ASX ANNOUNCEMENT

Chairman, Graeme Yeomans to Step Down

Mr Graeme Yeomans, the Chairman of Funtastic Limited (the Company), has advised the Board that he will step down as Chairman at the close of the 2010 Annual General Meeting and he will not seek re-election as a director. The 2010 AGM will be held on a date to be finalised in May 2010.

Graeme has made an outstanding contribution to the Company since being appointed a director in September 2007. Over the past two and a half years Graeme has helped steer the Company through difficult times by successfully working with the Company's financiers, investors and management to establish a sound foundation for the future. In the past twelve months of Graeme's term as Chairman there have been substantial changes in the senior management ranks, the Board and shareholders so as to build a team that will enable the Company to realise its full potential. He now considers it is appropriate that the 'new team' of directors and management continue with the recovery program and that it is time for him to step down.

The Board has decided to appoint Shane Tanner as Chairman, effective from the close of the AGM.

Shane joined the Board in March 2009 and is an accomplished business person with strong strategic, financial and people skills in a range of industries including healthcare, telecommunications and international logistics. He is currently Chairman of Vision Group Holdings Limited and Paragon Care Limited, both ASX listed entities.

It is the intention of the board to appoint an additional independent director in due course.

The Board will express its appreciation and thanks for Graeme's considerable contribution to the Company at the AGM in May.
