indemnity more than once in respect of any one Loss under or in connection with this Deed.

15.10 Circumstances when limitations do not apply

The limitations and qualifications on liability set out in this clause 15 or clause 20.7 do not apply to any Platinum Claim against Platinum to the extent that such Claim arises out of or as a result of the fraud, wilful misconduct and wilful misrepresentation of Platinum.

15.11 Procedure for dealing with Platinum Claims

The Shareholders must conduct a Platinum Claim on the same basis that clause 12 prescribes the method by which Platinum must conduct a L1 Capital Claim, as if references to Platinum as claimant are references to the Shareholders and references to L1 Capital Claims are references to Platinum Claims. For the purposes of this clause 15.11, clause 12 applies *mutatis mutandis*.

16 Other limitations on Claims

16.1 Duty to mitigate

Each of Platinum and the Shareholders are under a duty to take all reasonable steps to mitigate its Loss in relation to any Claim so that:

- (a) the Shareholders' liability including in respect of any L1 Capital Claim will be reduced or extinguished (as the case may be) to the extent that Platinum has failed to take all reasonable steps to mitigate its Loss; and
- (b) Platinum's liability including in respect of any Platinum Claim will be reduced or extinguished (as the case may be) to the extent that the Shareholders have failed to take all reasonable steps to mitigate their Loss.

16.2 No indirect loss

Notwithstanding any other provision of this Deed, neither Platinum, the Shareholders nor L1 Capital will have any Liability (whether by way of damages or otherwise) to the Shareholders, any L1 Capital Group Member or Platinum Group Member (as applicable) in connection with any Claim for any Loss suffered by a party that cannot reasonably be considered to arise naturally from a breach of this Deed or the events, facts, matters or circumstances giving rise to the Loss.

16.3 Reduction in Consideration

A payment made under this Deed with respect to the breach of a L1 Capital Warranty, a L1 Capital Specific Indemnity or a Platinum Warranty by:

- (a) Platinum, is to be treated as an equal increase of the purchase price for each Sale Share; and
- (b) the Shareholders, is to be treated as an equal reduction of the purchase price for each Sale Share.

16.4 Tax gross-up

Without limitation to clause 16.3, if a party is entitled to receive payment for a Claim with respect to a L1 Capital Warranty, L1 Capital Specific Indemnity, L1 Capital Tax Indemnity, Platinum Warranties or Platinum Tax Indemnity (**payee**) under this Deed (with respect to any Claim or Liability under this Deed) and that payment is treated as an item of assessable income under Tax Law of the payee, then the relevant payment must be increased by such additional amount as is necessary to ensure that the net amount retained by the payee after any such Tax equals the

amount the payee would have received and retained had the relevant payment not been subject to any such payment of Tax.

17 Payment of Claims post-Completion

17.1 Payment of Platinum Claims post-Completion

(a) If, after Completion, Platinum is required to make any payment to any of the Shareholders in connection with a Platinum Claim under or in connection with this Deed or pursuant to clause 12.3, then any such payment must be grossed-up to ensure that each Shareholder receives the full amount of such payment as if they were not shareholders of Platinum.

(b) Any payment pursuant to paragraph 17.1(a) will be calculated in accordance with the following formula (such amount being the **Grossed Up Platinum Claim Amount**):

$$\frac{\text{Platinum Claim Amount} \times \text{Merger Ratio}}{1 - (B \div C)}$$

where:

- (i) **Platinum Claim Amount** means the amount that Platinum would otherwise be required to pay the relevant Shareholders in connection with the relevant Platinum Claim under or in connection with this Deed if the relevant Shareholders owned 100% of the ordinary shares in Platinum;
- (ii) **B** or **Aggregate Shareholder Platinum Shares** means the aggregate number of Platinum Shares held by all Shareholders at the time of payment of the relevant Platinum Claim under or in connection with this Deed;
- (iii) **C** means the number of ordinary shares on issue in the Merged Entity at the time of payment of the relevant Platinum Claim under or in connection with this Deed;
- (iv) **Merger Ratio** means an amount equal to:
 - (A) the aggregate number of Platinum Shares held by the Shareholders as at immediately following Completion; *divided by*
 - (B) the aggregate number of Platinum Shares on issue as at immediately following Completion.
- (c) The Grossed Up Platinum Claim Amount will be paid to the relevant Shareholders as follows:
 - (i) an amount equal to the Platinum Claim Amount will be paid to the relevant Shareholders in the Existing Management Shareholder Respective Proportions, Shareholder Respective Proportions or such other proportion, in each case as specified in this Deed; and
 - (ii) an amount equal to the Grossed Up Platinum Claim Amount *less* the Platinum Claim Amount will be paid to all Shareholders in the proportions determined by applying the following formula:

$$\frac{\text{Shareholder Platinum Shares}}{\text{Aggregate Shareholder Platinum Shares}}$$

where:

- (A) **Shareholder Platinum Shares** means the aggregate number of Platinum Shares held by the relevant Shareholder at the time of payment of the relevant Platinum Claim under or in connection with this Deed.

18 Releases

18.1 Platinum and Platinum Directors and officers

- (a) Without limiting L1 Capital's rights under clause 20, L1 Capital releases its rights, and agrees with Platinum that it will not make a Claim, against any Platinum Indemnified Party (other than Platinum) as at the date of this Deed in connection with:
 - (i) any breach of any representations, covenants and warranties given by Platinum in this Deed; or
 - (ii) any disclosures made (at any time) by any Platinum Indemnified Party that contains any statement which is false or misleading whether in content or by omission,

except to the extent that a Claim relates to the fraud, wilful misconduct, or wilful misrepresentation of a Platinum Indemnified Party.
- (b) This clause is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly.
- (c) Platinum receives and holds the benefit of this clause 18.1 to the extent it relates to each Platinum Indemnified Party as trustee of each of them.

