Thai Government Update

Kingsgate Consolidated Limited (ASX:KCN) ("Kingsgate" or "the Company") was pleased to be invited to an official meeting with **Mr. Suchart Chomklin, Deputy Prime Minister of Thailand** and Minister of Natural Resources and Environment in Bangkok on 3 December. This follows the termination of the TAFTA arbitration (see ASX:KCN announcement titled "TAFTA Update" dated 27 November 2025).

Kingsgate executives and senior leaders from subsidiary Akara Resources, met with Deputy Prime Minister Chomklin alongside 27 Thai government representatives including, Ms. Patranant Thongprapan, Deputy Secretary-General to the Prime Minister, Mr. Bannarak Sermthong, Secretary-General of the Office of Natural Resources and Environmental Policy and Planning (ONEP), and other senior representatives from the departments under the Ministry of Natural Resources and Environment including the Department of Mineral Resources, the Pollution Control Department, and the Royal Forest Department.

During the meeting, Kingsgate and Deputy Prime Minister Chomklin discussed the Chatree Gold Mine's significant positive social and economic impact on local communities and the Kingdom of Thailand, and opportunities to support both Kingsgate's growth objectives and Thailand's ambition to be a gold industry leader within the ASEAN region.

Deputy Prime Minister Chomklin commented that the meeting marked an important milestone that allows all parties to move forward and work together constructively in developing the country's mining industry.

Managing Director and CEO Jamie Gibson commented, "These discussions signal a new chapter and an era of renewed cooperation with the Thai Government to deliver long term value for Kingsgate's shareholders and other stakeholders, including the Kingdom of Thailand, local communities surrounding Chatree and our staff and contractors."

This announcement is authorised for release by the Executive Chairman, Ross Smyth-Kirk, OAM and the Board of Kingsgate Consolidated Limited.
