Chairman's Letter

30 June 2009

Dear Shareholder

Funtastic Limited – Rights Issue

On behalf of the Board of Funtastic Limited (**Funtastic**), I am pleased to invite you to participate in a fully underwritten non-renounceable pro rata rights issue to subscribe for 1 new ordinary share in Funtastic for every existing Funtastic share held as at 7.00pm on 8 July 2009 at an issue price of A\$0.135 per share (**Rights Issue**). You may subscribe for all or part of your rights entitlement. The Rights Issue is only open to shareholders whose registered address is in Australia or New Zealand.

On 18 May 2009, Funtastic announced that it had entered into:

- a legally binding agreement to acquire NSR (HK) Limited, a Hong Kong based toy company, from interests associated with Mr Nir Pizmony (**NSR Acquisition**); and
- a legally binding underwriting agreement with interests associated with Mr Craig Mathieson to fully underwrite the Rights Issue.

As explained in the Notice of Annual General Meeting (**AGM**) sent to shareholders on or around 28 May 2009, the Rights Issue and the NSR Acquisition are each conditional on various matters, including approval of the transactions by shareholders. On 29 June 2009 at Funtastic's AGM, shareholders passed resolutions to approve Funtastic conducting both the NSR Acquisition and the Rights Issue.

Funtastic expects to raise approximately A\$22.3 million (before expenses) under the Rights Issue. Funtastic intends to use the net proceeds to repay debt and for working capital to support its business. Together with the business sales announced by Funtastic on 26 June 2009, the Rights Issue and the NSR Acquisition are important developments in Funtastic's strategy of re-focusing its business on its toy division and rebuilding its balance sheet to provide it with the ability to grow its business, including the new business it acquires through the NSR Acquisition.

This Offer Document includes important information about the Rights Issue, including:

- key dates and details of the Rights Issue;
- instructions on how to apply for all or part of your entitlement;
- other important information; and
- an Investor Presentation.

Accompanying this Offer Document is a personalised Entitlement and Acceptance Form which sets out your rights entitlement, to be completed in accordance with the instructions on the Form and the information contained in this Offer Document.

On behalf of the Board of Funtastic, I commend the Rights Issue to you and thank you once again for your continued support during what has been a challenging 12 months. The Board believes that the Rights Issue, the NSR Acquisition and the recently announced trade sales will position Funtastic to deliver a sustained improvement in its operational and financial performance.

Yours faithfully

Graeme Yeomans
Chairman

Important Information

Introduction

This Offer Document is an important document and requires your immediate attention. It should be read in its entirety. This Offer Document has been prepared under section 708AA of the Corporations Act (as modified by ASIC Class Order 08/35) which permits companies to conduct rights issues without preparing a prospectus.

Your investment decision regarding the Rights Issue should be based on the information contained in this Offer Document, announcements made to ASX by Funtastic and other information available at www.funtastic.com.au (including the Notice of AGM and Explanatory Notes given to ASX on 28 May 2009). This Offer Document is not financial product advice and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. If you have any queries as to whether participation in the Rights Issue is appropriate having regard to your particular circumstances or any queries on the specific consequences for you of any such participation, you should contact your stockbroker, accountant or other professional adviser.

Section 1 of this Offer Document contains detailed information on how to apply for New Shares under the Rights Issue. You should read this information carefully. Your Entitlement and Acceptance Form (accompanying this Offer Document) and payment for the subscription amount due must be received at Funtastic's share registry by 5pm on 30 July 2009 (AEST).

If you do not take up your Entitlement under the Rights Issue (in whole or in part), you will not receive any value for your Entitlement. In particular, as the Rights Issue is non-renounceable, you will not be able to sell your Entitlement on ASX.

Certain terms used in this Offer Document are defined in the Glossary in Section 4 of this Offer Document. All financial amounts shown in this Offer Document are in Australian dollars unless otherwise stated.

Future Performance and Forward Looking Statements

Neither Funtastic nor any other person warrants or guarantees the future performance of the New Shares or any return on any investment made under this Offer Document. Forward looking statements, opinions and estimates provided in the Offer Document are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions.

