

25 August 2009

Dear Shareholder

## **NOTICE OF EXTRAORDINARY GENERAL MEETING**

Allomak Limited (**Allomak** or the **Company**) is convening an Extraordinary General Meeting (**Meeting**) of shareholders on 2 October 2009 to consider proposals in relation to the recapitalisation of the Company.

The meeting will be held at Elizabeth Room, Royal Automobile Club, 89 Macquarie Street, Sydney NSW 2000 at 11.00am and will consider:

- the re-election of Mr Ray Malone as director who was appointed to fill a casual vacancy; and
- as individual resolutions, the issue of consideration in the form of cash and shares to the vendors of the Surrey Panelcare business and Alanco business, the shares in Mr Gloss Holdings Pty Ltd and the shares in KT Cables Accessories Pty Ltd.

The Explanatory Memorandum and the attached Notice of Meeting provides details about the re-capitalisation of Allomak that was announced on 30<sup>th</sup> June, 2009.

### **Banking Facilities**

Under the terms of the recapitalisation, the Company's bankers have agreed to restructure our current banking facilities with interest payments and covenants in line with the projected performance of the restructured businesses. The new facilities are long term facilities which are designed to give the Company support to underpin its future success.

Details of the new banking facilities are included in the attached Independent Expert Report.

Importantly, the new banking facilities are dependent on the new vendor agreements, each of which are subject to the resolutions being put to shareholders at the EGM.

### **Vendor agreements**

The Company owed approximately \$10 million to the vendors of certain key operating businesses underlying Allomak and was in breach of its obligation to repay these amounts. The vendors have now agreed to accept approximately 50% of the amounts owed to them as a conversion to ordinary shares in Allomak (**Vendor Share Entitlement**) and the balance in the form of a long term **interest free loan**, repayable over 5 years. These interest free loans are subordinated to the Company's banking facilities.

The vendors agreed to have their shares issued at 4 cents per share, which is a premium of more than 2 times the last closing share price. Furthermore, they accepted this Share Entitlement price even though their contracts allowed for a lower price than what has been accepted. For example, Surrey Panels' contract stated a VWAP of 2.1 cents and Mr Gloss' contract stated a VWAP of 3.7 cents per share.

The Vendors other than Mr Gloss Pty Ltd received approximately 45% of their Vendor Share Entitlement on 13 August and Resolutions 2 to 5 are seeking shareholder approval for the issue of the balance of the Vendor

Shareholders should note that this arrangement creates the minimum possible dilution for existing shareholders.

The arrangements with the vendors also have the important effect of locking in the vendors to work for the benefit of all Allomak shareholders for the medium to longer term as they have a strong vested interest in the success of the Company over the next 5 years. The existing problems for the Company in relation to its breaches of the vendor contracts will all fall away.

### **Restructuring of Business and Management**

Over the past 6 months the Board and management have worked hard to improve the operating performance of the underlying businesses in Allomak and we have either closed or divested low margin, higher risk businesses. We have substantially improved the balance sheet and if these resolutions are passed, interest bearing debt will be reduced from \$34 million to \$22 million.

We have also achieved very significant senior management changes without any additional costs to the Company. We have filled two important and needed positions (CEO Ray Malone and COO Ray Smith-Roberts), by expanding the roles of existing senior managers within the underlying Allomak businesses on the same salaries.

Ray Malone has overseen the very successful development of the Mr Gloss panel business and brings a wealth of experience in the automotive industry as CEO of Allomak. Ray was appointed a Director of Allomak in January 2009 and has made a significant contribution to the restructuring of the company during the past few months and has led the overall strategy and management of the key vendor discussions.

Ray Smith-Roberts is CEO of ECB, one of the profit leaders within Allomak. His experience covers all areas of operational management, sales and manufacturing. He has demonstrated leadership skills in profitably growing the ECB business in a highly competitive environment.

### **Conclusion**

In conclusion, the Directors of Allomak Limited strongly recommend that shareholders approve the necessary resolutions (other than Mr Malone who does not provide a recommendation in relation to Resolution 4) that are needed to complete the recapitalisation of the Company. If these Resolutions are not passed, the agreements with the Company's bankers, key vendors and key management will be breached. This will put the Company in a very uncertain position and will seriously disadvantage the Company going forward.

