**ABOUT SKYFII**

SkyFii is an innovative data services company that captures, stores and analyses customer behavioural data through technologies such as WiFi. We build, manage and monetise free public Wi-Fi by creating an engaging content channel for advertisers and by analysing customer data to assist retailers to make smarter business decisions.

Our networks are powered by a proprietary cloud-based technology and commercial solution that gives people access to the internet for free, provides venues a valuable service to offer their customers, and gives advertisers and venue partners a powerful tool to understand and engage with consumers.
