Request for trading halt

We request under Listing Rule 17.1 for a trading halt of Gas2Grid Limited's securities.

We request that the trading halt be with immediate effect until an announcement relating to a capital raising is made. It is not expected that a period longer than 2 trading days would be required.

Gas2Grid Limited is not aware of any reason why the trading halt should not be granted. There is no other information necessary to inform the market about the trading halt.

Yours faithfully