18.2 L1 Capital and L1 Capital directors and officers

- (a) Platinum releases its rights, and agrees with L1 Capital and the Shareholders that it will not make a Claim, against any L1 Capital Indemnified Party (other than, as applicable, L1 Capital and the Shareholders) as at the date of this Deed in connection with:
 - (i) any breach of any representations, covenant or warranties given by L1 Capital or the Shareholders under this Deed; or
 - (ii) any disclosure made (at any time) by any L1 Capital Indemnified Party that contains any statement which is false or misleading whether in content or by omission,

except to the extent that a Claim relates to the fraud, wilful misconduct, or wilful misrepresentation of a L1 Capital Indemnified Party.
- (b) This clause is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly.
- (c) L1 Capital receives and holds the benefit of this clause 18.2 to the extent it relates to each L1 Capital Indemnified Party as trustee of each of them.

19 Exclusivity

19.1 No existing discussions

Platinum represents and warrants that, as at the date of this Deed, neither it nor any of its Representatives are in any negotiations or discussions in respect of any Competing Proposal with any Third Party, and that it, and each of its Representatives, has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal.

19.2 No-shop, no talk and no due diligence

During the Exclusivity Period, Platinum agrees it will not (and will procure that each of its Related Bodies Corporate do not), directly or indirectly:

- (a) **(no shop)** solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential Competing Proposal, or any enquiries, proposal, negotiations, communications or discussions with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, the making of, an actual, proposed, or potential Competing Proposal, or communicate to any person an intention to do anything referred to in this clause 19.2(a);
- (b) subject to clause 19.4:
 - (i) **(no talk)** enter into, continue or participate in negotiations or discussions with, or enter into any agreement or understanding with, any Third Party in relation to, or that may reasonably be expected to lead to, an actual, proposed or potential Competing Proposal, or offer or agree to do any of those things; or
 - (ii) **(no due diligence)** disclose or otherwise make available to any Third Party or permit any Third Party to receive any non-public information relating to Platinum or any of its Related Bodies Corporate in connection with, or that may reasonably be expected to encourage or lead to, such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any actual, proposed or potential Competing Proposal; or
 - (iii) communicate to any person an intention to do anything referred to in clause 19.2(i).
- (c) If Platinum proposes to provide any non-public information to a Third Party in reliance on clause 19.4, before such non-public information is disclosed or otherwise provided or made available to the Third Party, the Third Party must have entered into a confidentiality agreement with Platinum.

19.3 Notification of approaches

- (a) During the Exclusivity Period, Platinum must as soon as reasonably practicable, but in any event no later than within one Business Day of becoming aware of such matter, notify L1 Capital in writing if it or any of its Representatives become aware of any:
 - (i) receipt of any Competing Proposal;
 - (ii) approach, inquiry or request to initiate any negotiations or discussions in relation to, or that may be reasonably expected to lead to, any Competing Proposal;
 - (iii) provision by Platinum or any of its Representatives, of any non-public information relating to Platinum or any of its Related Bodies Corporate to any Third Party in relation to any Competing Proposal; or
 - (iv) any breach of this clause 19,

whether direct, indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt, any of the acts described in clauses 19.3(a)(i) to 19.3(a)(iii) may only be taken by Platinum or any of its Related Bodies Corporate if not prohibited by clause 19.2.
- (b) Subject to clause 19.4, a notification given under clause 19.3(a) must include all material details of the relevant event, including (as the case may be):
 - (i) the identity of the person making or proposing the Competing Proposal; and
 - (ii) the material terms and conditions (including price, form of consideration, conditions precedent, timetable and break or reimbursement fee (if any) of the actual, proposed or potential Competing Proposal (to the extent known by Platinum).

- (c) During the Exclusivity Period, Platinum must also notify L1 Capital in writing as soon as reasonably practicable after becoming aware of any material development in relation to the Competing Proposal, including in respect of any of the information previously notified to L1 Capital pursuant to this clause and clauses 19.3(a) and 19.3(b).

19.4 Fiduciary exception

Clauses 19.2(b) and 19.3(b) do not prevent Platinum or its Related Bodies Corporate from taking, or omitting to take, any action in connection with a genuine actual, proposed or potential Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 19.2(a)), if the Platinum Board first determines in good faith that:

- (a) after having consulted with its legal and financial advisers, the actual, proposed or potential Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, compliance with clauses 19.2(b) or 19.3(b)(ii), as the case may be, would, or would be reasonably likely to, constitute a breach of the fiduciary or statutory duties of any member of the Platinum Board.

19.5 Compliance with law

- (a) This clause 19 imposes obligations on Platinum only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Takeovers Panel; or
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the Platinum Board's fiduciary or statutory duties),
 subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 19.5(a) and, in the event that any such application is made by a Third Party, must take all reasonable steps (including by making submissions against the declaration or determination) to ensure that any such determination is not made or applies to the minimum extent possible.

19.6 L1 Capital matching right

- (a) Without limiting clause 19.2, during the Exclusivity Period, Platinum:
 - (i) must not, and must procure that each of its Related Bodies Corporate does not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which Platinum or another Platinum Group Member proposes to undertake or implement or otherwise give effect to an actual, proposed or potential Competing Proposal (and, for the avoidance of doubt, this does not include Platinum entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement); and
 - (ii) must ensure that none of the Platinum Directors withdraws or adversely changes, adversely modifies or adversely qualifies their support of the Merger, their Recommendation (under clause 10.1(a)), their Voting Statement (under clause

10.1(c)) or publicly recommends, supports or endorses a Competing Proposal or makes any public statement to the effect that they may do so at a future point,

unless:

- (iii) the Platinum Board acting in good faith and in order to satisfy what the Platinum Board considers to be its statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that the actual, proposed or potential Competing Proposal is, would be or would be reasonably likely to be, a Superior Proposal;
 - (iv) Platinum has provided L1 Capital with the material details of the actual, proposed or potential Competing Proposal, which will include the information referred to in clause 19.3, material details of any scheme implementation deed, merger implementation deed or other binding document that is proposed to be executed by a Platinum Group Member and a Third Party to effect the actual, proposed or potential Competing Proposal;
 - (v) Platinum has given L1 Capital at least five Business Days after the date of the provision of the information referred to in clause 19.6(a)(ii)(iv) to announce or provide a counterproposal (which may include amendments to the terms of the Merger) to the actual, proposed or potential Competing Proposal (**L1 Capital Counterproposal**); and
 - (vi) L1 Capital has not provided to Platinum a L1 Capital Counterproposal by the expiry of the five Business Day period in clause 19.6(a)(v).
- (b) If L1 Capital provides a L1 Capital Counterproposal to Platinum by the expiry of the five Business Day period in clause 19.6(a)(v), and if the Platinum Board, acting in good faith, determines that the L1 Capital Counterproposal would provide a matching or superior outcome for Platinum Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the L1 Capital Counterproposal, then Platinum and L1 Capital must use their best endeavours to agree the amendments to this Deed and the Merger (as applicable) that are reasonably necessary to give effect to and implement the L1 Capital Counterproposal, in each case as soon as reasonably practicable, and Platinum must procure that each Platinum Director continues to recommend the Merger (as modified by the L1 Capital Counterproposal) to Platinum Shareholders (other than as permitted under clause 10.2).
- (c) For the purposes of this clause 19.6, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new actual, proposed or potential Competing Proposal, and the procedures set out in clause 19.3 and clause 19.6 must again be followed prior to any Platinum Group Member entering into any definitive agreement of the type referred to in the first paragraph of clause 19.6(a) in respect of such actual, proposed or potential Competing Proposal.
- (d) Despite any other provision in this Deed, any public announcement or other statement by Platinum, the Platinum Board or any Platinum Director solely to the effect that:
- (i) the Platinum Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 19.6; or
 - (ii) the Platinum Shareholders should take no action pending the completion of the matching right process set out in this clause 19.6,

does not of itself:

- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a recommendation that Platinum Shareholders vote in favour of the Proposed Resolutions at the Platinum Shareholder Meeting or an endorsement of a Competing Proposal;
- (iv) contravene clause 10.1 or any other provision of this Deed;
- (v) give rise to an obligation to pay the Platinum Break Fee under clause 20; or
- (vi) give rise to a termination right under clause 24 or any other provision of this Deed.

19.7 Normal provision of information

Nothing in this clause 19 prevents Platinum from:

- (a) providing information to its Representatives;
- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with Platinum Shareholders (in their capacity as a shareholder) in the ordinary course and consistent with past practice in relation to the Platinum Group, provided such engagement does not relate to Platinum soliciting, inviting, encouraging, supporting or initiating an actual or proposed or potential Competing Proposal.

20 Platinum Break Fee

20.1 Background

This clause 20 has been agreed to in circumstances where:

- (a) Platinum believes the implementation of the Merger will provide significant benefits to it and Platinum Shareholders, and acknowledges that, if L1 Capital enters into this Deed and the Merger is subsequently not implemented, L1 Capital will have incurred significant costs, including significant opportunity costs;
- (b) L1 Capital requested provision be made for the relevant payment outlined in this clause 20, without which it would not have entered into this Deed;
- (c) the Platinum Board believes that it is appropriate to agree to the payment referred to in this clause 20 to secure L1 Capital's entry into this Deed; and
- (d) Platinum has received separate legal advice in relation to this Deed and the operation of this clause 20.

The parties acknowledge and agree that the costs actually incurred by L1 Capital as referred to in clause 20.1(a) will be of such nature that they cannot be accurately ascertained, but that the Platinum Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by L1 Capital.

20.2 Payment of Platinum Break Fee

Subject to clauses 20.3 and 20.6, Platinum must pay L1 Capital the Platinum Break Fee if:

- (a) during the Exclusivity Period, any Platinum Director:
 - (i) fails to make the Recommendation or the Voting Statement;
 - (ii) withdraws or adversely changes, modifies or qualifies their Recommendation or Voting Statement,
 - (iii) recommends, supports or endorses a Competing Proposal, including by making a public statement:
 - (A) supporting, endorsing or recommending any Competing Proposal;
 - (B) to the effect that she or he no longer supports the Merger or the Proposed Resolutions;
 - (C) that is otherwise inconsistent with his or her Recommendation under clause 10.1(a) or Voting Statement under clause 10.1(b); or
 - (D) otherwise indicating that they no longer recommend the Merger or recommend that Platinum Shareholders accept or vote in favour of a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions),

in each case provided that L1 Capital has terminated this Deed in accordance with clause 24.2, and other than in circumstances where:

- (iv) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Merger is not fair and not reasonable for Platinum Shareholders (except where a reason for that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal (including a Superior Proposal)); or
- (v) the Court, ASIC or the Takeovers Panel requires that the relevant Platinum Director abstains, changes or withdraws from making the Recommendation or Voting Statement after the date of this Deed,
- (vi) Platinum is entitled to terminate this Deed pursuant to clause 24.1(a), and has given the appropriate termination notice to L1 Capital,

provided that, for the avoidance of doubt, a statement by Platinum or the Platinum Board to the effect that no action should be taken by Platinum Shareholders pending the assessment of a Competing Proposal or the completion of the matching right process set out in clause 19.6 will not require Platinum to pay the Platinum Break Fee; or

- (b) during the Exclusivity Period, a Competing Proposal is announced by Platinum or a Third Party (whether or not such proposal is stated to be subject to any pre-conditions) and, within one year after that occurring, the Third Party or any one or more Associate(s) of the Third Party:
 - (i) completes a transaction of the kind referred to in the definition of Competing Proposal; or
 - (ii) has a Relevant Interest in more than 50% of Platinum Shares under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act, but disregarding subsection 50AA(4) of the Corporations Act) Platinum or acquires all or substantially all of the assets of Platinum (in each case alone or in aggregate); or

- (c) L1 Capital terminates this Deed under clause 24.2(a)(ii), clause 24.2(a)(iii) or clause 24.2(b); or
- (d) L1 Capital terminates this Deed under clause 3.5(b) due to a failure of the Condition Precedent in clause 3.1(f).

20.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 20.2, no amount is payable under that clause if Completion occurs.
- (b) Platinum can only ever be liable to pay the Platinum Break Fee once.

20.4 Timing of payment

- (a) If the Platinum Break Fee is payable under this clause 20, Platinum must pay the Platinum Break Fee without set-off or withholding other than as required by law within ten Business Days of receipt of a demand for payment from L1 Capital.
- (b) A demand by L1 Capital for payment of the Platinum Break Fee under clause 20.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of a L1 Capital Group Member into which Platinum is to pay the Platinum Break Fee.