Forward looking statements including projections, guidance on future earnings and estimates are provided as a general guide only and should not be relied on as an indication or guarantee of future performance. They are subject to known and unknown risks, uncertainties and assumptions, many of which are outside the control of Funtastic and the Board, which could cause actual results, performance or achievements to differ materially from future results, performance or achievements expressed or implied by the forward looking statements in this Offer Document.

Foreign Jurisdictions

This Offer Document has been prepared to comply with the requirements of the securities laws of Australia and New Zealand.

This Offer Document is not an investment statement or prospectus under New Zealand law, and may not contain all the information that an investment statement or prospectus under New Zealand law is required to contain.

No action has been taken to register or qualify the Rights Issue, the Entitlements or the New Shares, or otherwise permit the public offering of the New Shares, in any jurisdiction other than Australia and New Zealand. The distribution of this Offer Document (including an electronic copy) outside Australia and New Zealand is restricted by law. Neither the Entitlements nor the New Shares have been or will be registered under the Securities Act or the securities laws of any state of the United States, and may not be offered or sold in the United States or to or for the account or benefit of U.S. Persons unless the New Shares are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available.

1.3 Commencement of the Rights Issue

Detailed information on how to apply for New Shares is set out in Section 2 of this Offer Document in the section "How to Apply". Applicants are encouraged to submit their Entitlement and Acceptance Forms, and payment for the subscription amount due, as soon as possible after the Rights Issue opens.

1.6 Shareholder Enquiries

Eligible shareholders who have questions regarding the Rights Issue should call the Funtastic Shareholder Information Line on 1300 520 739 (calls within Australia) or +61 3 9415 4393 (from outside Australia) at any time from 8:30 am to 5:00 pm (AEST) Monday to Friday or go to our website at www.funtastic.com.au.

This Offer Document is not financial product advice and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. 1.7 Overseas Shareholders

The Offer is being made to Eligible Shareholders with a registered address in Australia and New Zealand only.

In accordance with the Listing Rules and the Corporations Act, Funtastic has decided that it would be unreasonable to extend the Rights Issue to Shareholders resident in countries other than Australia and New Zealand, having regard to:

- the number of Shareholders with a registered address in those countries;
- the number and value of New Shares that would be offered under the Rights Issue to Shareholders with a registered address in those countries; and
- costs of complying with legal and other regulatory requirements in those countries.

This Offer Document and the Entitlement and Acceptance Form do not constitute an offer, or an invitation to subscribe for, New Shares in any place in which it would not be lawful to make such an offer or invitation. Where this Offer Document has been despatched to Shareholders resident outside Australia and New Zealand and where the relevant jurisdictions laws prohibit or restrict in any way the making of the Offer, this Offer Document is provided for information purposes only.

The return of a duly completed Entitlement and Acceptance Form, or payment of the subscription amount, will constitute a representation by the applicant that there has been no breach of any such laws.

How to Apply

2. How to Apply

2.1 Your Entitlement

Under the Rights Issue, Eligible Shareholders are being offered the opportunity to subscribe for one New Share for every Share held at 7:00pm (AEST) on the Record Date, Wednesday, 8 July 2009, at the offer price of A\$0.135 per New Share.

Your Entitlement is set out on the accompanying Entitlement and Acceptance Form and has been calculated as one New Share for every Share held at 7:00pm (AEST) on the Record Date. If you have more than one holding of Shares, you will be sent more than one Entitlement and Acceptance Form and you will have separate Entitlements for each separate holding. New Shares issued under the Rights Issue will be fully paid and rank equally with existing Shares.

2.2 Your Application

If you decide to take up all or part of your Entitlement, please complete and return the Entitlement and Acceptance Form with the requisite Application Monies or pay your Application Monies via BPAY®¹ by following the instructions set out on the Entitlement and Acceptance Form. Funtastic will treat you as applying for as many New Shares as your payment will pay for in full.

If you are paying by BPAY, please make sure to use the specific Biller Code and unique Customer Reference Number (**CRN**) on your personalised Entitlement and Acceptance Form. If you receive more than one Entitlement and Acceptance Form, please only use the CRN specific to the Entitlement on that Form.

