

MARCH 2018 Quarterly Activities Report

During the quarter, the Company's focus has been on identifying and pursuing potential assets which have synergistic operational with the Broula King Gold Mine assets. A number of parties are undertaking technical assessment of the Broula King process plant to determine its suitability to process alternative ores. At the end of the quarter, the company remains in discussions with these parties.

Accordingly, whilst these discussions continue, exploration activities on the Broula King mining lease and adjacent exploration licence has been suspended until the outcome of these discussions are determined.

The Directors are also activity considering various other transactions for the Company and its assets.

Subsequent to the end of the quarter, the Company agreed to enter into agreement to issue to Asipac Group Pty Ltd unsecured 18 month convertible notes to the value of \$164,948 which are convertible into fully paid shares at \$0.04 (4 cents) per share. The interest rate on the convertible notes will be 8% payable in cash or shares. The convertible notes will be issued pursuant to Listing Rule 7.1 and there conversion will be subject to approval of the Company's shareholders, and other regulatory approvals (where applicable).

Asipac Group Pty Ltd has also agreed with the Company to extend the maturity date of its existing unsecured loan facility to 24 October 2018 on the same terms as the existing maturing facility.

BROULA KING PROJECT

The Broula King project is situated about 230 km due west of Sydney near Bumbaldry which is mid-way between the towns of Grenfell and Cowra. The modern 125,000 tpa CIL plant is fully permitted with existing tailings dam capacity with potential to increase that capacity. The plant successfully treated 183,863 tonnes of gold ore between 2012 and 2014.

The Company will rely on its existing cash resources and future capital raising (either debt and/or equity), including its ability to place securities under LR7.1 and LR7.1A to fund its current activities. In addition, the company has received a letter of comfort from major shareholder Asipac Group Pty Ltd, whereby it has confirmed that it will continue supporting the consolidated entity in respect of the financial support that may be necessary in the interim to enable the consolidated entity to meet its financial commitments. Until such time that the consolidated entity is able to raise alternative funding from a capital raising or alternate loan facility from elsewhere, Asipac undertakes that in the event of the consolidated entity not being able to repay all amounts due under the current Loan Facility at maturity that it will negotiate to restructure the terms of the Loan to accommodate the consolidated entity's financial requirements.

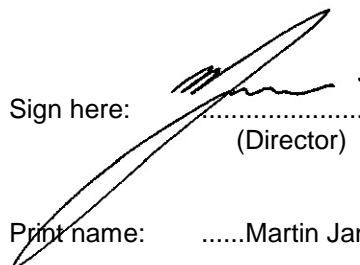

Furthermore, subsequent to the end of the quarter, the Company has entered into a Convertible Note with a face value of \$164,948. These funds will be used for the Company's business activities.

In light of the above factors, the Company believes that it will have sufficient cash to fund its existing activities. The Company expects to have negative cashflows from operations of approximately \$111,000 for the forthcoming quarter. The Company's Board and Management is focused on meeting its current objectives and confirm that it is in compliance with ASX Listing Rules, in particular, Listing Rule 3.1.