## EXPLANATORY STATEMENT

---

This Explanatory Statement forms part of the notice of meeting of the Company dated 25 August 2009

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

### 1. Introduction

On 30 June 2009, the Company announced that it had reached agreement with the vendors of the Surrey Panelcare business, the Alanco business, Mr Gloss Holdings Pty Ltd and KT Cable Accessories Pty Ltd (**Vendors**) and the Company's financiers as part of its re-capitalisation program.

The re-capitalisation program involves:

- (a) the restructure of the Company's current finance facilities; and
- (b) the entering into Deeds of Settlement and Release with each of the Vendors (**Vendor Settlement Deeds**).

### 2. Banking Facilities

Under the terms of the recapitalisation, the Company's bankers have agreed to restructure the Company's banking facilities with interest payments and covenants in line with the projected performance of the restructured businesses. The new facilities are long term facilities which are designed to give the Company support to underpin its future success.

Details of the new banking facilities are included in the attached Independent Expert Report.

In summary, the terms of the restructured facilities are as follows:

- (a) The previous funding facility of \$34m was in default and has been replaced by 2 separate facilities.
- (b) \$22m of the debt comprises a commercial bills facility with a term of 5 years to be amortised quarterly by 35% of the previous year's EBIT and annually by 75% of Free Cash Flow (**Commercial Bills Facility**).
- (c) The balance of \$12m is an approximately 10 year no interest loan note which can be extinguished at any time by the Company paying 50% (\$6m) of the face value of the debt (**Loan Note**).
- (d) The Commercial Bills Facility and Loan Note, are secured by a first ranking fixed and floating charge over the Company, cross guarantees from each of the Company's subsidiaries and first ranking fixed and floating charges over each of those subsidiaries.
- (e) It is a condition subsequent of both facilities that the issue of shares under the Vendor Settlement Deeds, and all other necessary shareholder approval is given for the Vendor Settlement Deeds. In the event that approval is not

given it shall be a Default Event under both facilities. (Resolutions 2 to 5 are put forward for this purpose.)

### 3. Vendor Settlement Deeds

The Company is in default under each of the acquisition contracts with the Vendors and owes the Vendors (collectively) approximately \$10 million (**Vendor Debt**).

The Company and the Vendors have entered into Settlement and Release Deeds pursuant to which, the Vendors have agreed to accept (subject to any required shareholder approval):

- (a) 50% of the amounts owing to them to be converted into fully paid ordinary shares in Allomak at an issue price of \$0.04 per share (other than Mr Gloss Pty Ltd who has agreed to accept 52% in shares and 48% in debt) (**Vendor Share Entitlement**); and
- (b) the balance of the amount owing to them in the form of a long term loan, **interest free**, that will be repaid over a 5 year period. These loans are subordinated to the Company's banking facilities.

The issue price of \$0.04 represents a premium of 200% over the last closing share price and the Board is pleased that it has secured the ongoing support of the Vendors by having them reinvest in the Company.

On 13 August 2009, the Company issued 35% of the Vendors Share Entitlement to each of the Vendors (except for Mr Gloss Pty Ltd). Resolutions 2 to 5 are seeking shareholder approval to issue the balance of the Vendor Share Entitlement to the Vendors in accordance with the Vendor Settlement Deeds.

Shareholders should note that as the Vendor Settlement Deeds are separate independent documents, Resolutions 2 to 5 are not interdependent.

To the extent that only some (and not all) of Resolutions 2 to 5 are passed, only the Shares the subject of any passed Resolutions will be issued which will have the effect of partially reducing the Vendor Debt of that particular Vendor. In such circumstances, the Company will be in default of its refinanced facilities.

## 6. ADVANTAGES OF THE TRANSACTION

### 6.1 General

The transactions contemplated at this Extraordinary General Meeting give the Company an opportunity to move forward from its past difficulties under a sustainable capital structure.