If you take no action you will not be allocated any New Shares and your Entitlement will lapse. Your Entitlement to participate in the Rights Issue is non-renounceable and will not be tradeable or otherwise transferable. Shareholders who do not take up their Entitlements in full will not receive any payment or value for those Entitlements they do not take up.

If you take up and pay for all or part of your Entitlement before the Closing Date of 5:00pm (AEST) on Thursday, 30 July 2009, subject to variation, you will be allotted your New Shares on Wednesday, 5 August 2009. Funtastic's decision on the number of New Shares to be allocated to you will be final.

Funtastic also reserves the right (in its absolute discretion) to reduce the number of New Shares allocated to Eligible Shareholders, or persons claiming to be Eligible Shareholders, if their claims prove to be overstated or if they or their nominees fail to provide information to substantiate their claims.

2.3 Acceptance of the Rights Issue

The method of acceptance of the Rights Issue will depend on your method of payment, being:

- by BPAY; or
- by cheque, bank draft or money order.

By completing and returning your personalised Entitlement and Acceptance Form or making a payment by BPAY, you will be deemed to have represented that you are an Eligible Shareholder.

(a) Payment by BPAY

For payment by BPAY, please follow the instructions on the Entitlement and Acceptance Form (which includes the Biller Code and your unique CRN). You can only make a payment via BPAY if you are the holder of an account with an Australian financial institution that supports BPAY transactions.

Please note that if you choose to pay by BPAY:

- you do not need to submit the personalised Form but are taken to have made the declarations on that Form; and
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares which is covered in full by your Application Monies.

It is your responsibility to ensure that your BPAY payment is received by the Share Registry by no later than 5:00pm (AEST) on Thursday, 30 July 2009 (subject to variation). You should be aware that your financial institution may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

Any Application Monies received for more than your final allocation of New Shares will be refunded to you. No interest will be paid on any Application Monies received or refunded.

(b) Payment by cheque, bank draft or money order

For payment by cheque, bank draft or money order, you should complete your Entitlement and Acceptance Form in accordance with the instructions set out on that Form and return the Form accompanied by a cheque, bank draft or money order in Australian currency for the amount of the Application Monies, payable to "Funtastic Limited Rights Issue" and crossed "Not Negotiable".

¹ BPAY® is registered to Bpay Pty Ltd ABN 69 079 137 518.

Your cheque, bank draft or money order must be:

- for an amount equal to A\$0.135 multiplied by the number of New Shares that you are applying for; and
- in Australian currency drawn on an Australian branch of a financial institution.

You should ensure that sufficient funds are held in relevant account(s) to cover the Application Monies. If the amount of your cheque for Application Monies (or the amount for which the cheque clears in time for allocation) is insufficient to pay in full for the number of New Shares you have applied for in your Entitlement and Acceptance Form, you will be taken to have applied for such lower number of whole New Shares as your cleared Application Monies will pay for (and to have specified that number of New Shares on your Entitlement and Acceptance Form). Alternatively, your Application will not be accepted.

Any Application Monies received for more than your final allocation of New Shares will be refunded. No interest will be paid on any Application Monies received or refunded.

Cash payments will **not** be accepted. Receipts for payment will not be issued.

2.4 Mail

It is important to note that the Rights Issue closes [at 5:00pm (AEST) on Thursday, 30 July 2009. To participate in the Rights Issue, your payment must be received no later than this date. Shareholders who make payment via cheque, bank draft or money order should mail their completed Entitlement and Acceptance Form together with Application Monies using the reply paid or self-addressed envelope provided with this booklet, or mail to:

Funtastic Limited Rights Issue
GPO Box 505
Melbourne VIC 3001
AUSTRALIA

2.5 Brokerage

Shareholders who participate in the Rights Issue will not be charged brokerage or commissions in relation to their acceptance of their Entitlement.

2.6 No Cooling Off Period

Cooling off rights do not apply to an investment in New Shares under the Rights Issue. You cannot withdraw your application once it has been accepted. Further, Entitlements cannot be traded on the ASX or any other exchange, nor can they be privately transferred.