20.5 Nature of payment

The amount payable by Platinum to L1 Capital under clause 20.2 is an amount to compensate L1 Capital for:

- (a) advisory costs (including costs of Advisers other than success fees);
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) opportunity costs incurred in pursuing the Merger or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by L1 Capital.

20.6 Compliance with law

- (a) This clause 20 imposes obligations on Platinum only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Takeovers Panel, including in relation to the amount of the break fee; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the Platinum Board's fiduciary or statutory duties),

subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 20.6(a).

20.7 Limitation of liability if Platinum Break Fee is paid

- (a) Where the Platinum Break Fee is paid by Platinum to L1 Capital in accordance with this Deed (or the Platinum Break Fee would be payable if L1 Capital made a written demand under clause 20.4), but subject to clause 15.10:
 - (i) L1 Capital cannot make any Claim against Platinum, any Platinum Group Member or their Representatives, under or in connection with this Deed; and
 - (ii) Platinum has no further liability to L1 Capital (or any L1 Capital Group Member) under or in connection with this Deed or the Merger (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this Deed or the Merger).
- (b) Platinum acknowledges and agrees that L1 Capital and the Shareholders are entitled to seek specific performance or injunctive relief as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this Deed, and that damages or payment of the Platinum Break Fee may not be an adequate remedy for L1 Capital or the Shareholders for any breach of this Deed.

21 L1 Capital Break Fee

21.1 Background

This clause 21 has been agreed to in circumstances where:

- (a) L1 Capital believes the implementation of the Merger will provide significant benefits to it and its shareholders, and acknowledges that, if Platinum enters into this Deed and the Merger is subsequently not implemented, Platinum will have incurred significant costs, including significant opportunity costs;
- (b) Platinum requested provision be made for the relevant payment outlined in this clause 21, without which it would not have entered into this Deed;
- (c) L1 Capital believes that it is appropriate to agree to the payment referred to in this clause 21 to secure Platinum's entry into this Deed; and
- (d) L1 Capital has received separate legal advice in relation to this Deed and the operation of this clause 21.

The parties acknowledge and agree that the costs actually incurred by Platinum as referred to in clause 21.1(a) will be of such nature that they cannot be accurately ascertained, but that the L1 Capital Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by Platinum.

21.2 Payment of L1 Capital Break Fee

- (a) Subject to clauses 21.2(b), 21.2(c) and 21.5, L1 Capital must pay Platinum the L1 Capital Break Fee if:
 - (i) Platinum terminates this Deed under clause 24.1(a); or
 - (ii) Platinum terminates this Deed under clause 3.5(b) due to a failure of the Condition Precedent in clause 3.1(h).
- (b) Notwithstanding the occurrence of any event under clause 21.2(a), no amount is payable under that clause if Completion occurs.
- (c) L1 Capital can only ever be liable to pay the L1 Capital Break Fee once.

21.3 Timing of payment

 - (iv) nominate an account in the name of Platinum into which L1 Capital is to pay the L1 Capital Break Fee.

21.4 Nature of payment

The amount payable by L1 Capital to Platinum under clause 21.2 is an amount to compensate Platinum for:

- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) opportunity costs incurred in pursuing the Merger or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by Platinum.

21.5 Compliance with law

- (a) This clause 21 imposes obligations on L1 Capital only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Takeovers Panel, including in relation to the amount of the break fee; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of L1 Capital's directors' fiduciary or statutory duties),
 subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 21.5(a).

21.6 Limitation of liability if L1 Capital Break Fee is paid

- (a) Where the L1 Capital Break Fee is paid by L1 Capital to Platinum in accordance with this Deed (or the L1 Capital Break Fee would be payable if Platinum made a written demand under clause 21.4), but subject to clause 11.10:

- (b) L1 Capital and the Shareholders acknowledge and agree that Platinum is entitled to seek specific performance or injunctive relief as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this Deed, and that damages or payment of the L1 Capital Break Fee may not be an adequate remedy for Platinum for any breach of this Deed.

22 Merged Group matters after Completion

22.1 Merged Group matters

From Completion, the Merged Entity and each Merged Group Member will be subject to the oversight of the Merged Entity board. The parties also acknowledge and agree the following matters that will apply to the Merged Group from Completion:

- (a) Jeff Peters will act as Chief Executive Officer and Managing Director of the Merged Group;

23 Shareholders' Guarantee and Indemnity

23.1 Guarantee

Each Guarantor unconditionally and irrevocably guarantees to Platinum the due and punctual performance and observance by its Corresponding Shareholder of its obligations under this Deed including any obligations to pay money. To the extent that the Corresponding Shareholder fails to perform under this Deed, and without limiting the previous sentence, its Guarantor undertakes that it will perform or procure performance of the relevant obligation promptly on request by Platinum.

23.2 Indemnity

As a separate undertaking, each Guarantor unconditionally and irrevocably indemnifies Platinum against all Losses arising from and incurred in connection with, a breach by its Corresponding Shareholder of this Deed and including a breach of the obligations to pay money. It is not necessary for Platinum to incur expenses or make payment before enforcing that right of indemnity.

23.3 Waiver

Each Guarantor waives any right it has of first requiring Platinum to commence proceedings or enforce any other right against its Corresponding Shareholder or any other person before claiming under this clause 23.

23.4 Continuing security

This clause 23 is a continuing security and is not discharged by any one payment and remains in full force and effect in respect of a Guarantor for so long as its respective Corresponding

Shareholder owes any liability or obligation to Platinum under this Deed and until all those liabilities and obligations are fully discharged. This clause 23 does not merge on Completion.

23.5 Liabilities of Guarantor not affected

The liabilities of each Guarantor under this clause 23 as a Guarantor, indemnifier or principal debtor and the rights of the Platinum under this clause 23 are not affected by anything which might otherwise affect them at law or in equity.

23.6 Consent required

Each Guarantor may not, without the consent of Platinum:

- (a) raise a set-off or counterclaim available to it or its Corresponding Shareholder against Platinum in reduction of its liability under this guarantee and indemnity;
- (b) claim to be entitled by way of contribution, indemnity, subrogation, marshalling or otherwise to the benefit of any security or guarantee held by Platinum in connection with this Deed; or
- (c) prove in competition with Platinum if a liquidator, provisional liquidator, receiver, official manager or trustee in bankruptcy is appointed in respect of the Corresponding Shareholder, or the Corresponding Shareholder is otherwise unable to pay its debts when they fall due,

until all moneys payable to Platinum in connection with this Deed are paid.