### 6.2 Advantages

The Directors are of the view that the following non-exhaustive list of advantages may be relevant to a Shareholder's decision on how to vote on the proposed transactions:

- (a) if the issue of the shares under Vendor Settlement Deeds proposed at this Extraordinary Meeting (**Proposed Issues**) are not approved, Allomak will be in default of its facilities with its external financier which will entitle the financier to appoint an external controller to Allomak;
- (b) the interest bearing debt with the external financier will be reduced from \$34 million to \$22 million;
- (c) if the Proposed Issues are not approved, Allomak cannot meet its obligations to the Vendors and any demands for payment will not be able to be satisfied and interest will continue to accrue on any amounts outstanding under the acquisition agreements
- (d) the terms of the Vendor Settlement Deeds and the new finance facilities are favourable to Allomak and provide a good opportunity for future profitability;
- (e) the Vendor Settlement Deeds provide strong incentives for the Vendors to support the Company and achieve financial objectives over at least the next 5 year period; and
- (f) recent management and business restructuring has given the Company the best possible opportunity to capitalise on the proposed restructuring with the Vendors and the external financier.

## 7. DISADVANTAGES OF THE TRANSACTION

The Board is of the view that, given the Company's current position the only possible disadvantage is the dilutive effect on current shareholders. However it is of the view that this is the minimum possible dilution and is outweighed by the significant advantages in proceeding with the restructure.

Shareholders should note that a potential disadvantage of the issue of the Shares to the Vendors is the fact that Mr Gloss Pty Limited will acquire a substantial stake in Allomak. This may mean that in the future, Mr Gloss may acquire a controlling interest in Allomak and may also potentially impede a third party takeover bid.

## 8. ALTERNATE STRATEGY

If the Proposed Issues are not approved, the Board does not have any feasible alternate strategy to meet its obligations to its external financier and the Vendors and would be subject to their discretion.

## 9. ROLE OF THE INDEPENDENT EXPERT

The Independent Expert's Report assesses whether the transactions are fair and reasonable to the non-associated Shareholders. This assessment is designed to assist all Shareholders in reaching their voting decision.

Hall Chadwick has provided an opinion that it believes the transactions are *fair and reasonable to non associated Shareholders*. It is recommended that all Shareholders read the Independent Expert's Report in full.

## 10. DIRECTORS' RECOMMENDATIONS

Mr Ray Malone has an interest in the outcome of Resolution 4 and did not participate in the decision at Board level to refer Resolution 4 to Shareholders for determination.

Other than Mr Malone, the Directors do not have any material personal interest in the outcome of the Resolutions other than their interests arising solely in their capacity as Shareholders of the Company. The Directors' security holdings in the Company are set out in the following table:

Director	Shares	Options
Mr Chris Sadler	Nil	Nil
Hon John Anderson	30,000	Nil
Mr Ray Malone (via Mr Gloss Pty Ltd)	10,180,835	Nil
Mr Don Easter	150,000	Nil

Each of the Directors intends to vote their Shares in favour of all of the Resolutions, subject to any voting exclusions for particular Resolutions.

Mr Malone has declined to make a recommendation in relation to Resolution 4.

The Directors consider that the proposed transactions and Resolutions are in the best interests of the Company and recommend that Shareholders vote in favour of the Resolutions, subject to any voting exclusions for particular Resolutions. The Directors (other than Mr Malone) have approved the proposal to put the Resolutions to Shareholders and separately approved the information contained in this Explanatory Statement.

**11. RESOLUTION 1 – RE-ELECTION OF MR RAY MALONE AS A DIRECTOR**

Clause 15.1(c) of the Constitution requires that if a director is appointed at any time by the Board of the Company, that person holds office until the end of the next following general meeting and is eligible for election at that meeting.

Mr Ray Malone will retire at the end of the General Meeting and seeks re-election.

Ray Malone is the founder and Managing Director of the Mr Gloss business, a leading prestige car repair business in Victoria.

Ray has over 28 years experience in the automotive repair industry and has brought substantial business skills and industry knowledge to the board of Allomak Limited.

##### **Summary of approvals sought**

Mr Gloss Pty Ltd is an entity controlled by Mr Ray Malone, a director of the Company and is therefore a related party of the Company for the purposes of the Corporations Act and the Listing Rules.

Furthermore, the proposed issue to Mr Gloss Pty Ltd will result in Mr Gloss Pty Ltd and Ray Malone acquiring a relevant interest in more than 20% of the voting shares in

the Company which is prohibited under the Corporations Act, except with the approval of shareholders.

