ASX ANNOUNCEMENT**SMALL SHAREHOLDING SALE FACILITY**

Kaili Resources Limited (“Company”) advises that it has established a sale facility for holders of less than marketable parcel of shares in the Company.

Under the Listing Rules of the Australian Securities Exchange a marketable parcel of shares is one that has a value not less than \$500. At the Record Date on 4 June 2018 on the Company’s share register, there were 1,003 shareholders who held less than 14,285 shares with a market value of less \$500 (“Small Shareholding”).

The Company is providing the sale facility to the holders of Small Shareholdings to sell their shares without incurring costs that could otherwise make a sale of their shares uneconomic. In reducing the size of the register, the Company expects to reduce administrative costs associated with maintaining a large number of Small Shareholdings.

The Small Shareholdings will be aggregated and sold shortly after the Closing Date and each shareholder will receive their proportionate share of the net sale proceeds for all shares sold under the facility.

Dear Shareholder

NOTICE ON FACILITY FOR SALE OF SMALL SHAREHOLDING

I am writing to advise you that Kaili Resources Limited (“**Company**”) has established a sale facility (“**Facility**”) for holders of a parcel of shares with a market value of less than \$500 (“**Small Shareholding**”) that is less than a marketable parcel under the Listing Rules of the Australian Securities Exchange (“**ASX**”). The Facility is established in accordance with the ASX Listing Rules and the Company’s Bye-Laws.

The Company currently has approximately 1,135 shareholders of which 1,003 hold a Small Shareholding. By facilitating the sale of Small Shareholdings the Company may significantly reduce the number of shareholders on its register. This would reduce the administrative costs associated with maintaining a large number of Small Shareholdings.

The register of shareholders of the Company indicates that on 4 June 2018 you hold a Small Shareholding. The Company is offering the Facility to assist you, if you opt, in disposing your Small Shareholding without having to act through a broker.

You have 3 options in response to this letter:

- (a) **Sell your less than a marketable parcel of shares:** Do nothing and the Company will facilitate the sale of your shares under the Facility.
- (b) **Retain your less than a marketable parcel of shares:** Complete and return the Share Retention Form to be received by the Company by 5 pm Sydney time on 24 July 2018 (“**Closing Date**”).
- (c) **Increase your shareholding:** Acquire additional shares which will result in you holding a parcel of shares with a value of more than \$500 by the Closing Date.

Shortly after the Closing Date, unless otherwise informed, the Company will sell your Small Shareholding. As soon as practicable after settlement the Company will forward you the proceeds of the sale.

Please note that a less than a marketable parcel of shares is not to be construed as an unmarketable or non-marketable parcel of shares.

You should consult your financial, legal and/or professional advisors on the Facility.

If you have any enquiries, you may contact me on telephone +61 2 8386 5713 or email contact@kailigroup.com.au

Yours faithfully

On behalf of the Board of Kaili Resources Limited
