REQUEST FOR VOLUNTARY SUSPENSION

ASX Release: 28 November 2025

Viridis Mining and Minerals Limited (**ASX: VMM**) ("**Viridis**" or the "**Company**") requests that its securities (ASX Code: VMM) be placed into voluntary suspension under ASX Listing Rule 17.2, effective immediately.

The voluntary suspension is requested pending a response by the Company to a price and volume query received, media speculation around the Company's Preliminary License ("**PL**") approval process and the outcome of this process.

The Company requests an immediate voluntary suspension and anticipates that the suspension remains in place until the earlier of the commencement of trading on Monday, 1 December 2025 or the provision of the Company's response to the price and volume query and the PL approval process.

The Company confirms that it is not aware of any reason why the voluntary suspension should not be granted and confirms there is no further information that the Company can inform the market regarding the voluntary suspension.

This request has been authorised for provision to the ASX by the Company Secretary.