23.7 Platinum's rights

If a claim is upheld, conceded or compromised (including under laws relating to liquidation, insolvency or protection of creditors), such that a payment or transfer to Platinum in connection with this Deed is void or voidable, Platinum is entitled immediately as against each Guarantor to the rights to which it would have been entitled under this guarantee and indemnity but only to the extent that the payment or transfer is reduced by the claim.

23.8 Reimbursement

Each Guarantor agrees to pay or reimburse Platinum on demand for:

- (a) its Costs in making, enforcing and doing anything in connection with this guarantee and indemnity including, but not limited to, legal costs and expenses on a full indemnity basis; and
- (b) all stamp duties, fees, taxes and charges which are payable in connection with this guarantee and indemnity or a payment, receipt or other transaction contemplated by it.

23.9 Moneys paid

Money paid to Platinum by a Guarantor must be applied first against payment of Costs under clause 23.8, then against other obligations under the guarantee and indemnity.

23.10 Principal obligation

This clause 23 is a principal obligation and is not to be treated as ancillary or collateral to any other right or obligation and extends to cover this Deed as amended, varied, supplemented, renewed or replaced.

24 Termination

24.1 Termination by Platinum

Without prejudice to any other rights of termination under this Deed, Platinum may terminate this Deed by written notice to the other parties:

- (a) at any time before Completion, if either:
 - (i) L1 Capital or a Shareholder is in material breach of any provision of this Deed or a Transaction Document (in each case, other than a L1 Capital Warranty not being true and correct); or
 - (ii) a L1 Capital Warranty is not true and correct, where that breach of a L1 Capital Warranty is material in the context of the Merger as a whole,

provided that Platinum has given written notice to L1 Capital setting out the relevant circumstances and stating an intention to terminate this Deed and the relevant circumstances continue to exist for five Business Days from the time the notice of intention to terminate is given (or any shorter period ending at 8.00am on the Completion Date); or
- (b) if the Shareholders fail to satisfy their obligations under clause 8 and Platinum has given notice to the Shareholders, and such failure has not been remedied within three Business Days from the date of the notice; or

24.2 Termination by L1 Capital

 - (ii) a Platinum Group Member enters into a definitive agreement to implement a Superior Proposal (and, for the avoidance of doubt, any such definitive agreement does not include Platinum entering into a confidentiality agreement or

- like agreement in relation to an actual, proposed or potential Competing Proposal); or
- (iii) either:
- (A) Platinum is in material breach of any provision of this Deed or a Transaction Document (other than a Platinum Warranty not being true and correct); or
 - (B) a Platinum Warranty is not true and correct, where that breach of a Platinum Warranty is material in the context of the Merger as a whole, provided that L1 Capital has given written notice to Platinum setting out the relevant circumstances and stating an intention to terminate this Deed and the relevant circumstances continue to exist for five Business Days from the time the notice of intention to terminate is given (or any shorter period ending at Completion); or
- (b) if Platinum fails to satisfy its obligations under clause 8 and the Shareholders have given notice of such failure to Platinum, and such failure has not been remedied within three Business Days from the date of the notice; or
- (c) the circumstances set out in, and in accordance with, clause 3.5(b).

24.3 Termination by written agreement

The parties may terminate this Deed by another written agreement between them.

24.4 Effect of termination

25 Confidentiality and public announcements

25.1 Confidentiality

Each party acknowledges and agrees that the Confidentiality Deed:

- (a) continues to operate in full force and effect after the date of this Deed; and
- (b) survives any termination of this Deed,

in each case subject to, and in accordance with, the terms of the Confidentiality Deed, save that the terms of this Deed will prevail over the Confidentiality Deed to the extent of any inconsistency.

26 GST

26.1 Recovery of GST

If GST is or becomes payable, or notionally payable, on a supply made under or in connection with this Deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**) as calculated by the party making the supply (the **Supplier**) in accordance with the GST Law. Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time and in the same manner that the other consideration for the supply is provided. This clause 26 does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

26.2 Liability net of GST

Notwithstanding any other provision in this Deed, where any indemnity, reimbursement or similar payment under this Deed is based on any cost, expense or other liability incurred by a party, it may be reduced by any input tax credit entitlement, or notional input tax credit entitlement, of that party (or its representative member) in relation to the relevant cost, expense or other liability.

26.3 Adjustment events

If an adjustment event occurs in relation to a supply under or in connection with this Deed, the GST Amount will be recalculated in accordance with the GST Law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier shall issue an adjustment note to the recipient within 10 Business Days after becoming aware of the occurrence of the adjustment event.

26.4 Cost exclusive of GST

Any reference in this Deed to a Cost is exclusive of GST.

26.5 Survival

This clause 26 will continue to apply after expiration or termination of this Deed.

26.6 Definitions

Unless the context requires otherwise, words used in this clause 26 that have a specific meaning in the GST Law (as defined in the GST Act) have the same meaning in this clause 26.

This Deed may be amended only by another deed executed by or on behalf of each of the parties.

28.2 Assignment

A party cannot assign, charge, encumber or otherwise deal with at law or in equity any of its rights or obligations under this Deed, or attempt or purport to do so, without the prior consent of the other parties.

28.3 Costs and duty

- (a) Subject to clause 28.3(b), each party must bear its own Costs arising out of the negotiation, preparation and execution of this Deed. All stamp duty (including fines, penalties and interest) payable on or in connection with this Deed and any instrument executed under or any transaction evidenced by this Deed must be borne by the Merged Entity.
- (b) All Costs incurred by L1 Capital, the Shareholders or Platinum specifically for the purposes of implementing the Merger, including without limitation the Costs incurred in relation to the Independent Expert, the printing and despatch of the Explanatory Memorandum, and coordinating the Platinum Shareholder Meeting, will be borne by the Merged Entity.

