**ALLOMAK LIMITED – TRADING SUSPENSION EXTENSION**

Dear Sarah,

Further to our request in April for a trading suspension, we wish to advise progress in the matter of our recapitalisation plan, however the process is not yet completed to a stage that could be released to the market.

Therefore, we seek an extension of the trading suspension for a further 30 days, whilst the company addresses the details of plans being developed with its bank and key vendors.

The Company is not aware of any reason why the trading suspension should not be granted.

Thank you for your assistance.

Yours sincerely  
Allomak Limited
