ASX Announcement

Withdrawal of ASX Announcement dated 10 November 2025

DroneShield Limited (ASX:DRO) (DroneShield or the Company) refers to its 10 November 2025 announcement of an order for 3 standalone contracts totalling \$7.6 million for handheld systems for delivery to the U.S. Government (**November Contracts**).

DroneShield advises that the November Contracts do not represent new orders. The November Contracts were orders that were reissued by the customer due to regulatory updates. The November Contracts were previously issued to DroneShield this year. One of the November Contracts was previously announced by DroneShield to the ASX on 17 September 2025.

The November Contracts were inadvertently marked as new contracts rather than revised contracts due to an administrative error. DroneShield is taking steps to prevent this error from reoccurring.

This announcement has been approved for release to the ASX by the Board.
