## Activities Report

# Broula King Gold Mine

The project is situated about 230 km due west of Sydney near Bumbaldry, lying mid way between the towns of Grenfell and Cowra in the Central West Slopes region of NSW.

Construction of the Tailings Storage facility was commenced with the area downstream of the core trench proof rolled and back filled in preparation of starting the core trench and dam wall.

During the quarter most of the remaining equipment for the plant that had been stored off site was transported to site and made ready for construction and installation. Most concrete works have been completed. All major tanks to the processing circuit are in place and the installation of agitators, pumps access ways, stairways and piping has commenced along with some electrical works. The secondary crusher is in place and the area of the fire ore stock pile has been prepared.

The second pipe line from the bore field to the plant was completed and tested.

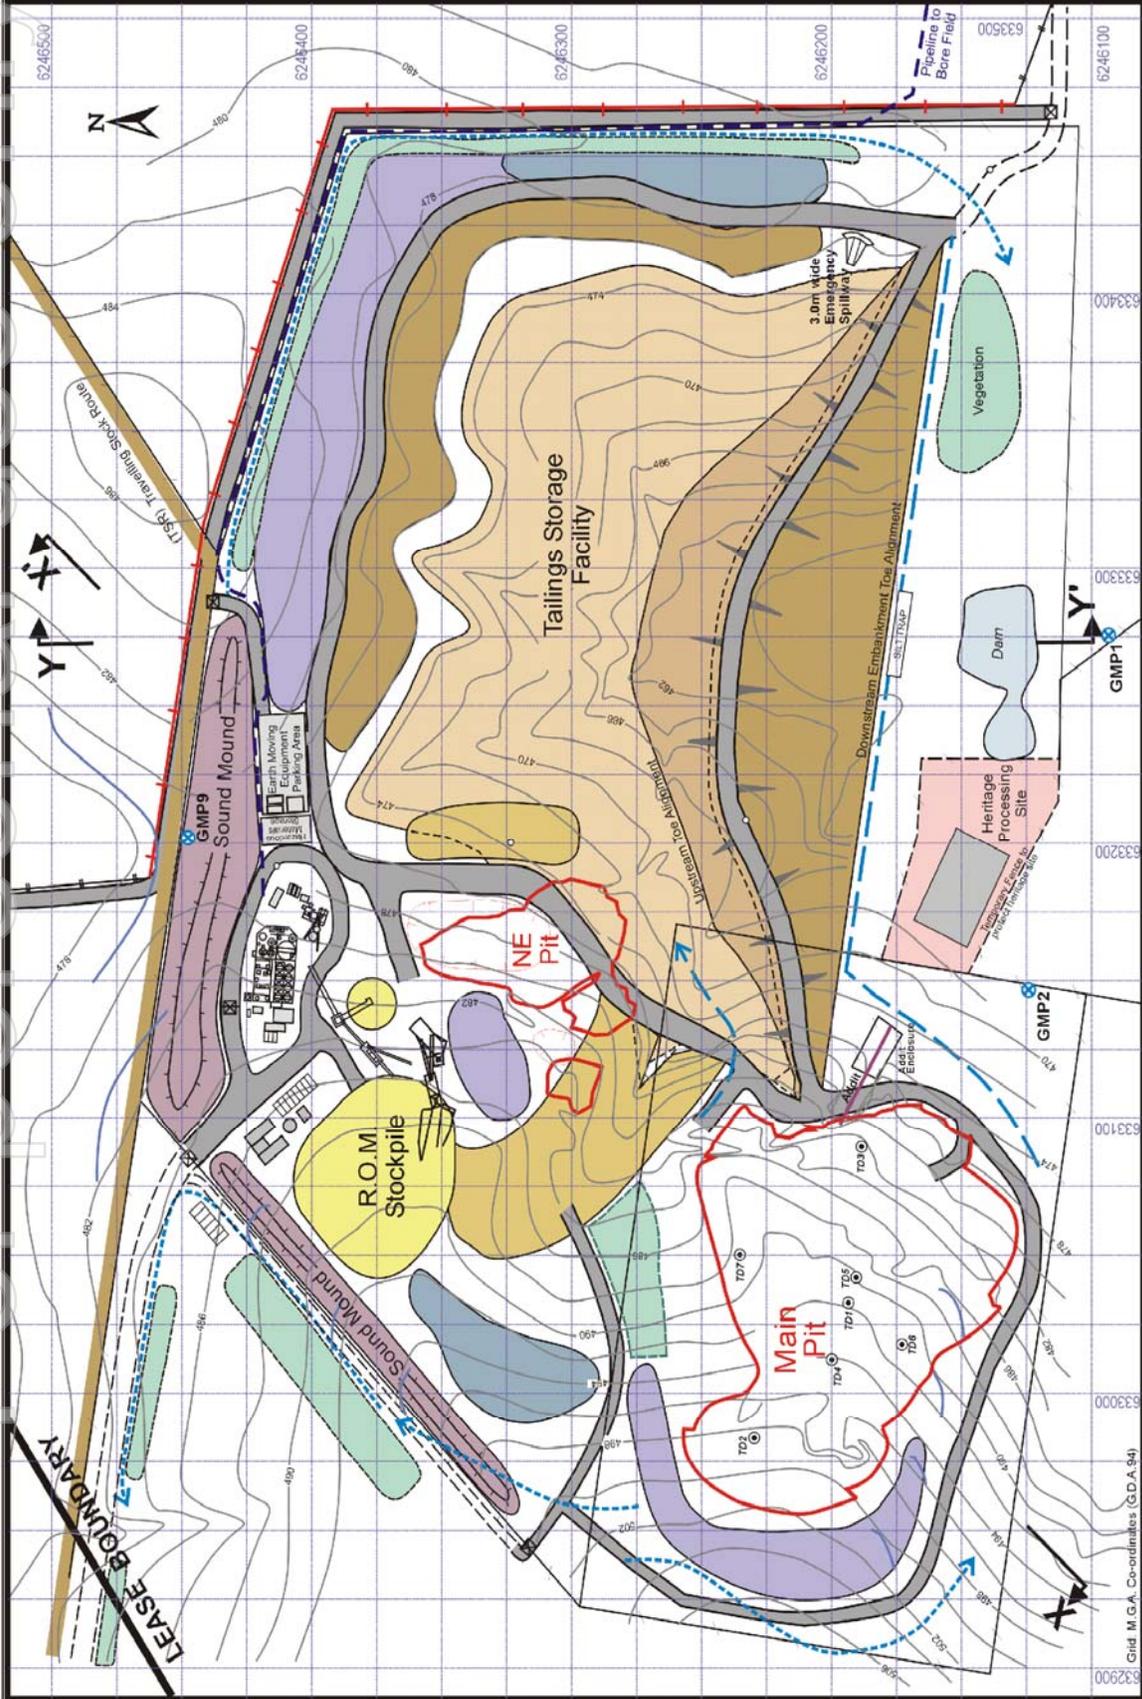

Environmental monitoring is continuing to provide back ground data for the project.

## Corporate

During the quarter, the Company placed the shortfall securities pursuant to the recent pro rata offer of new shares and free attaching options to shareholders. The Company placed 14,928,571 shares and 7,464,285 options under the shortfall, raising \$746,428 before associated costs. The Company accepted a promissory note from the underwriter to the value of \$149,000, forming part of the shortfall allocation.

In total, the Company raised \$1,498,858 from the pro rata offer.

## Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
