TOTAL OPERATING REVENUE

Revenue Descriptions

- **Non-recurring Revenues** are generated from the deployment of hardware and infrastructure, implementations and upfront setup fees, which underpin Recurring Revenues
- **Recurring Revenues** are generated from ongoing subscription fees for access to Skyfii's 'IO' data analytics platform
- **Services Revenues** are generated from the payment of projects undertaken by both Skyfii's Data Consultancy Services (DCS) and Marketing Services (MS) divisions, including revenues generated from customers of the Causely (US) business, which was acquired in February 2018. Revenues generated from services are received as either recurring or fixed fee projects

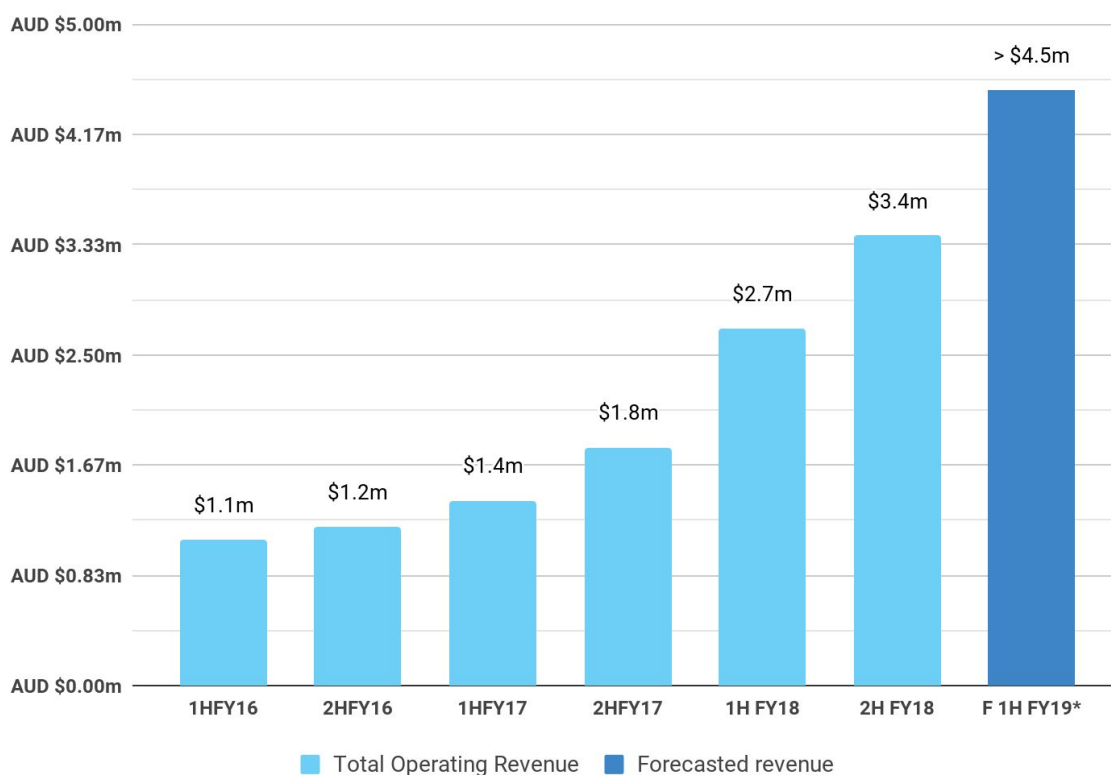

1H FY2019 Forecast Guidance

Skyfii expects to deliver a record finish to the calendar year with 1H FY2019 Total Operating Revenues forecasted to exceed \$4.5m, representing >28% growth on the previous half year period and a >68% increase on 1H FY2018.

30th October 2018

In addition to the very strong Total Operating Revenue growth, the Company is expecting to continue its consistent quarterly growth in Recurring Revenues and maintain a stringent focus on its cash position and EBITDA performance.

