Resolution 5: Approval of Proposed Issue of Fully Paid Ordinary Shares to Directors

Resolution 5(a), 5(b), 5(c), 5(d), 5(e), 5(f) and 5(g)

Resolution 5 of the Notice seeks Shareholder approval for the purpose of Listing Rule 10.11 and all other purposes for the future issue of fully paid ordinary shares to Directors of the Company as consideration for 100% of the Director's fees payable to them for the period from 1 December 2018 to 30 November 2019. The Directors seek Shareholder approval on this Resolution to take Shares in lieu of the Company making a physical cash payment for 100% of future Directors fees owed. The deemed issue price of the Shares will be determined by reference to the monthly VWAP of fully paid ordinary shares each month, when the fees are due and payable, subject to a floor price of \$0.001 (0.1 cents) per Share. The Shares will be issued to Mr Nicholas Mather, Mr Barney Berold, Mr Kyle Wightman, Mr William Stubbs, Mr Christopher Tonkin, Professor Ian Plimer and Mr Richard Ash (or their respective nominees) within 10 business days of the end of each month.

It is the view of Directors that the proposed issue of Shares pursuant to Resolutions 5(a), 5(b), 5(c), 5(d), 5(e), 5(f) and 5(g) falls within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the position held by the Directors. Accordingly, the Directors are not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party of the company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the Shares to the Directors as approval is being obtained under Listing Rule 10.11.

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 5:

- (a) the related parties are Mr Nicholas Mather, Mr Barney Berold, Mr Kyle Wightman, Mr William Stubbs, Mr Christopher Tonkin, Professor Ian Plimer and Mr Richard Ash and they are related parties by virtue of being Directors of the Company;

- (b) the maximum number of Shares to be issued by the Company will be determined by dividing the monthly directors' fees payable by the monthly VWAP (subject to a floor price of \$0.001 (0.1 cents) per Share) in arrears for each month from 1 December 2018 to 30 November 2019;
- (c) the Company has requested an ASX waiver from the requirement that the Shares be issued within one month after the date of the AGM and, should the request be successful, allotment will occur on a monthly basis when the Directors' fees become payable and within 10 business days of the end of each month;
- (d) any fractions of Shares resulting from the calculation will be rounded down to the nearest whole number;
- (e) the Shares will be issued as satisfaction for 100% of monthly Directors' fees of up to \$233,333.31 for the period payable to Directors at a deemed issue price calculated as the monthly VWAP in arrears for each month from 1 December 2018 to 30 November 2019 (subject to a floor price of \$0.001 (0.1 cents) per Share);
- (f) there will not be any funds raised through the issue of securities but the Company will be able to reduce its liabilities by up to \$233,333.31 for the period from 1 December 2018 to 30 November 2019; and
- (g) A voting exclusion statement is included in the Notice of Meeting of which this Explanatory Statement forms part.

The Company's Annual Report for any period during which the shares are issued to Mr Nicholas Mather, Mr Barney Berold, Mr Kyle Wightman, Mr William Stubbs, Mr Christopher Tonkin, Professor Ian Plimer and Mr Richard Ash (or their nominees) shall disclose the details of the number of Shares that were issued to them, including the percentage of the Company's issued capital represented by those Shares.

Subject to the approval of Shareholders and an ASX waiver being granted to Rawson Oil & Gas Limited (**Rawson**) for the purposes of Listing Rule 6.23.2, the Company proposes to issue 2,940,000 options to Sari Holdings Pty Ltd (**Sari**) (an entity associated with Mr Richard Ash, a Director of the Company) or Sari's nominee. The options are proposed to be issued pursuant to an option cancellation deed between Sari, Rawson and the Company (**Option Cancellation Deed**) in conjunction with the Company's off-market takeover bid for all of the shares in Rawson (pursuant to the Company's bidder's statement dated 8 August 2018, as supplemented (**Bidder's Statement**)).

Sari is the holder of 2,500,000 options in Rawson (expiring 1 December 2018 and exercisable at \$0.045 each) and 1,000,000 options in Rawson (expiring 1 December 2019 and exercisable at \$0.10 each) (the **Rawson Options**). In accordance with section 9.14 of the Company's Bidder's Statement and the Option Cancellation Deed, this entitles Sari (or Sari's nominee) to 2,940,000 options in Lakes Oil (expiring 8 January 2021 and exercisable at \$0.005 each) (the **Lakes Oil Options**).