2.7 Investment Decision

The Rights Issue is being made under provisions of the Corporations Act which allow rights issues to be offered without a prospectus lodged with ASIC. As a result, it is important for Eligible Shareholders to read and understand the information on Funtastic and the Rights Issue made publicly available, prior to accepting all or part of their Entitlement. In particular, you should read this Offer Document, Funtastic's annual reports, ASX announcements, and other announcements made available at www.funtastic.com.au (including the Notice of AGM and Explanatory Notes given to ASX on 28 May 2009).

This Offer Document is not financial product advice and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. Funtastic is not licensed to provide financial product advice in respect of the New Shares. The Offer Document does not purport to contain all the information that you may require to evaluate a possible application for New Shares.

Before deciding whether to apply for New Shares, you should consider whether they are a suitable investment for you in light of your own investment objectives and financial circumstances and having regard to the merits or risks involved. If you have any queries as to whether participation in the Rights Issue is appropriate having regard to your particular circumstances or any queries on the specific consequences for you of any such participation, you should contact your stockbroker, accountant or other professional adviser.

3. Additional Information

3.1 Risks

A number of risks and uncertainties, which are both specific to Funtastic and of a more general nature, may affect the future operating and financial performance of Funtastic and the value of New Shares. You should carefully consider the following risk factors, as well as the other information provided to you by Funtastic in connection with the Rights Issue, and consult your financial and legal advisers before deciding whether to invest in the New Shares.

The risks and uncertainties described below are not the only ones facing Funtastic. Additional risks and uncertainties that Funtastic is unaware of, or that it currently considers to be immaterial, may also become important factors that adversely affect Funtastic's operating and financial performance.

It should be noted that the risks set out below are risks to which you are already exposed in relation to your existing shareholding in Funtastic.

(a) General Risk Factors

Investors should be aware that there are risks associated with any investment listed on ASX. The value of New Shares may rise above or fall below the Issue Price, depending on the financial condition and operating performance of Funtastic. Further, the price at which Funtastic shares trade on ASX may be affected by a number of factors unrelated to the financial and operating performance of Funtastic and over which Funtastic and its directors have no control. These external factors include:

- economic conditions in Australia and overseas;
- investor sentiment in the local and international stock markets and the volatility of those markets;
- availability of finance and the ability or willingness of financial institutions to provide finance on satisfactory terms;
- movements in foreign exchange rates;
- changes in fiscal, monetary, regulatory and other government policies;
- geo-political conditions such as acts or threats of terrorism or military conflicts; and
- any future changes to tax laws or accounting standards.

(b) Company Specific Risk Factors

- the success of Funtastic's business plan and its ability to execute its strategies;
- the integration and operation of the business conducted by NSR (HK) Limited, and the acquisition of other businesses or assets;

- the success of Funtastic in completing its program of rationalisation and disposal of non-core businesses, and in completing the transactions contemplated by legally binding sale agreements that it has signed;
- operational risks such as equipment failures, industrial action and disputes, accidents and IT system failures;
- changes to key business relationships, including key suppliers and distributors of products;
- counterparty risk, including where key suppliers and distributors, customers or other counterparties are unable to discharge their obligations under contractual arrangements;
- the carrying value of intangible assets is assessed against the discounted future cash flows of the businesses to which the goodwill asset relates. A deterioration in general economic conditions or the operating performance of Funtastic may affect the expected future cash flows generated from these businesses and result in an impairment of the goodwill carrying value at a future date;
- loss of key personnel or changes in management;
- interest rates, foreign exchange risks (to the extent they are not hedged), and financing risks;
- the level of borrowing the Company undertakes (or gearing); and
- potential changes to Australian laws, including tax laws and employment laws.

(c) Dividends

Funtastic's future dividend levels will be determined by the Board having regard to the operating results and financial position of Funtastic and there is no guarantee that any dividends will be paid or, if paid, that they will be paid at previous levels.

Investors should note that the historic share price performance of Funtastic shares provides no guidance as to its future share price performance.

Funtastic's dividend policy will be determined in light of a number of factors including, most importantly, the profitability of its business and by the terms of Funtastic's financing arrangements. Funtastic's profitability will be affected by such matters as its trading performance, level of borrowings, tax paid and the various risk factors set out above.

