About Okapi Resources

Okapi Resources Limited is a new minerals exploration company focused on the discovery and commercialisation of mineral deposits in the Democratic Republic of the Congo (DRC) and Western Australia.

Okapi's primary objective is to discover and develop mineral resources from its current portfolio. The Company has carefully selected two initial projects with historical workings and excellent results. Okapi has a team of professionals with an exemplary record of success and with a particular history in Western Australia and the Democratic Republic of Congo (DRC).

Okapi is also pursuing a growth strategy that aims to appraise and secure further exploration and development opportunities within gold and mineral endowed districts.