28.4 Counterparts

- (a) This Deed may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the agreement of each party who has executed and delivered that counterpart. Each counterpart is an original, but the counterparts together are one and the same agreement.
- (b) This Deed is binding on the parties on the exchange of duly executed counterparts.
- (c) The parties agree that a copy of an original executed counterpart sent by email to the email address of the other party specified in clause 27 or their Representatives, instead of the original, is sufficient evidence of the execution of the original and may be produced in evidence for all purposes in place of the original.
- (d) Where a person signs this Deed electronically, the electronic signature is an effective binding signature, and the electronic document containing it can be an effective electronic counterpart of this Deed. In addition, the person intends that any print out of the signature by a party, first made by that party will also constitute an effective original signature, so that the print out will also be an executed original counterpart of this Deed.

28.5 Entire agreement

This Deed, the Confidentiality Deed, the Transaction Documents and any other documents specified by the parties for the purposes of this clause 28.5 contain the entire agreement between the parties with respect to their subject matter. This Deed, the Confidentiality Deed, the Transaction Documents and any other documents specified by the parties for the purposes of this clause 28.5 set out the only conduct relied on by the parties and supersede all earlier conduct and prior agreements and understandings between the parties in connection with their subject matter.

28.6 Further assurances

Each party must do anything necessary (including executing agreements and documents) to give full effect to this Deed and the transactions contemplated by it.

28.7 Governing law and jurisdiction

This Deed is governed by the laws of New South Wales. In relation to it and related non-contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

28.8 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this Deed. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

28.9 No representation or reliance

- (a) Each party acknowledges that no party (or any person acting on its behalf) has made any representation or other inducement to it to enter into this Deed, except for representations or inducements expressly set out in this Deed or Fairly Disclosed, in the case of Platinum, in the L1 Capital Due Diligence Materials, in the case of L1 Capital and the Shareholders, the Platinum Due Diligence Materials and (to the maximum extent permitted by law) all other representations, warranties and conditions implied by statute or otherwise in relation to any matter relating to this Deed, the circumstances surrounding the parties' entry into it and the transactions contemplated by it are expressly excluded.
- (b) Each party acknowledges and confirms that it does not enter into this Deed in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement expressly set out in this Deed or Fairly Disclosed, in the case of Platinum, in the L1 Capital Due Diligence Materials, in the case of L1 Capital and the Shareholders, the Platinum Due Diligence Materials.

28.10 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this Deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

28.11 Severability of provisions

Any provision of this Deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Deed nor affect the validity or enforceability of that provision in any other jurisdiction.

28.12 Third party beneficiary

This Deed will inure to the benefit of the L1 Capital Indemnified Parties and the Platinum Indemnified Parties, to the extent expressly set forth in clauses 18.1 and 18.2.

28.13 Capacity

If a party has entered into this Deed as a trustee of a trust:

- (a) notwithstanding any other provision of this Deed including any provision expressed to prevail over this clause 28.13 but subject to clause 28.13(c), that party enters into this Deed only in its capacity as trustee of the trust and in no other capacity. A liability arising under or in connection with this Deed is limited to and can be enforced against that party only to the extent that it can be satisfied out of the property of the trust for which the party is actually indemnified for the liability. This limitation of the trustee liability applies despite any other provision of this Deed (other than clause 28.13(c)) or any other document and extends to all liabilities and obligations of the trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed. That party will exercise its rights of indemnification in order to satisfy its obligations under this Deed;

- (b) subject to clause 28.13(c), another party to this Deed may not sue that party in any capacity other than as trustee in respect of the trust, including seeking the appointment to that party of a receiver (except in relation to property of the trust), liquidator, administrator or any similar person; and
- (c) the provisions of this clause 28.13 will not apply to any obligation or liability of that party to the extent that it is not satisfied because under the relevant trust deed or by operation of law, there is a reduction to the extent, or elimination of, that party's right of indemnification out of the assets of the trust, or the right does not exist at all, as a result of that party's fraud, improper performance of duties, breach of trust of the relevant trust deed or negligence.

The parties acknowledge and agree that:

- (a) as soon as practicable following the issue of the Escrow Shares to the Shareholder, the Escrow Shares will be registered and held for the Shareholder on the Issuer Sponsored Subregister, and the Company will procure that its registry provider or other advisors acting on behalf of the Company will issue a holding statement representing the holding position of the Escrow Shares to the Shareholder;

 - (i) accept the offers under the Takeover Bid in respect of the Escrow Shares, provided that the following conditions are satisfied:
 - (A) holders of at least 50% of the Shares that are not the subject of any escrow restrictions, and to which offers under the Takeover Bid relate, have accepted the offers made under the Takeover Bid in accordance with the terms of such offers; and
 - (B) the Takeover Bid:

- (1) is unconditional or all conditions to the Takeover Bid have been satisfied or waived; or

- (e) Notwithstanding any condition to the contrary in this Deed, but subject always to clause 3.4(f), during the applicable Escrow Period, the Shareholder or Controller may Deal in any of its Escrow Shares and Controller Interests to the extent:
- (i) the Dealing arises solely as a result of a requirement of applicable laws (including an order of a court of competent jurisdiction);
- (ii) the Dealing constitutes a disposal of, but not the creation of a Security Interest in, some or all of the Escrow Shares to:
- (A) any Immediate Family Member;
- (B) a company wholly-owned by the Shareholder;
- (C) a trust in relation to which the Shareholder or, in the case of a Shareholder who is an individual, an Immediate Family Member, is or will be the beneficiary; or
- (D) an Affiliate of the Shareholder,

(each a **Transferee**), where the Transferee also enters into an escrow deed as soon as practicable with the Company as the 'Shareholder' in respect of those Escrow Shares on substantially the same terms as this Deed for the remainder of the applicable Escrow Period;

- (iii) the prior written consent of the Company has been provided to the Shareholder or Controller (as applicable);
- (iv) in the case of a Shareholder or Controller who is an individual, such Dealing is necessitated by the death, serious disability or permanent incapacity through ill health of the Shareholder or Controller (which for serious disability or permanent incapacity through ill health shall be deemed to be so for any absence of at least six months in a 12 month period or as otherwise determined by the Board), provided that the transferee of the Escrow Shares has agreed to be bound by an escrow deed on substantially the same terms as this Deed for the remainder of the applicable Escrow Period; or
- (v) the Shareholder or Controller creates a Security Interest in some (or all) of its Escrow Shares in favour of a bona fide third party financial institution (**Financial Institution**) as security for a loan, hedge or other financial accommodation on arm's length terms provided that:
 - (A) the Security Interest (taken together with any related arrangements, including the relevant loan or other financial accommodation) does not in any way constitute a direct or indirect disposal of the economic interest, or decrease in the economic interest, that the Shareholder has in any of its Escrow Shares;
 - (B) no Escrow Shares are to be transferred or delivered to the financial institution in connection with the Security Interest; and
 - (C) the documentation for the Security Interest makes it clear that the Escrow Shares remain in escrow and subject to the voluntary escrow arrangements set out in this Deed for the applicable Escrow Period, including the restrictions contained in the representations, warranties and undertakings contained in this Deed, as if the Financial Institution were a party to this Deed.