Skyfii Renews Contract with Waverley Council (14th of August 2018)

After a successful two year relationship with Waverley Council, Skyfii renewed the contract with the council for a further one year term. The renewal includes the recent inclusions of WiFi services to Bondi Junction, which provides Waverley Council with key insights into public transport utilisation between the beaches and the Bondi Junction transport hub.

Skyfii Signs Multi Year Contract with French Retailer Kooples (28th of August 2018)

Representing Skyfii's first retailer signed in France, the three year signed contract with fashion retailer Kooples, included the deployment of 'IO Connect' (data collection) with basic level of analytics across 100 Kooples retail venues.

Skyfii Signs Three Year Contract with Brazilian Retailer Frigelar (4th of September 2018)

Frigelar, a national white goods retailer in Brazil, signed a three year contract for the deployment of Skyfii's full suite of 'IO Platform' services across 31 retail venues. The agreement includes access to 'IO Connect (data collection)', 'IO Insight' (data analytics) and 'IO Engage' (marketing tools).

Skyfii Signs Multi Year Contract with Dasa Group Medical Centres in Brazil (12th of September 2018)

Skyfii signed a three year contract with Dasa Group, Brazil's largest medical services provider. The initial deployment across 92 Dasa Group medical centres provisions access to Skyfii's full suite of 'IO Platform' services with the option to extend to a further 161 venues upon successful completion of the initial deployment.

Skyfii agrees commercials with leading large format retail landlord in Australia and commences deployment of infrastructure

During the quarter, Skyfii agreed commercials and commenced the rollout of infrastructure with one of Australia's leading large format retail landlords. The project includes the deployment of WiFi and people counting technology across an initial 18 centres, with a planned rollout to a further 22 centres by mid-2019. Infrastructure rollout commenced during the quarter and has already contributed to operating revenues delivered during the quarter.

The client has requested to remain unnamed until the contract is finalised.

Appointment of Non-Executive Directors - Jon Adgemis and Sue O'Malley (24th of September 2018)

30th October 2018

During the quarter, Skyfii appointed Jon Adgemis and Sue O'Malley as Non-Executive Directors to the Skyfii board. These high-profile appointments will provide the Board with valuable expertise as Skyfii executes its strategy both domestically and abroad.

Jon Adgemis is currently the Managing Director of Mergers and Acquisitions at KPMG and brings a wealth of expertise to the Skyfii board. The appointment of Jon Adgemis will assist Skyfii as it continues to grow and expand its operations globally.

Sue O'Malley, a former Westfield/Scentre Group Executive, has held a number of senior managerial roles, overseeing a portfolio of Westfield shopping centres with a total asset value of more than \$10 billion. Sue O'Malley's appointment will assist Skyfii as it looks to expand its market leading position in the retail property sector both domestically and internationally.

Post Quarter Events

Skyfii Signs Multi Year Contract with Habib's Restaurant Chain in Brazil (16th of October 2018)

Skyfii continues to cement its position in the Quick Service Restaurant (QSR) vertical with its signed three year contract with Habib's restaurant chain in Brazil. The contract includes the total deployment of Skyfii's 'IO Connect' and 'IO Insight' across 360 Habib's venues, with an initial 100 venues planned for deployment by the end of December 2018.

Operating Model

Inline with the Company's FY2019 strategy, Skyfii has made a number of new hires during the quarter in the functions of sales, marketing, engineering and technical support. A total of 5 new roles were filled during the quarter as we continue to scale the Company for continued topline revenue growth in both domestic and international markets.

The Company will continue to take advantage of its market leading position in the retail property vertical, particularly in Australia.

Our services team remain a key differentiator in our go-to-market strategy as we help our customer drive actionable insights from their data strategy and we expect to continue to see growth from this team locally and internationally.

Cash Position

As at 30 September 2018, the Company maintained a cash position of \$1.1m, down from \$1.47m at the end of the previous quarter (ending 30 June 2018), a result of upfront costs in delivering multiple shopping centre infrastructure deployments in the Australian market). In addition, Skyfii expects to receive \$850k in R&D grants in the current quarter.

Consistent with previous guidance, the Company does not need to raise any additional capital to maintain current operating activities.
