

MARKET UPDATE FOR QUARTER ENDED 30 JUNE 2018

BauMart Holdings Limited (ASX: BMH) ("BauMart" or the "Company") is pleased to present its quarterly cash report for the period ended 30 June 2018 and advises:

Materials Handling Supply Division

- Fourth consecutive quarter of record revenue for the division
- Record division revenue for the 2018 financial year
- Major growth is attributed to the east coast expansion strategy allowing the division to directly service the New South Wales and Victorian regions
- Several key opportunities for growth have been identified in the recently established Queensland operation
- Complementary product offerings are being identified to supply already existing customers, offering great opportunity for future growth

Building Materials Supply Division

- Significant growth in the sale and distribution of glass products for use in residential and commercial building projects in New South Wales
- The project tendering division has won several new jobs during the quarter which are expected to be completed in the next financial year
- The natural stone division continues to expand its partnerships in the industry demonstrating repeat business across a growing portfolio of architects, builders, designers, property developers and pool builders
- Sales of natural stones have increased substantially during the financial year, albeit from a low base
- Wood plastic composite decking sales continued to improve, up from the previous financial year, also from a low base

Other Income

- The Company continues to engage with the operator of its glass processing equipment on the rental component of its agreement and remains supportive of their strategy and expansion plans in the east coast market
- Demand for high margin insulated glass products positions the operator to take advantage of opportunities in the New South Wales market and beyond