Accordingly, the Company is seeking the following approvals:

- (a) approval under section 208 of the Corporations Act, to allow the entry into the Mr Gloss Loan as a related party of the Company.
- (b) approval for the purposes of ASX Listing Rule Listing Rule 10.11 and section 208 of the Corporations Act to allow the issue of 81,250,000 fully paid ordinary Shares to Mr Gloss Pty Ltd as a related party of the Company; and
- (c) approval for the purpose of Item 7 of Section 611 of the Corporations Act to allow Mr Gloss Pty Ltd and Mr Ray Malone to increase their relevant interests from 6.4% to a 33.9% on the assumption that Resolutions 2, 3 4 and 5 are passed.

### Approval under Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act **prohibits a public company giving a financial benefit to a related party** unless one of a number of exceptions applies.

A **financial benefit** is defined in the Corporations Act in broad terms and includes a public company issuing securities and entering into a financial arrangement.

A company that is controlled by a director of Allomak is a related party of Allomak and accordingly the proposed issue of the Mr Gloss Placement Shares and the entry into the Mr Gloss Loan is a related party transaction.

Whilst the Directors believe that the rights and obligations of the parties under the Mr Gloss Settlement Deed satisfy an arms length transaction, the Directors have considered it appropriate to seek Shareholder approval given the significance of the transaction and the overall affect on the recapitalisation process.

Section 208 of the Corporations Act provides that for a public company to give a financial benefit to a related party of that company, the public company must:

- (a) obtain the approval of members in the way set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months after the approval is obtained.

For the purposes of Sections 217 to 227 of the Corporations Act, the following information is provided to allow Shareholders to assess the proposed issue of the Mr Gloss Placement Shares and entry into the Mr Gloss Loan:

- (a) the related party whom will receive the financial benefit is Mr Gloss Pty Ltd as trustee of the Mr Gloss Unit Trust;
- (b) the nature of the financial benefit is the issue of 81,250,000 fully paid ordinary shares and the entry into the Mr Gloss Loan by the Company;
- (c) the maximum number of Shares to be issued to Mr Gloss Pty Ltd is 81,250,000 (which shall be issued for nil consideration, accordingly no funds will be raised from the issue of the Mr Gloss Share Placement, with the allotment involving settlement of outstanding liabilities owing to Mr Gloss);

- (d) the Mr Gloss Placement Shares will rank equally in all respects with the Company's existing issued fully paid ordinary Shares;
- (e) the value of the Shares is based on the market value (as determined by the Independent Expert) is between \$0.021 and \$0.029 per share with a mid point of \$0.025 per share. More information on how the share value has been calculated is set out in the Independent Experts report;
- (f) in the last 12 months before the date of this Notice the highest, lowest and latest trading price of Shares on ASX were:
- |         |                               |
|---------|-------------------------------|
| Highest | 40.0 cents on 21 January 2009 |
| Lowest  | 1.7 cents on 15 April 2009    |
| Last    | 1.9 cents on 16 April 2009    |
- (g) as at the date of this Notice, Mr Gloss has the following interests in the securities of the Company:
- 10,180,835 fully paid ordinary shares
- (h) if the Mr Gloss Shares Placement is effected, a total of 81,250,000 Shares will be allotted and issued to Mr Gloss Pty Ltd. This will increase the number of Shares on issue from 188,661,670 to 269,911,670 (assuming that no other options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted as follows:
- 30.1% - on the basis that all shares under Resolutions 2, 3, 4 and 5 are issued (or 33.8% - on the basis that the shares under Resolutions 2, 3 and 5 are not issued)
- (i) the Mr Gloss Share Placement will be allotted not later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated that they will be granted on one date; and
- (j) Mr Malone has declined to make a recommendation in relation to Resolution 4 as he has an interest in the outcome. The other current Directors recommend that Shareholders vote in favour of Resolution 4 as they are of the view that the issue of the Mr Gloss Placement Shares to Mr Gloss Pty Ltd and the entry into the Mr Gloss Loan are in the best interest of the Shareholders as it will allow for the recapitalisation program to be adopted. Further assessment of the advantages and disadvantages are discussed above. The Directors are not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass the Resolution.

#### **ASX Listing Rule 10.11**

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party. As stated above, Mr Gloss Pty Ltd is considered a related party of the Company by virtue of the fact that it is controlled by Mr Ray Malone, a Director of the Company.