(f) The Shareholder may Deal in any of their Escrow Shares:

- (i) pursuant to the winding up, deregistration or insolvency of the Shareholder or an entity holding Escrow Shares; and
- (ii) pursuant to an order of a court of competent jurisdiction compelling any Escrow Shares to be disposed of or a Security Interest granted over them,

provided that, if the circumstances involving a court order, winding up, deregistration or insolvency are voluntary in nature on the part of the Shareholder, then the Shareholder must first procure that any successor in title enters into an escrow deed with the Company as the 'Shareholder' on substantially the same terms as this Deed for the remainder of the applicable Escrow Period.

(g) If the Shareholder is required to pay, or has paid, any amount under the Merger Implementation Deed to satisfy any L1 Capital Claim, including any bona fide third party costs incurred in the defence or settlement of such L1 Capital Claim (together, the **Amount Owed**), the Shareholder may Deal in an amount of Escrow Shares up to the

value of the Amount Owed, with the value of the Escrow Shares to be determined on the basis of the consideration actually received by the Shareholder for the Escrow Shares.

- (h) Notwithstanding any other provision in this Deed to the contrary, but without limiting any transfer which is permitted under clauses 3.4(a) to 3.4(g), the Shareholder must not transfer any of their Escrow Shares to any Person:
- (i) if such transfer would result in a change in the beneficial ownership of those Escrow Shares; or
 - (ii) unless such Person enters into an escrow deed with the Company as the 'Shareholder' and in respect of those Escrow Shares on substantially the same terms as this Deed for the remainder of the applicable Escrow Period.

3.5 Shareholder to notify Company

If the Shareholder or Controller becomes aware:

- (a) that a Dealing in any of its Escrow Shares or Controller Interests has occurred, or is likely to occur, during the relevant Escrow Period; or
- (b) of any other matter which is likely to give rise to a Dealing in any of its Escrow Shares or Controller Interests during the relevant Escrow Period,

it must notify the Company as soon as practicable after becoming aware of the actual or potential Dealing or those matters giving rise to the actual or potential Dealing and provide full details to the Company.

4 Permitted dealings

Except as expressly provided for in clause 3, nothing in this Deed restricts the Shareholder or Controller from Dealing with any of the Escrow Shares or Controller Interests (as applicable) or exercising rights attaching to, or afforded to a holder of the Escrow Shares or Controller Interests (as applicable), including by:

- (a) receiving or being entitled to any dividend, return of capital or other distribution attaching to any of the Escrow Shares or Controller Interests (as applicable);
- (b) receiving or participating in any rights or bonus issue in connection with any of the Escrow Shares or Controller Interests (as applicable); and
- (c) exercising any voting rights attaching to the Escrow Shares or Controller Interests (as applicable).

5 Representations and Warranties

5.1 Giving of warranties

Each of the warranties and representations in this clause 5 are given by the Shareholder and the Controller in favour of the Company, and by the Company in favour of the Shareholder and Controller, respectively, as at:

- (a) the date of this Deed; and
- (b) at all times until and including the Release Date for the Escrow Period.

The warranties and representations given in this clause 5 are given in respect of any and all Escrow Shares which the Shareholder holds and in respect of which the Controller has Controller Interests in from time to time during the applicable Escrow Period.

5.2 Representations and warranties

- (a) The Shareholder and the Controller jointly represent and warrant the following:
- (i) prior to each Escrow Period, it has not done, or omitted to do, any act which would result in it breaching clause 3 of this Deed if it were an act or omission which would take effect during the Escrow Period;
 - (ii) the Shareholder holds the Escrow Shares;
 - (iii) the Controller is the controller of the Shareholder's Escrow Shares;
 - (iv) the Escrow Shares of the Shareholder are free from all Security Interests and other third party interests or rights (other than under the Company's constitution);
 - (v) it has taken all necessary action to authorise the execution, delivery and performance of this Deed in accordance with its terms;
 - (vi) this Deed constitutes legal, valid and binding obligations and, subject to any necessary stamping and registration, is enforceable in accordance with its terms;
 - (vii) it has full power and authority, without the consent of any other Person, to enter into and perform its obligations under this Deed (including, if the Shareholder has entered into this Deed as a trustee (**Trustee**), under the trust deed for the relevant trust (**Trust**));
 - (viii) if the Shareholder is a Trustee:
 - (A) the Trustee is the sole trustee of the Trust and, to the best of its knowledge and belief, there is no proposal to remove it as Trustee of the Trust;
 - (B) that Shareholder has the right to be fully indemnified out of the assets of the Trust in respect of any liability arising under, or in connection with, this Deed and the right has not been modified, released or diminished in any way. The assets of the Trust are sufficient to satisfy that right in full and that Shareholder has not released or disposed of its equitable lien over that Trust; and
 - (C) the Trust has not been terminated and there is no effective proposal or requirement to wind up, deregister, terminate, reconstitute or resettle the Trust; and
 - (ix) the execution, delivery and performance by the Shareholder or Controller of this Deed does not and will not violate, breach or result in a contravention of:
 - (A) any applicable law, regulation or authorisation;
 - (B) its constitution or other constituent documents (or, if the Shareholder or Controller is a Trustee, the trust deed for the Trust); or
 - (C) any agreement, undertaking, Security Interest or document which is binding on the Shareholder or the Controller.
- (b) The Company represents and warrants the following:
- (i) it has taken all necessary action to authorise the execution, delivery and performance of this Deed in accordance with its terms;
 - (ii) this Deed constitutes legal, valid and binding obligations and, subject to any necessary stamping and registration, is enforceable in accordance with its terms;

- (iii) it has full power and authority, without the consent of any other person, to enter into and perform its obligations under this Deed;
- (iv) the execution, delivery and performance by the Company of this Deed does not and will not violate, breach or result in a contravention of:
 - (A) any applicable law, regulation or authorisation;
 - (B) its constitution or other constituent documents; or
 - (C) any agreement, undertaking, Security Interest or document which is binding on the Shareholder.

