

ASX Announcement

1 December 2008

Change of Name of Group and Operating Companies

realestate.com.au Limited, the publicly-listed group holding company has changed its name to **REA Group Limited**, effective immediately.

Simultaneously the Australian operating company, Netwide Solutions Pty Limited, has changed its name to realestate.com.au Pty Limited.

The change of name of the publicly-listed Group company was approved by special resolution of shareholders at the company AGM on Wednesday 26 November 2008. ASIC has today registered the change of names for the companies.