The terms of the Option Cancellation Deed provides for:

- (a) the cancellation of the Rawson Options; and
- (b) in consideration for such cancellation, the issue of the Lakes Oil Options,

subject to the approval of the Company's Shareholders and an ASX waiver being granted to Rawson (**Conditions**). Completion of the Option Cancellation Deed is scheduled for two business days after satisfaction of these Conditions (**Completion Date**).

Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party. Furthermore, shareholder approval of the issue of securities under Listing Rule 10.11, means the issue of securities will not reduce the Company's 15% placement capacity under Listing Rule 7.1.

The Directors consider that the issue and allotment of securities to Sari or Sari's nominee (being a related party of the Company for the reasons set out below), will be on arms' length terms as the allotment and issue of the Lakes Oil Options to Sari or Sari's nominee will be made on the same terms that were made to all other Rawson optionholders who have agreed to exchange their options in Rawson for options in Lakes Oil ancillary to the Company's off-market takeover bid for Rawson and as is further described in the Bidder's Statement. Accordingly, the Board believes that the proposed issue and allotment of securities falls within the 'arms' length terms' exemption provided by section 210 of the Corporations Act to the requirement to obtain shareholder approval under Chapter 2E of the Corporations Act for the issue of a financial benefit to a related party of the Company.

ASX Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of securities that are the subject of Resolution 6:

- (a) the proposed recipient is Sari Holdings Pty Ltd (**Sari**) (an entity associated with Mr Richard Ash, a Director of the Company) or Sari's nominee;
- (b) the maximum number of options to be issued is 2,940,000;
- (c) the Lakes Oil Options will be issued on the Completion Date and in any event no later than 1 month after the date of the Meeting (or such later date as permitted by an ASX waiver or modification of the Listing Rules);
- (d) Sari Holdings Pty Ltd is an entity controlled by Mrs Sarah Ash, the wife of Mr Richard Ash (a Director of the Company);
- (e) the options are issued for nil consideration, the exercise price of each option is \$0.005 and the options will expire on 8 January 2021;
- (f) a voting exclusion statement is contained within the Notes to this Notice of Meeting; and
- (g) the funds raised from the exercise of the Lakes Oil Options will be used for general working capital purposes.

Board Recommendation

The Board (with Mr Ash abstaining) recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 7: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to increase work on its current exploration assets and reviewing new potential projects and investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to acquire new resource assets or investments, to conduct further work on its current projects or to meet additional working capital requirements.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue three classes of Equity Securities, Fully Paid Ordinary Shares, Options and Performance Rights.

(c) *Formula for calculating 10% Placement Facility*

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 8 October 2018 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.0010 50% decrease in Current Share Price	\$0.002 Current Share Price	\$0.004 100% increase in Current Share Price
Current Variable A 30,295,475,141 Shares	10% Voting Dilution	3,029,547,514 Shares	3029,547,514 Shares	3,029,547,514 Shares
	Funds raised	\$3,029,548	\$6,059,095	\$12,118,190
50% increase in current Variable A 45,443,212,712 Shares	10% Voting Dilution	4,544,321,271 Shares	4,544,321,271 Shares	4,544,321,271 Shares
	Funds raised	\$4,544,321	\$9,088,643	\$18,177,285
100% increase in current Variable A 60,590,950,282 Shares	10% Voting Dilution	6,059,095,028 Shares	6,059,095,028 Shares	6,059,095,028 Shares
	Funds raised	\$6,059,095	\$12,118,190	\$24,236,380

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options or Performance Rights (including any Options or Performance Rights issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options or Performance Rights, it is assumed that those Options or Performance Rights are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is **\$0.002** (0.2 cent), being the closing price of the Shares on ASX on **8 October 2018**.

(c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking)).

(d) The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition) and continued exploration expenditure on the Company's current business and/or general working capital.

(e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments.

(f) A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.

Information under Listing Rule 7.3A.6(a):

The table below shows the total number of Equity Securities issued in the past 12 months and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12 month period.

Equity securities on issue at commencement of the 12 month period	24,653,098,102
Equity securities issued in the prior 12 month period*	5,642,377,039
Percentage previous issues represent of total number of equity securities on issue at commencement of 12 month period	22.89%

** For full details of the issues of Equity Securities made by the Company in the previous 12 months, see Annexure A. Included in this Annexure is a summary of the amount of funds raised as a result of the capital raisings during the previous 12 month period. Up to the date of this notice, the Company has spent approximately \$3,220,375 of the amount raised, with approximately \$750,000 remaining. The remaining funds will be spent on exploration activities and for working capital purposes.*