5.3 Survival of representations and warranties

The representations and warranties that are made in this clause 5 survive termination of this Deed.

6 Breach of this Deed

6.1 Prevention of anticipated breach

If the Company believes (acting reasonably) that the Shareholder or Controller will, or is reasonably likely to, breach this Deed (**Potential Breach**), the Company may take any and all steps necessary to prevent the breach or to enforce this Deed, including as soon as the Company becomes aware of the Potential Breach.

6.2 Damages insufficient remedy

The parties agree that damages may be an insufficient remedy for breach of this Deed and the Shareholder and Controller agree that the Company is entitled to seek an injunction or specific performance as a remedy for any actual or threatened breach of this Deed, in addition to any other remedies available to the Company at law or in equity under or independently of this Deed.

7 Termination

If the Merger Implementation Deed is terminated prior to Completion in accordance with its terms, the obligations of the parties under this Deed will automatically terminate and the terms of this Deed will be of no further force or effect.

9 Capacity

9.1 Shareholder

If the Shareholder has entered into this Deed as a Trustee:

- (a) subject to clause 9.1(c) and notwithstanding any other provision of this Deed, the Shareholder enters into this Deed only in its capacity as Trustee of the Trust and in no other capacity. A liability arising under or in connection with this Deed is limited to and can be enforced against the Shareholder only to the extent that it can be satisfied out of the property of the Trust for which the Shareholder is actually indemnified for the liability. This limitation of the Trustee liability applies despite any other provision of this Deed (other than clause 9.1(c)) or any other document and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed. The Shareholder will exercise its rights of indemnification in order to satisfy its obligations under this Deed;

- (b) subject to clause 9.1(c), the Company may not sue the Shareholder in any other capacity other than as Trustee in respect of the Trust, including seeking the appointment to the Shareholder of a receiver (except in relation to the property of the Trustee), liquidator, administrator or any similar person; and
- (c) clauses 9.1(a) and 9.1(b) will not apply to any obligation or liability of the Shareholder to the extent that it is not satisfied because under the relevant trust deed or by operation of law, there is a reduction to the extent, or elimination, of the Shareholder's right of indemnification out of the assets of the Trust, or the right does not exist at all, as a result of the Shareholder's fraud, negligence, improper performance of duties or breach of trust or the relevant trust deed.

9.2 Controller

If the Controller has entered into this Deed as a Trustee:

- (a) subject to clause 9.2(c) and notwithstanding any other provision of this Deed, the Controller enters into this Deed only in its capacity as Trustee of the Trust and in no other capacity. A liability arising under or in connection with this Deed is limited to and can be enforced against the Controller only to the extent that it can be satisfied out of the property of the Trust for which the Controller is actually indemnified for the liability. This limitation of the Trustee liability applies despite any other provision of this Deed (other than clause 9.2(c)) or any other document and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed. The Controller will exercise its rights of indemnification in order to satisfy its obligations under this Deed;
- (b) subject to clause 9.2(c), the Company may not sue the Controller in any other capacity other than as Trustee in respect of the Trust, including seeking the appointment to the Controller of a receiver (except in relation to the property of the Trustee), liquidator, administrator or any similar person; and
- (c) clauses 9.2(a) and 9.2(b) will not apply to any obligation or liability of the Controller to the extent that it is not satisfied because under the relevant trust deed or by operation of law, there is a reduction to the extent, or elimination, of the Controller's right of indemnification out of the assets of the Trust, or the right does not exist at all, as a result of the Controller's fraud, negligence, improper performance of duties or breach of trust or the relevant trust deed.

10 General

10.1 PPSA

If the Company determines that this deed results in the creation of a PPSA Security Interest, the Shareholder and the Controller agree to do anything (including obtaining consents, signing and producing documents, getting documents completed and signed and supplying information) which the Company reasonably requests and considers necessary for the purposes of:

- (a) ensuring that the PPSA Security Interest is enforceable, perfected and otherwise effective;
- (b) enabling the Company to apply for any registration, or give any notification, in connection with the PPSA Security Interest so that the PPSA Security Interest has the priority required by the Company; and
- (c) enabling the Company to exercise rights in connection with the PPSA Security Interest.

10.2 Non-merger

The warranties, other representations and undertakings by the parties in this deed are continuing and will not merge or be extinguished on entry into this deed.

10.3 Governing law and jurisdiction

This Deed is governed by the laws of New South Wales. In relation to it and related non-contractual matters, each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there and waives any right to object to the venue on any ground.

10.4 Further assurances

Each party agrees to do all things and execute all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the provisions of this Deed and the transactions contemplated by it.

10.5 Waiver and exercise of rights

- (a) No failure to exercise nor any delay in exercising any right, power or remedy by a party operates as a waiver. A single or partial exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.
- (b) A party may exercise a right or remedy or give or refuse its consent in any way it considers appropriate (including by imposing conditions), unless this Deed expressly states otherwise.

10.6 Entire agreement

This Deed and the documents referred to in this Deed contain the entire agreement of the parties with respect to its subject matter. It sets out the only conduct, representations, warranties, covenants, conditions, agreements or understandings (collectively, **Conduct**) relied on by the parties and supersedes all earlier Conduct by or between the parties with respect to its subject matter.

10.7 Amendment

This Deed may be amended only by another deed executed by all the parties.

10.8 Severability

Any provision of this Deed which is unenforceable or partly unenforceable (including as a result of the ASX Listing Rules) is, where possible, to be severed to the extent necessary to make this Deed enforceable, unless this would materially change the intended effect of this Deed.

10.9 Costs

Each party must pay its own costs of negotiating, preparing and executing this deed.

10.10 Counterparts and electronic execution

This Deed may be executed electronically and in any number of counterparts. All counterparts together will be taken to constitute one instrument.