3.2 Taxation Law

Set out below is a summary of the Australian tax implications of the Rights Issue for Eligible Shareholders who are residents of Australia for tax purposes and who hold their Shares as capital assets. The summary below does not necessarily apply to Eligible Shareholders who hold their Shares as assets used in carrying on a business or who may carry on the business of share trading, banking or investment.

The summary below does not necessarily apply to Eligible Shareholders whose Shares are held through an employee share plan or whose Shares are held as revenue assets or trading stock.

The summary below also does not take account of any individual circumstances of any particular Eligible Shareholder. Eligible Shareholders should seek specific advice applicable to their own particular circumstances from their own financial or tax advisers. Eligible Shareholders who are residents of New Zealand for New Zealand tax purposes should seek their own advice.

The summary below is based on the law in effect as at the date of this Offer Document.

(d) Issue of Entitlements

Subject to the qualifications noted above, the issue of the Entitlements will not itself result in any amount being included in the assessable income of an Eligible Shareholder.

(e) Acceptance of Entitlements

Eligible Shareholders who accept their Entitlements and subscribe for New Shares will acquire those shares with a cost base for capital gains tax (CGT) purposes equal to the Issue Price payable by them for those shares plus any non-deductible incidental costs they incur in acquiring those shares, but will not make any capital gain or loss, or assessable income, from exercising the Entitlements or subscribing for the New Shares.

(f) New Shares

Eligible Shareholders who accept their Entitlements will acquire New Shares. Any future dividends or other distributions made in respect of those New Shares will be subject to the same taxation treatment as dividends or other distributions made on Shares held in the same circumstances.

On any future disposal of New Shares, Eligible Shareholders may make a capital gain or capital loss, depending on whether the capital proceeds of that disposal are more than the cost base or less than the reduced cost base of the New Shares. The cost base of those shares is described above.

New Shares will be treated for the purposes of the CGT discount as having been acquired when the Eligible Shareholder exercised the Entitlement to subscribe for them. Accordingly, in order to benefit from the CGT discount in respect of a disposal of those New Shares, an Eligible Shareholder that is an individual, trust or complying superannuation fund must have held the New Shares for at least 12 months after that date before the disposal occurs (in addition to satisfying any other conditions affecting the ability of the shareholder to benefit from the CGT discount).

(g) Other Australian Taxes

No Australian Goods and Services Tax (GST) or stamp duty is payable in respect of the grant or exercise of the Entitlements or the acquisition of New Shares.

3.3. Disclaimer of Representations

No person is authorised to give any information, or to make any representation, in connection with the Rights Issue that is not contained in this Offer Document.

Any information or representation that is not in this Offer Document may not be relied on as having been authorised by Funtastic, or its related bodies corporate in connection with the Rights Issue. Except as required by law, and only to the extent so required, none of Funtastic, or any other person, warrants or guarantees the future performance of Funtastic or any return on any investment made under this Offer Document.

3.4 Governing Law

This Offer Document, the Rights Issue and the contracts formed on acceptance of the Entitlement and Acceptance Forms are governed by the laws applicable in Victoria, Australia. Each applicant for New Shares submits to the non-exclusive jurisdiction of the courts of Victoria, Australia.

**Notice under section 708AA(2)(f) of the Corporations Act 2001
as modified by ASIC Class Order 08/35**

This notice is given by Funtastic Limited (ACN 063 886 199) (**Funtastic**) under section 708AA(2)(f) of the *Corporations Act 2001* (Cth) (**Corporations Act**) as modified by Australian Securities and Investments Commission Class Order 08/35 (**CO 08/35**).

On 30 June 2009 Funtastic announced a fully underwritten non-renounceable pro rata rights issue (**Rights Issue**) of 1 fully paid Funtastic ordinary share (**New Share**) for every Funtastic share (**Share**) held as at 7.00pm (AEST) on 8 July 2009 by shareholders with a registered address in Australia or New Zealand.

