Embark Early Education (ASX:EVO)

Intention to make takeover bid for Mayfield Childcare Limited (ASX:MFD)

Embark Early Education Limited (ASX:EVO) ("**Embark**" or the "**Company**") announces its intention to make an off-market takeover bid for all of the ordinary shares it does not already own in Mayfield Childcare Limited (**ASX:MFD**) (**Mayfield**) (the **Offer**).

Embark currently owns approximately 19.9% of Mayfield's issued shares.

Offer price

Under the proposed Offer, Embark will offer to pay Mayfield shareholders either:

- a cash price of A\$0.50 per Mayfield share (**Cash Consideration**); or
- ordinary shares in Embark (**Embark Shares**) with the ratio for the share consideration to be determined on the basis of \$0.50 per Mayfield share, with the number of Embark Shares to be offered to be valued in reliance of *ASIC Corporations (Minimum Bid Price) Instrument 2015/1068*, namely on the basis of the VWAP of Embark calculated over a two trading day period during the 5 trading days before the date of the Offer (**Share Consideration**).

The Offer price values Mayfield's share capital at approximately A\$37,712,301 million and the 80.1% of Mayfield's issued shares not currently held by Embark at approximately A\$30.89 million.

This represents a:

- a premium of 7.6% to the closing price of Mayfield shares on 6 November 2025 of A\$0.465;
- a premium of 18.8% to the volume-weighted average price of Mayfield shares for the one month to and including 6 November 2025 of A\$0.421; and
- a premium of 39.7% to the volume-weighted average price of Mayfield shares for the three months to and including 6 November 2025 of A\$0.358.

Strategic rationale for the Offer

The successful completion of this offer will lead to a larger company (39 centres to 84 centres) with more resources to satisfy the prime aims of both MFD and EVO – improved educational and care outcomes for the children within our care whilst ensuring financial robustness. Further information will be provided in the Bidder Statement.
