ALLOMAK LIMITED – TRADING SUSPENSION EXTENSION

Dear Sarah,

Further to our requests of 16 April 2009, 15 May 2009 and 12 June 2009, Allomak Limited (AMA or the Company) advises that progress in the matter of our recapitalisation plan, with our bankers and certain key vendors, has progressed well and is expected to be completed imminently.

The transaction will be subject to shareholder approval and the Company will prepare a Notice of Meeting and Explanatory Memorandum to outline the proposals for shareholders approval.

Therefore, we seek an extension of the trading suspension until the Notice of Meeting, Explanatory Memorandum and Independent Expert Report is posted to shareholders, so that the market is fully informed of all aspects of this transaction.

The Company is not aware of any other reason why the trading suspension should not be granted.

Thank you for your assistance.

Yours sincerely
Allomak Limited