ASX Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under ASX Listing Rule 10.11. The following information is provided to Shareholders for the purposes of Listing Rule 10.13:

- (a) the name of the person is Mr Gloss Pty Ltd as trustee for the Mr Gloss Unit Trust;
- (b) the maximum number of Shares to be issued is 81,250,000;
- (c) the Shares will be issued no later than one (1) month from the date of approval of the Resolutions (or such later date as approved by ASX) and it is anticipated that the Shares will be issued on one date;
- (d) Mr Gloss Pty Ltd is controlled by Ray Malone a director of the Company and therefore Mr Gloss is considered to be a related party of the Company;
- (e) the Shares will be fully paid ordinary shares and will rank equally in all respects with the Company's existing issued Shares and will be issued at \$0.04 per share; and
- (f) the Shares will be granted for nil consideration, accordingly no funds will be raised from the issue of the Shares, with the allotment involving settlement of outstanding liabilities to Mr Gloss Pty Ltd under the Mr Gloss Share Sale Agreement.

Approval pursuant to Listing Rule 7.1 is not required in order to issue the Mr Gloss Placement Shares as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of securities to the Related Parties will not be included in the calculation of the 15% Limit.

#### **Approval pursuant to Item 7 of Section 611 of the Corporations Act**

Pursuant to Section 606(1) of the Corporations Act, a person must not acquire a relevant interest in issued voting shares in a listed company if the person acquiring the interest does so through a transaction in relation to securities entered into by or on behalf of the person and because of the transaction, that person's or someone else's voting power in the company increases:

- (a) from 20% or below to more than 20%; or
- (b) from a starting point that is above 20% and below 90%.

The voting power of a person in a body corporate is determined in accordance with Section 610 of the Corporations Act. The calculation of a person's voting power in a company involves determining the voting Shares in the company in which the **person and the person's associates** have a relevant interest.

A person has a relevant interest in securities if they:

- (a) are the holder of the securities;
- (b) have the power to exercise, or control the exercise of, a right to vote attached to the securities; or
- (c) have power to dispose of, or control the exercise of a power to dispose of, the securities.

It does not matter how remote the relevant interest is or how it arises. If two or more people can jointly exercise one of these powers, each of them is taken to have that power.

Item 7 of Section 611 of the Corporations Act provides an exception to the prohibition, whereby a person may acquire a relevant interest in a company's voting shares with Shareholder approval.

Shareholder approval under Item 7 of Section 611 of the Corporations Act is required for Resolution 4.

### **Associates**

A person (**second person**) will be an "associate" of the other person (**first person**) if:

- (a) the first person is a body corporate and the second person is:
  - (i) a body corporate the first person controls;
  - (ii) a body corporate that controls the first person; or
  - (iii) a body corporate that is controlled by an entity that controls the person;
- (b) the second person has entered or proposed to enter in a relevant agreement with the first person for the purpose of controlling or influencing the composition of the Company's board or the conduct of the Company's affairs; and
- (c) the second person is a person with whom the first person is acting or proposed to act, in concert in relation to the Company's affairs.

### **Specific Information Required by Section 611 Item 7 of the Corporations Act and ASIC Policy Statement 74**

The following information is required to be provided to Shareholders under the Corporations Act and ASIC Policy Statement 74 in respect of obtaining approval for Item 7 of Section 611 of the Corporations Act.

Shareholders are also referred to the Independent Expert's Report prepared by Hall Chadwick annexed to this Explanatory Statement.

Section 611 provides that certain acquisitions of relevant interests in a company's voting shares are exempt from the prohibition in Section 606(1), including acquisitions approved previously by a resolution passed at a general meeting of the company in which the acquisition is made (Section 611 Item 7).

For the exemption of Section 611 Item 7 to apply, Shareholders must be given all information known to the person proposing to make the acquisition or their associates, or known to the Company that was material to the decision on how to vote on the resolution. In ASIC Policy Statement 74, the ASIC has indicated what additional information should be provided to shareholders in these circumstances.