Funtastic confirms that:

- (a) the New Shares will be offered for issue without disclosure under Part 6D.2 of the Corporations Act;
- (b) this notice is being given under section 708AA(2)(f) of the Corporations Act as modified by CO 08/35;
- (c) as at the date of this notice, Funtastic has complied with:
 - (i) the provisions of Chapter 2M of the Corporations Act as they apply to Funtastic; and
 - (ii) section 674 of the Act;
- (d) as at the date of this notice, there is no excluded information of the type referred to in sections 708AA(8) and 708AA(9) of the Corporations Act as modified by CO 08/35; and
- (e) the potential effect the Rights Issue will have on the control of Funtastic, and the consequences of that effect (**Potential Control Effects**), will depend on a number of factors. The Potential Control Effects are described in detail in the explanatory notes to Funtastic's Notice of Annual General Meeting (and accompanying independent expert's report) lodged with ASX and dispatched to shareholders on 28 May 2009 (**Notice of AGM**).

The Rights Issue will be fully underwritten by Elsie May Holdings Pty Ltd (as Trustee of the Lauren Mathieson Family Trust No 3) (**Underwriter**), an entity associated with Mr Craig Mathieson.

The Underwriter is not currently the registered holder of any shares in Funtastic, but the Underwriter is an associate of registered holders of shares in Funtastic and the vendors of the shares in NSR (HK) Limited (**NSR**), NSR Peas Pty Ltd and Mr Hod Pizem (**Vendors**). Funtastic has entered into a share sale agreement with the Vendors to acquire all of the shares in NSR (**Share Sale Agreement**) (**NSR Acquisition**). As at the date of the Notice of AGM, through these associate relationships the Underwriter has a relevant interest in 14,045,961 Shares (approximately 8.5% of Funtastic's share capital).

The Potential Control Effects of the Rights Issue will be determined by:

- (i) the extent to which eligible Funtastic shareholders elect to participate in the Rights Issue; and

- (ii) the number of Shares that will be issued to the Vendors under the Share Sale Agreement.

The terms of the Share Sale Agreement are described in detail in the Notice of AGM. Relevantly, the Share Sale Agreement provides for the Vendors to be issued with (as consideration for the acquisition of NSR) 10,000,000 converting shares in Funtastic which will convert into a minimum of 10,000,000 Shares, and a maximum of 50,000,000 Shares. The actual number of Shares to be issued to the Vendors will be determined by reference to the financial performance of NSR over the period from 1 January 2009 to 31 December 2010 (**Earn-Out Period**).

The Underwriter and the Vendors are associates. The Underwriter will not receive any Shares under the Share Sale Agreement but it may be required to subscribe for New Shares under the Rights Issue. The minimum potential voting power of the Underwriter and the Vendors as a result of the Rights Issue and the NSR Acquisition is 11.17% and their maximum potential voting power is 60.25%.

The following table sets out the potential voting power of the Underwriter and the Vendors in various scenarios, depending on the number of Shares issued to the Vendors under the Share Sale Agreement and the level of participation of Funtastic shareholders in the Rights Issue.

		Shares issued to Vendors		
		10,000,000	30,000,000	50,000,000
Rights Issue Participation	0%	55.59%	58.05%	60.25%
	20%	45.88%	48.88%	51.56%
	40%	36.17%	39.71%	42.87%
	60%	26.47%	30.54%	34.19%
	100%	11.17%	16.09%	20.50%

Further scenarios setting out the possible voting power of the Underwriter and the Vendors as a result of the Rights Issue and the NSR Acquisition are set out in the Notice of AGM.

The Share Sale Agreement, and the underwriting agreement between Funtastic and the Underwriter, provide that, on completion of the Rights Issue and the NSR Acquisition, Mr Nir Pizmony and Mr Craig Mathieson will be appointed as directors of Funtastic.

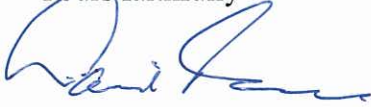

In the Notice of AGM, each of the Underwriter and the Vendors stated that they have no current intention to:

- (i) inject further capital into Funtastic;
- (ii) transfer any property between them (or any person associated with them) and Funtastic;
- (iii) change the employment policies of Funtastic, recognising that additional employees may be required in the future as Funtastic's operations expand; or

- (iv) change Funtastic's existing policy in relation to financial matters or dividends.

Detailed information regarding the Rights Issue and the NSR Acquisition is set out in the Notice of AGM.

Yours faithfully

David Berry
