### ASX LR 3.10.5A Notice

In accordance with ASX Listing Rule 3.10.5A, Skyfii advises as follows:

- As a result of the above share issue, existing shareholders were diluted by 23.3% (based on the total tranche 1 placement, being 40,043,922 shares) or 10% (based only on those 17,009,055 shares issued pursuant to ASX Listing Rule 7.1A).
- The Board considered a range of alternate capital raising structures. In view of volatile market conditions and based on external advice the Company took the view that a placement was the most appropriate capital raising course to achieve the target raising. The Company has however committed to undertaking an SPP offer to existing shareholders, details of which will be released shortly.
- A 3.6% fee will be paid to supporting brokers in relation to the capital raising. This is the only material fee or cost in relation to the raising, other than the fee for quotation of the new securities on ASX.
