1 RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Background

Pursuant to Section 250R(2) of the Corporations Act 2001, at the Annual General Meeting of a listed company, the Company must propose a resolution that the Remuneration Report be adopted.

The purpose of this resolution is to present to the Shareholders, the Company's Remuneration Report so that Shareholders may ask questions about or make comments on the management of the Company in accordance with the requirements of the Corporations Act 2001 and vote to adopt the Remuneration Report for the year ended 30 June 2017.

This resolution is advisory only and does not bind the Company. However, the Board will consider the outcome of the vote made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

Under the Corporations Act 2001, if **25% or more of votes** that are cast at the meeting **are voted against** the adoption of the Remuneration Report at **two consecutive AGM's**, Shareholders will be required to vote at the second of those AGMs on an additional resolution (a "**Spill Resolution**") that a future meeting be held within 90 days of the Spill Resolution. At that further meeting, all of the Company's Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that not more than 25% of the votes cast were cast against the 'remuneration resolution' at the 2016 AGM and therefore, there will be no requirement at this AGM for a Spill Resolution.

The Remuneration Report is contained within the 2017 Annual Report.

You may access the Annual Report by visiting the Company's website www.amagroupltd.com.

However, a KMP may cast a proxy where the proxy specifies in writing how the KMP is to vote (except proxies cast on behalf of another KMP). The Chair is permitted to vote undirected proxies where the Shareholder expressly authorises the chair to exercise the proxy.

Accordingly, if you have appointed the Chair (either directly or by default) as your proxy and you have not directed them how to vote, you are authorising the Chair to exercise the proxy in respect of Resolution 1, notwithstanding that the Chair or KMP may benefit.

The Chair intends to vote in favour of all Resolutions.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Comments & Questions: If you would like to submit a written question to the Company's auditor, please post your question to the Company Secretary or fax it to (617) 3283 1168. Written questions must relate to the content of the auditor's report to be considered at the Annual General Meeting or the conduct of the audit. A list of qualifying questions will be addressed at the Annual General Meeting.

Please note that all questions must be received at least five business days before the Annual General Meeting; that is by no later than 11.00am on 22 November 2017.