#### **Identity of persons who will hold a relevant interest in the Shares on completion of Resolution 4**

On completion of the transaction anticipated under Resolution 4, the following persons will hold a relevant interest in the Vendor Shares:

- (a) Mr Gloss Pty Limited as trustee for the Mr Gloss Unit Trust as the direct holder of the Shares); and
- (b) Mr Ray Malone (who is deemed to have a relevant interest in the Shares held by Mr Gloss Pty Ltd by virtue of Section 608(3)(a) of the Corporations Act as he controls Mr Gloss Pty Ltd).

#### **Maximum extent of the increase in voting power on completion of Resolution 4**

As at the date of this Explanatory Statement, Mr Gloss Pty Ltd has a relevant interest in 10,180,835 Shares (as direct holder of the shares) representing a maximum voting power of 6.4%.

The maximum extent of the increase in voting power of Mr Gloss and Ray Malone:

- (a) is 27.5%, assuming the capital structure is as set out in Section 5 of this Explanatory Statement, and Resolutions 2, 3 4 and 5 are approved by shareholders and Shares under these resolutions allotted and no options are exercised; and
- (b) is 31.6 % if only Resolution 4 is approved and no options are exercised.

Further details of the voting power of the Vendors are set out in the Independent Expert's Report.

No parties other than Mr Gloss Pty Ltd and Ray Malone will receive an increase in voting power because of the allotment of the Shares.

#### **The voting power of Mr Gloss Pty Ltd and Ray Malone on completion of Resolution 4**

33.9% on the basis that all shares under Resolutions 2, 3 ,4 and 5 are issued

38.0% on the basis that the shares under Resolutions 2, 3 and 5 are not issued

#### **Intentions of Mr Gloss Pty Ltd in relation to Allomak Limited**

Other than as disclosed elsewhere in this Explanatory Statement, the Company understands that Mr Gloss Pty Ltd:

- (a) has no intention of making any significant changes to the business of the Company or the future employment of employees;
- (b) does not intend to redeploy any fixed assets of the Company;
- (c) does not have any present intention to inject further capital into the Company;
- (d) does not intend to transfer any property between the Company and Mr Gloss Pty Limited or any person associated with any of them; and
- (e) has no current intention to change the Company's existing policies in relation to financial matters or dividends.

### **Date when allotment will be effected**

The Shares will be issued no later than one (1) month from the date of approval of the Resolutions (or such later date as approved by ASX) and it is anticipated that the Shares will be issued on one date.

### **Capital Structure**

The proposed capital structure of the Company following completion of all the transactions the subject of this Notice is set out in this Explanatory Statement.

### **Interests and Recommendations of Directors**

The Directors, other than Mr Ray Malone, do not have any personal interests in the outcome of Resolution 4 and did not participate in the vote to refer the matter to shareholders. Mr Malone declines to comment in relation to this Resolution due to Mr Malone's personal interest in the outcome of Resolution 4. Accordingly, the remaining Directors, Mr Chris Sadler, Hon John Anderson and Mr Don Easter are of the opinion that Resolution 4 is in the best interests of Shareholders. Mr Chris Sadler, Hon John Anderson and Mr Don Easter recommend Shareholders vote in favour of Resolution 4. The Directors have approved the proposal to put Resolution 4 to Shareholders.

The Directors' recommendations are based on the following reasons:

- (a) the Company needs to recapitalise if it is to succeed as a listed company;
- (b) if the Company does not proceed with the proposed Resolution, the company will have difficulty to continue as a going concern; and
- (c) the independent expert has determined the proposed transaction is fair and reasonable to the non-associated Shareholders of the Company.

### **Independent Expert's Report**

The Independent Expert's Report assesses whether the transaction is fair and reasonable to the non-associated Shareholders of the Company. The advantages and disadvantages of the Resolution are outlined in this Explanatory Statement and in the Independent Experts' Report and are provided to enable non-associated Shareholders of the Company to determine whether they are better off if the Transaction proceeds than if it does not.

The Independent Expert's Report concludes that the transaction is fair and reasonable to the non-associated Shareholders of the Company.

Shareholders are urged to read the Independent Expert's Report to understand the scope of the report, the methodology of the valuation and the sources of information and assumptions made.

#### 16.1 Approval under Listing Rule 7.1

As the number of shares to be issued under this Resolution, together with resolutions 2, 3 and 4 and certain shares issues in the last 12 months will exceed the 15% Limit, shareholder approval under Listing Rule 7.1 is being sought.
