FINANCIAL HIGHLIGHTS

Types of revenues generated by the Skyfii business model

RECURRING REVENUES

are generated from ongoing subscription fees for access to Skyfii's SaaS 'IO' platform.

SERVICES REVENUES

are generated from the payment of projects undertaken by both Data Consultancy Services (DCS) and Marketing Services (MS) divisions, including revenues generated from customers of the Causely (US) business. Revenues generated from Services are received as either recurring or fixed fee projects.

NON-RECURRING REVENUES

are generated from the deployment of hardware and infrastructure, implementations and upfront setup fees, which underpin recurring revenues, including installation of Wireless Access Points, 2D and 3D cameras and People Counting technology.
