Dear Sandra,

Hastings Technology Metals Ltd ("HAS"): Price - Query

In response to your letter dated 8 October 2025, we respond as follows:

1. *Is HAS aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?*

No.

2. *If the answer to question 1 is "yes":*

- a. *Is HAS relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in HAS's securities would suggest to ASX that such information may have ceased to be confidential and therefore HAS may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.*

N/A.

- b. *Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).*

N/A.

- c. *If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

N/A.

3. *If the answer to question 1 is "no", is there any other explanation that HAS may have for the recent trading in its securities?*

On 22 September 2025, HAS announced the completion of the formation of the joint venture with Wyloo Consolidated Investment Pty Ltd in respect of the Yangibana Rare Earths and Niobium Project.

On 29 September 2025, HAS announced that it had entered into a binding agreement with Metal Bank Limited ("MBK") for the sale of its gold assets to MBK.

On the same date, the Australian Trade and Investment Commission highlighted HAS as a delegate in its 2025 US Critical Minerals Delegation, which met with officials of the United States Government in Washington. This been the subject of media coverage which was not commissioned by HAS.

4. *Please confirm that HAS is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

We confirm that HAS is in compliance with the Listing Rules and in particular Listing Rule 3.1.

5. *Please confirm that HAS's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of HAS with delegated authority from the board to respond to ASX on disclosure matters.*

The responses to the questions above have been approved by the Board.

Kind Regards,

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall

within the exceptions mentioned in Listing Rule 3.1A, HAS's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require HAS to request a trading halt immediately.

If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;

- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.
